**Transatlantic Obligations** Jane E. Mangan, 2016 In sixteenth century Peru and Spain even as migration race mixture and transculturation took place family members fulfilled obligations by adapting custom to a changing world This book studies non elite families of indigenous Spanish and mixed ancestry with a focus on Lima and Arequipa and those with connections to Seville

The Women of Rendezvous Jenny Shaw, 2024-11-27 The Women of Rendezvous is a dramatic transatlantic story about five women who birthed children by the same prominent Barbados politician and enslaver Two of the women were his wives two he enslaved and one was a servant in his household All were determined to make their way in a world that vastly and differentially circumscribed their life choices From a Barbados plantation to the center of England's empire in London Hester Tomkyns Frances Knights Susannah Mingo Elizabeth Ashcroft and Dorothy Spendlove built remarkable lives for themselves and their children in spite of not because of the man who linked them together Mining seventeenth and eighteenth century court records deeds wills church registers and estate inventories Jenny Shaw centers the experiences of the women and their children intertwining the microlevel relationships of family and the macrolevel political machinations of empire to show how white supremacy and racism developed in England and the colonies Shaw also explores England's first slave society in North America provides a glimpse into Black Britain long before the Windrush generation of the twentieth century and demonstrates that England itself was a society with slaves in the early modern era

advanced scholars seeking an introduction to the field      Bound by Bondage Nicole Saffold Maskiell, 2022-08-15 During the first generations of European settlement in North America a number of interconnected Northeastern families carved out private empires In Bound by Bondage Nicole Saffold Maskiell argues that slavery was vital to the rise of this aristocracy and those dynastic families built prestige through mastery creating manorial estates and expansive trading networks from the Northeast to the South the Caribbean and beyond Members of this elite class including mayors governors and presidents were among the largest slaveholders in the North with power aspirations uniting Anglo and Dutch families Using original research drawn from archives across several continents in multiple languages Maskiell traces the origins of these private empires from the founding of Northeastern colonies to the eve of the Revolutionary War She reveals a multiracial Early America where enslaved traders woodsmen millers maids bakers and groomsmen developed expansive networks of their own that challenged the power of the elites helping in escapes in trade and in simple camaraderie Bound by Bondage adds a new chapter to early North American history linking Northern networks of merit to slavery      **Inca Apocalypse** R. Alan Covey, 2020 Inca Apocalypse develops a new perspective on the European invasions of the Inca realm and the way that the Spanish transformation of the Andes relates to broader changes occurring in the transition from medieval to early modern Europe The book is structured to foreground some of the parallels in the imperial origins of the Incas and Spain as well as some of the global processes affecting both societies during the first century of their interaction The Spanish conquest of the Inca empire was more than a decisive victory at Cajamarca in 1532 it was an uneven process that failed to bring to pass the millenarian vision that set it in motion yet it succeeded profoundly in some respects The Incas and their Andean subjects were not passive victims of colonization and indigenous complicity and resistance actively shaped Spanish colonial rule As it describes the transformation of the Inca world Inca Apocalypse attempts to build a more global context than previous accounts of the Spanish Conquest and it seeks not to lose sight of the parallel changes occurring in Europe as Spain pursued state projects that complemented the colonial endeavors in the Americas New archaeological and archival research makes it possible to frame a familiar story from a larger historical and geographical scale than has typically been considered The new text will have solid scholarly foundations but a narrative intended to be accessible to non academic readers

*Bioarchaeologists Speak Out* Jane E. Buikstra, 2018-10-26 Bioarchaeologists who study human remains in ancient historic and contemporary settings are securely anchored within anthropology as anthropologists yet they have not taken on the pundits the way other subdisciplines within anthropology have Popular science authors frequently and selectively use bioarchaeological data on demography disease violence migration and diet to buttress their poorly formed arguments about general trends in human behavior and health beginning with our earliest ancestors While bioarchaeologists are experts on these subjects bioarchaeology and bioarchaeological approaches have largely remained invisible to the public eye Current issues such as climate change droughts warfare violence famine and the effects of disease are media mainstays and are

subjects familiar to bioarchaeologists many of whom have empirical data and informed viewpoints both for topical exploration and also for predictions based on human behavior in deep time The contributions in this volume will explore the how and where the data has been misused present new ways of using evidence in the service of making new discoveries and demonstrate ways that our long term interdisciplinarity lends itself to transdisciplinary wisdom We also consider possible reasons for bioarchaeological invisibility and offer advice concerning the absolute necessity of bioarchaeologists speaking out through social media

**The People Are King** S. Elizabeth Penry, 2019-10-17 In the sixteenth century in what is now modern day Peru and Bolivia Andean communities were forcibly removed from their traditional villages by Spanish colonizers and resettled in planned self governed towns modeled after those in Spain But rather than merely conforming to Spanish cultural and political norms indigenous Andeans adopted and gradually refashioned the religious practices dedicated to Christian saints and political institutions imposed on them laying claim to their own rights and the sovereignty of the collective The People Are King shows how common Andean people produced a new kind of civil society over three centuries of colonialism merging their traditional understanding of collective life with the Spanish notion of the common to demand participatory democracy S Elizabeth Penry explores how this hybrid concept of self rule spurred the indigenous rebellions that erupted across Latin America in the eighteenth century not only against Spanish rulers but against native hereditary nobility for acting against the will of the comuneros Through the letters and documents of the Andean people themselves The People Are King gives voice to a vision of community based democracy that played a central role in the Age of Atlantic Revolutions and continues to galvanize indigenous movements in Bolivia today

**Embodying the Sacred** Nancy E. van Deusen, 2017-12-07 In seventeenth century Lima pious Catholic women gained profound theological understanding and enacted expressions of spiritual devotion by engaging with a wide range of sacred texts and objects as well as with one another their families and ecclesiastical authorities In Embodying the Sacred Nancy E van Deusen considers how women created and navigated a spiritual existence within the colonial city's complex social milieu Through close readings of diverse primary sources van Deusen shows that these women recognized the divine or were objectified as conduits of holiness in innovative and powerful ways dressing a religious statue performing charitable acts sharing interiorized spiritual visions constructing autobiographical texts or offering their hair or fingernails to disciples as living relics In these manifestations of piety each of these women transcended the limited outlets available to them for expressing and enacting their faith in colonial Lima and each transformed early modern Catholicism in meaningful ways

**A Primer for Teaching Women, Gender, and Sexuality in World History** Merry E. Wiesner-Hanks, Urmi Engineer Willoughby, 2018-09-27 A Primer for Teaching Women Gender and Sexuality in World History is a guide for college and high school teachers who are teaching women gender and sexuality in history for the first time for experienced teachers who want to reinvigorate their courses for those who are training future teachers to prepare their own syllabi and for teachers who want to incorporate these issues

into their world history classes Merry E Wiesner Hanks and Urmi Engineer Willoughby present possible course topics themes concepts and approaches while offering practical advice on materials and strategies helpful for teaching courses from a global perspective in today s teaching environment for today s students In their discussions of pedagogy syllabus organization fostering students historical empathy and connecting students with their community Wiesner Hanks and Willoughby draw readers into the process of strategically designing courses that will enable students to analyze gender and sexuality in history whether their students are new to this process or hold powerful and personal commitments to the issues it raises

**From the Galleons to the Highlands** Alex Borucki, David Eltis, David Wheat, 2020-05 The essays in this book demonstrate the importance of transatlantic and intra American slave trafficking in the development of colonial Spanish America highlighting the Spanish colonies previously underestimated significance within the broader history of the slave trade Spanish America received African captives not only directly via the transatlantic slave trade but also from slave markets in the Portuguese English Dutch French and Danish Americas ultimately absorbing more enslaved Africans than any other imperial jurisdiction in the Americas except Brazil The contributors focus on the histories of slave trafficking to within and across highly diverse regions of Spanish America throughout the entire colonial period with themes ranging from the earliest known transatlantic slaving voyages during the sixteenth century to the evolution of antislavery efforts within the Spanish empire Students and scholars will find the comprehensive study and analysis in *From the Galleons to the Highlands* invaluable in examining the study of the slave trade to colonial Spanish America

**The Spanish Atlantic World, 1492-1825** Kenneth J. Andrien, 2025 This wide ranging study examines the evolution of the Spanish Atlantic World from its inception with the voyages of Christopher Columbus through the period of conquest and expansion in the sixteenth century the era of consolidation in the seventeenth century to the reform and renovation of the eighteenth century culminating in its slow motion collapse by 1825

**Children of Uncertain Fortune** Daniel Livesay, 2018-01-11 By tracing the largely forgotten eighteenth century migration of elite mixed race individuals from Jamaica to Great Britain *Children of Uncertain Fortune* reinterprets the evolution of British racial ideologies as a matter of negotiating family membership Using wills legal petitions family correspondences and inheritance lawsuits Daniel Livesay is the first scholar to follow the hundreds of children born to white planters and Caribbean women of color who crossed the ocean for educational opportunities professional apprenticeships marriage prospects or refuge from colonial prejudices The presence of these elite children of color in Britain pushed popular opinion in the British Atlantic world toward narrower conceptions of race and kinship Members of Parliament colonial assemblymen merchant kings and cultural arbiters the very people who decided Britain s colonial policies debated abolition passed marital laws and arbitrated inheritance disputes rubbed shoulders with these mixed race Caribbean migrants in parlors and sitting rooms Upper class Britons also resented colonial transplants and coveted their inheritances family intimacy gave way to racial exclusion By the early nineteenth century relatives had become

strangers      **Luis Gerónimo de Oré** Alexandra Parma Cook, Noble David Cook, 2023-12-06 Born in a provincial city in the Peruvian Andes the Franciscan linguist and theologian Luis Gerónimo de Oré 1554-1630 lived during a critical period in the formation of the modern world as the global empire of Spain engaged in a nearly continuous struggle over resources and religion In the first full length biography of Oré Noble David Cook and Alexandra Parma Cook reconstruct the friar's life and the communities in which he circulated tracing the career of this first generation Creole from his roots in Huamanga to his work in Andean missions his activities at the royal courts of Spain and throughout Spanish America until his final years as bishop of Concepción Chile While serving in Peru's Colca Valley Oré composed multilingual texts translating doctrinal concepts into the indigenous languages Quechua and Aymara alongside Latin and Spanish which missionaries and secular clergy frequently used in their conversion efforts As commissioner to Cuba and La Florida he inspected the frontier missions along the coast of what became the southeastern United States and wrote an influential history of these outposts and their environment After Philip III dispatched him to Concepción Oré spent his last years working in the southernmost end of the Americas where he continued his advocacy for indigenous justice and engaged in heated arguments with the governor over defensive war royal patronage and Indian enslavement Drawn from research conducted in Spain and Latin America over several decades this consequential biography recovers from obscurity a colonial friar whose legacy continues in the Andean world today
