**A History of the United States from the Discovery of the American Continent to the Present Time. With a Full Account of the National Centennial Celebration** Benson John Lossing, 1875      **Shadowlands: A Journey Through Britain's Lost Cities and Vanished Villages** Matthew Green, 2022-07-19 Beguiling Elizabeth Lowry Wall Street Journal A brilliant London historian BBC Radio tells the story of Britain as never before through its abandoned villages and towns Drowned Buried by sand Decimated by plague Plunged off a cliff This is the extraordinary tale of Britain's eerie and remarkable ghost towns and villages shadowlands that once hummed with life Peering through the cracks of history we find Dunwich a medieval city plunged off a cliff by sea storms the abandoned village of Wharram Percy wiped out by the Black Death the lost city of Trellech unearthed by moles in 2002 and a Norfolk village zombified by the military and turned into a Nazi Soviet and Afghan village for training Matthew Green a British historian and broadcaster tells the astonishing tales of the rise and demise of these places animating the people who lived worked dreamed and died there Traveling across Britain to explore their haunting and often beautiful remains Green transports the reader to these lost towns and cities as they teeter on the brink of oblivion vividly capturing the sounds of the sea clawing away row upon row of houses the taste of medieval wine or the sights of puffin hunting on the tallest cliffs in the country We experience them in their prime look on at their destruction and revisit their lingering remains as they are mourned by evictees and reimagined by artists writers and mavericks A stunning and original excavation of Britain's untold history Shadowlands gives us a truer sense of the progress and ravages of time in a moment when many of our own settlements are threatened as never before      **Unwanted** Christina Keim, 2025-06-10 Any horse but for a change of circumstances can become unwanted The unwanted are racetrack rejects excess ranch stock foals that did not live up to their breeder's expectations They are aged Amish cart horses horses with chronic lameness issues the pony a child outgrew They are show horses pleasure horses the pretty horses and the plain They come in all colors sizes and shapes The US equine industry consistently produces more horses each year than the number of appropriate homes leaving thousands of animals with nowhere to go Recently as many as 150 000 of these horses have shipped annually to equine slaughterhouses in Canada Mexico and abroad Others are sold at auction given away starved abused and abandoned Just over 1 000 rescues and municipal organizations across the country equipped to handle horses at risk report they are consistently close to or at capacity Most are stretched to the breaking point when it comes to finances material resources and human power Horsewoman and journalist Christina Keim a veteran of the equine industry believes the unwanted horse crisis urgently needs our collective voice and attention Solving it she suggests requires a sea change in the face of not just fundamental values and beliefs but also hard economic realities and deeply held cultural attitudes In her meticulously researched study of this devastatingly real and present problem so many choose to ignore she travels the country bringing readers to livestock auctions rescues and therapy centers describing work and life behind the scenes and

the animals who find themselves there Keim interviews industry experts including veterinarians lawmakers welfare advocates and shelter workers and reviews published data to help separate unwanted horse facts from fantasy She works to dispel common myths and misconceptions surrounding the slaughter pipeline without taking away from the harsh reality horses face once in it And perhaps most importantly she showcases the work of many dedicated individuals and groups who are collectively helping to carve out a new niche for the horse that both honors his heritage and can help to preserve his future

**100 Entertainers Who Changed America** Robert C. Sickels,2013-08-08 This fascinating and thought provoking read challenges readers to consider entertainers and entertainment in new ways and highlights figures from

outside the worlds of film television and music as influential pop stars Comprising approximately 100 entries from more than 50 contributors from a variety of fields this book covers a wide historical swath of entertainment figures chosen primarily for their lasting influence on American popular culture not their popularity The result is a unique collection that spotlights a vastly different array of figures than would normally be included in a collection of this nature and appeals to readers ranging from high school students to professionals researching specific entertainers Each subject individual s influence on popular culture is analyzed from the context of his or her time to the present in a lively and engaging way and through a variety of intellectual approaches Many entries examine commonly discussed figures influence on popular culture in ways not normally seen for example the widespread appeal of Woody Allen s essay collections to other comedians or the effect of cinematic adaptations of Tennessee Williams plays in breaking down Hollywood censorship

**Archaeology for the People** John Cherry, Felipe Rojas, 2016-02-29 In 2014 the

Joukowsky Institute for Archaeology and the Ancient World organized an international writing competition calling for accessible and engaging essays about any aspect of archaeology Nearly 150 submissions from over two dozen countries were received Archaeology for the People gathers the best of those entries Their diverse topics from the destruction of historic urban gardens in contemporary Istanbul to the fall of the ancient Maya city offer a taste of the global reach and relevance of archaeology Their main common trait however is that they prove that archaeology can offer much more to a general audience than Indiana Jones or aliens building pyramids All of the articles collected in this book combine sophisticated analysis of an exciting archeological problem with prose geared at a non specialized audience This book also offers a series of reflections on how and why to engage in dialogues about archaeology with people who are not specialists These include a stunning photo essay that captures the challenges of life at an archaeological site in northern Sudan interviews with a number of

leading archaeologists who have successfully written about archaeology for a broad public or who are actively engaged in practicing archaeology beyond academia and a discussion of the experience of teaching a Massive Open Online Course MOOC about archaeology to over 40 000 students This book should be of interest to anyone who has wondered how and why to write about archaeology for people other than archaeologists Motorman, Conductor and Motor Coach Operator ,1914 Vols include the Proceedings of the association s 12th 27th annual conventions **A Road to Prosperity - Ultimate Collection** Niccolò Machiavelli,Elbert Hubbard,James Allen,William Walker Atkinson,Orison Swett Marden,Benjamin Franklin,William Crosbie Hunter,Harry A.
