Of Mutts and Men Cate Garrison, 2008-02-16 Take the true story of a small brown pesky but lovable mutt whose funny, frustrating and downright annoying exploits make other canine characters seem positively saintly. Add to the mix a fictional account of the near demise of a marriage seen not through the dog's eyes exactly but through the shifting, changing parallels between this dog's five year life and the story of a woman's relationship to her husband. Season with the clash of cultures between this woman's English origins and the traditions of her American spouse. Stir the ingredients together in the aromatic pot that is bubbling up and coming. Portland, Oregon and you begin to get the flavor of **OF MUTTS AND MEN**.
