European Friends of the American Revolution Andrew J. O'Shaughnessy, John A. Ragosta, Marie-Jeanne Rossignol, 2023-08-21 Europe's crucial contribution to the achievement of American independence American independence would not have been achieved without diplomatic financial and military support from Europe And without recognition from powerful European nations the young country would never have assumed an independent status amongst the powers of the earth This collection of essays not only offers new glimpses into the ways in which various European powers and actors enabled American patriots to fight and win the war it also highlights the American Revolution's short and long term impact on the Atlantic world Because of the strength of European support Great Britain found itself diplomatically isolated without an ally in a war that had become a global conflict and with a navy outnumbered by the combined fleets of America's friends This volume is a timely reminder of the importance of international support for the winning of American independence and the global context of the American Revolution as we approach its 250th anniversary Contributors Olivier Chaline Sorbonne Universit Robert Rhodes Crout College of Charleston Kathleen DuVal University of North Carolina at Chapel Hill Victor Enthoven Vrije Universiteit Amsterdam Paul A Gilje University of Oklahoma Jean Marie Kowalski Sorbonne Universit Andrew J O Shaughnessy University of Virginia Julia Osman Mississippi State University Munro Price University of Bradford Gonzalo M Quintero Saravia Senior Spanish diplomat John A Ragosta Robert H Smith International Center for Jefferson Studies at Monticello Marie Jeanne Rossignol Universit Paris Cit Timothy D Walker University of Massachusetts Dartmouth
