

A high-angle, close-up photograph of a Panavia Tornado fighter jet in flight. The aircraft is shown from a side-on perspective, banking slightly to the right. It has a dark grey or black paint scheme. The cockpit canopy is visible, showing two pilots. The aircraft's wings are swept back, and its canards are visible. The background is a vast, arid desert landscape with rolling hills and sparse vegetation, under a clear sky. The lighting suggests it might be late afternoon or early morning, with long shadows and warm tones.
