Fire the Web Committee Michael Reynolds, 2013-02. When most organizations embark on the task of creating a new website, the first thing they do is put together a committee. Then that committee gets together and tries to figure out all the ins and outs of a website before choosing a partner firm to make sure they are doing their jobs. This can be very time-consuming and often frustrating. Sound familiar? This book helps make it easier and provides additional education to help you execute a new website project successfully. *Virtually Free Marketing* Philip
