Online Information And Research Issues In The Digital Age:

Information Users and Usability in the Digital Age G. G. Chowdhury, Sudatta Chowdhury, 2011-09-15 Information users and usability constitute the main building blocks of today's electronic information world. This important new text is the first to give a holistic overview of all of the necessary issues relating to information users and the usability of information services in the digital world including user centred design and the characteristics and behaviour of information users. This book helps readers understand why information users and the usability of information services are important and equips them to play a proper role in designing user centred information systems and services and to properly exploit information services for the maximum benefit of users. It covers all of the major issues, the current situation and what the various research studies from around the world show.

Research Project Success Using Digital Tools Pete Michalski, Henrietta M. Lily, 2015-12-15 This helpful instructional title goes far beyond the simplistic directive 'Just look online' that many young researchers may be given when they are assigned school research. With so many resources online ranging from academically rigorous to sloppy and suspect, the modern young researcher needs to be armed with strategies and tools that will yield the best information and help him or her organize and present that information effectively. In a modern school environment, the digital tools discussed in this book go a long way toward insuring success and excellence.

Khan Academy and Salman Khan Ariana Wolff, 2014-12-15 The Internet is host to a world of information and misinformation. At the Khan Academy, an online education site started by visionary Salman Khan, one can learn about such diverse subjects as whether there are different sizes of infinity or if basketball star and regular contributor to the site LeBron James thinks it's easier to make three free throws or one three pointer. That's right, LeBron James is a regular contributor. And Bill Gates's kids are regular visitors. Find out just who Salman Khan is and how he became a superstar magnet and a superstar in his own right.

Teenagers, Sexual Health Information and the Digital Age Kerry Mckellar, Elizabeth Sillence, 2020-01-06 *Teenagers Sexual Health Information and the Digital Age* examines the online resources available on teenagers including games and digital interventions. In addition, it highlights current issues such as sexting and pornography. Information needs and provisions are examined and existing sexual health interventions and digital interventions are discussed, gathering both teenagers and sexual health professionals' views on these services. In addition to a review of the current literature on sexual health and teenagers, the book examines groups of teenagers, particularly those vulnerable to risky sex, and asks what are the predictors of these behaviors and what can be done to address the behaviors. Finally, the book will also provide reflections and practical advice on the ethical issues associated with research in this context.
