

A man with long grey hair, wearing a maroon sweater, blue jeans, and green rubber boots, sits on a wooden stool in a rustic Irish interior. He is flanked by two large, round, woven straw baskets. To his left is a white-painted wooden stove with a silver kettle on top. The background features a dark wooden door, a shelf with various items, and a framed picture of a religious figure on the wall. The overall atmosphere is warm and traditional.

Online Book Straw Rushes Irish Folk Tradition:

Wild Basketry Ruby Taylor, 2025-05-08 A makers guide to sourcing and harvesting foraged plants to make natural cordage and baskets Making with our hands is a fundamental human activity connection with the natural world and the feeling of belonging to place are basic human needs A counterbalance to our digitalised lives is the wish to connect with the simple joy and satisfaction of creating beautiful and useful objects tapping into ancestral skills and wisdom and taking care of our world by reducing our ecological impact Wild Basketry brings all this together in a rich combination of reflection and practical guide Beautiful photographs take you through a seasonal year of seven basketry and cordage projects suitable for beginners as well as for those wishing to expand their basketmaking skills Ruby Taylor guides you through each step following a range of techniques with suggestions for further exploration to give you a thorough grounding in the fundamentals of the craft Guidance on the principles of harvesting and processing plant fibres and contextual information about the evolution of basketry are covered throughout the book along with spotlights on several inspiring international artists

Rot Padraic X. Scanlan, 2025-03-11 A revelatory new history of the Irish Great Famine showing how the British Empire caused Ireland's most infamous disaster In 1845 European potato fields from Spain to Scandinavia were attacked by a novel pathogen But it was only in Ireland then part of the United Kingdom that the blight's devastation reached apocalyptic levels leaving more than a million people dead and forcing millions more to emigrate In Rot historian Padraic X Scanlan offers the definitive account of the Great Famine showing how Ireland's place in the United Kingdom and the British Empire made it uniquely vulnerable to starvation Ireland's overreliance on the potato was a desperate adaptation to an unstable and unequal marketplace created by British colonialism The empire's laissez faire economic policies saw Ireland exporting livestock and grain even as its people starved When famine struck relief efforts were premised on the idea that only free markets and wage labor could save the Irish Ireland's wretchedness before and during the Great Famine was often blamed on Irish backwardness but in fact it resulted from the British Empire's embrace of modern capitalism Uncovering the disaster's roots in Britain's deep imperial faith in markets commerce and capitalism Rot reshapes our understanding of the Great Famine and its tragic legacy

Irishness and Womanhood in Nineteenth-Century British Writing Thomas Tracy, 2017-11-30 In *The Wild Irish Girl* the powerful Irish heroine's marriage to a heroic Englishman symbolizes the Anglo Irish novelist Lady Morgan's reimagining of the relationship between Ireland and Britain and between men and women Using this most influential of pro union novels as his point of departure the author argues that nineteenth century debates over what constitutes British national identity often revolved around representations of Irishness especially Irish womanhood He maps out the genealogy of this development from Edgeworth's *Castle Rackrent* through Trollope's Irish novels focusing on the pivotal period from 1806 through the 1870s The author's model enables him to elaborate the ways in which gender ideals are specifically contested in fiction the discourses of political debate and social reform and the popular press for the

purpose of defining not only the place of the Irish in the union with Great Britain but the nature of Britishness itself
