Duffy, IV, 2012-11-01 Basic Music Reference is a quick start guide designed to introduce library employees to the basic tools and techniques involved in answering questions

related to music As in every specialist subject area music has its own terminology but unlike most it also has a multitude of formats on paper and other materials as well as special notation and frequent use of foreign languages in titles and texts These features make it particularly difficult for library employees to answer users questions and thus a guide such as this one is essential Not all libraries with a music collection can afford to hire a music reference librarian Even libraries with such a specialist rely on support staff and student employees to answer questions when the music librarian is not available Whatever the scenario this volume will serve as a helpful training tool for library employees to learn about the basic music reference tools and to develop the techniques of greatest use when answering the most common types of music related questions Schirmer's Guide to Books on Music and Musicians Robert Donaldson Darrell,1951 **Music & Letters** ,1926

Wald,2025-04-10 The remarkable life story of Ella Jenkins The First Lady of Children s Music Ella Jenkins was one of the most influential musicians of the twentieth century Her songs You ll Sing a Song and I ll Sing a Song and Who Fed the Chickens are classics in the world of children s music In a career spanning more than sixty years she recorded forty albums won a lifetime achievement Grammy and became the best selling individual artist in the history of Smithsonian Folkways Records the independent label that played a significant role in the 1960s folk revival movement and introduced listeners to Woody Guthrie and Pete Seeger During her remarkable career Jenkins joined forces with twentieth century luminaries such as Odetta Big Bill Broonzy Armando Peraza Bayard Rustin and Fred Rogers Despite her wide reaching influence on children s music Ella Jenkins s sonic civil rights activism isn t widely known today Based on dozens of interviews and access to Ella Jenkins s personal archives Gayle F Wald s This Is Rhythm shares how Jenkins a rhythm specialist with no formal musical training became the most prolific and significant American children s musician of the twentieth century creating a beloved catalog of songs grounded in values of community building antiracism and cultural pluralism Wald traces how the daughter of southern migrants translated the music of her own Black girlhood on the South Side of Chicago into a form of civil rights activism a musical education that empowered children by introducing them to Black history African diasporic rhythms and a participatory community centered approach to music Wald also discusses how beginning in 1961 Jenkins built a life with a female partner who supported her materially and emotionally Although Jenkins did not talk publicly about her sixty three year relationship she opened up to Wald offering insight into how a private Black woman in the public eye negotiated sexuality in an era before gay and lesbian liberation movements Throughout her career her innovative music found its way into thousands of community centers classrooms and concert venues and her call and response method has influenced and empowered generations of children and adults A beautifully written tribute to Ella Jenkins s legacy this biography illustrates her impact on children s music and expands our understanding of folk music s

relationship with social justice Jenkins used music to build a new world in which children and adults are encouraged to listen to each other's distinct rhythms

*Shadows in the Field* Gregory F. Barz, Timothy J. Cooley, 2008-09-09 Ethnomusicological fieldwork has significantly changed since the end of the 20th century Ethnomusicology is in a critical moment that requires new perspectives on fieldwork perspectives that are not addressed in the standard guides to ethnomusicological or anthropological method The focus in ethnomusicological writing and teaching has traditionally centered around analyses and ethnographic representations of musical cultures rather than on the personal world of understanding experience knowing and doing fieldwork *Shadows in the Field* deliberately shifts the focus of ethnomusicology and of ethnography in general from representation text to experience fieldwork The new fieldwork moves beyond mere data collection and has become a defining characteristic of ethnomusicology that engages the scholar in meaningful human contexts In this new edition of *Shadows in the Field* renowned ethnomusicologists explore the roles they themselves act out while performing fieldwork and pose significant questions for the field What are the new directions in ethnomusicological fieldwork Where does fieldwork of the past fit into these theories And above all what do we see when we acknowledge the shadows we cast in the field The second edition of *Shadows in the Field* includes updates of all existing chapters a new preface by Bruno Nettl and seven new chapters addressing critical issues and concerns that have become increasingly relevant since the first edition
