## Only Believe Selected Inspirational Readings:

*Only Believe!* Smith Wigglesworth, 1996 Only Believe is a collection of devotional excerpts from the sermons of this dynamo for God. It is the fruit of Wigglesworth's daily search through prayer and Bible study to increase his faith so that he could help hurting people. His words have lost none of their power with the passage of time and still encourage those who hear them to new heights of faith.

**Stand Strong** Judy Jacobs, 2013-07-15 Stand Strong the strongest message of 2007. I want you to be the exception to the norm. I want you to become a powerful example to others. I want you to be mighty in your spirit whole through and through and able to stand up in adversity. Judy Jacobs Standing up is simple. Standing strong takes everything you have and then some. Judy Jacobs shares six winning strategies for success that will change the way Christians stroll through life. When believers stand strong in God's Spirit there is boldness, authority, confidence, strength in adversity, calm in the storms, miracles, and perseverance. Judy Jacobs invites readers to join the school of walkers: Enoch, Moses, Jesus, and others who stood strong and made a difference in their world.

*Domo's Quotes of Inspiration Part 1* D.J. Domo, 2023-07-24 On a daily we all go through things. Some expected and some unexpected. Some we can control the outcome and others we can't. As I went back and thought about my hard times and the quotes I

came up with while trying to press forward through all my tribulations and trials These quotes seem to make a lot of sense today So why not share them and hopefully they can help you right along with words of inspiration For so long after dealing with my hard times I've always been someone who people can come to talk to We all need someone to vent to Not everyone is genuine with that listening ear either I've given real advice and am not judgmental while giving it I allow people to see things both ways and advise them of what I would do When I approach the conversation with the advice I give I don't force a person to take my advice and use it The final choice is up to you to make the final decision in whatever choice you choose to use and I'm going to support you every which way Everyone needs deserves and go looking for encouragement That happens often So why not a better way to incorporate quotes with genuine words of encouragement to inspire someone within this book

C. Tefft,2009-02 Why are we born For what purpose are we here The longer we remain unaware of what is taking place within us of what drives us and what can liberate us from the bonds of egocentric behavior the longer we allow what the Buddha called the sorrow of life to hold sway The sorrow of life is the sum and consequence of our total identification with the world that is created by self The word Consciousness means something more than what the mind of self thinks imagines or conceives Awareness in Pure Consciousness is an awareness that is other than self and beyond thought Contrary to traditional thinking the so called unseen unknown world is nothing more than Consciousness of which we are unaware Unawareness in Consciousness has been evolving into Awareness in Consciousness since before time began The author of this work comprehensively sets forth a

meaning of ancient scripture that likely has not been advanced to you before He demystifies ancient legends and myths so the essential truth of ancient teachings shines through Using ancient scripture as a guide he insightfully explores a growing conscious awareness that has been emerging within mankind over the last few thousand years A must read for anyone looking to discover the deeper meaning of ancient scripture beyond a literal interpretation of the words
