Mexico And Its Diaspora In The United States Policies Of Emigration Since 1848:

Mexico and its Diaspora in the United States Alexandra Délano,2011-06-06 In the past two decades changes in the Mexican government's policies toward the 30 million Mexican migrants living in the US highlight the importance of the Mexican diaspora in both countries given its size its economic power and its growing political participation across borders This work examines how the Mexican government's assessment of the possibilities and consequences of implementing certain emigration policies from 1848 to 2010 has been tied to changes in the bilateral relationship which remains a key factor in Mexico's current development of strategies and policies in relation to migrants in the United States Understanding this dynamic gives an insight into the stated and unstated objectives of Mexico's recent activism in defending migrants rights and engaging the diaspora the continuing linkage between Mexican migration policies and shifts in the US Mexico relationship and the limits and possibilities for expanding shared mechanisms for the management of migration within the NAFTA framework

Mexico and Its Diaspora in the United States Alexandra Delano,2014-05-14 In the past two decades changes in the Mexican government's policies toward the 30 million Mexican migrants living in the United States highlight the importance of the Mexican diaspora in both countries given its size its economic power and its growing political participation across borders This work examines how the Mexican government's assessment of the possibilities and consequences of implementing certain emigration policies from 1848 to 2010 has been tied to changes in the bilateral relationship which remains a key factor in Mexico's current development of strategies and policies in relation to migrants in the United States Understanding this dynamic gives an insight into the stated and unstated objectives of Mexico's recent activism in defending migrants rights and engaging the diaspora the continuing linkage between Mexican migration policies and shifts in the U S Mexico relationship and the limits and possibilities for expanding shared mechanisms for the management of migration within the NAFTA framework

The Mexican Diaspora in the United States Alexandra Delano,2011 In the past two decades changes in the Mexican government's policies toward the 30 million Mexican migrants living in the United States highlight the importance of the Mexican diaspora in both countries given its size its economic power and its growing political participation across borders This work examines how the Mexican government's assessment of the possibilities and consequences of implementing certain emigration policies from 1848 to 2010 has been tied to changes in the bilateral relationship which remains a key factor in Mexico's current development of strategies and policies in relation to migrants in the United States Understanding this dynamic gives an insight into the stated and unstated objectives of Mexico's recent activism in defending migrants rights and engaging the diaspora the continuing linkage between Mexican migration policies and shifts in the U S Mexico relationship and the limits and possibilities for expanding shared mechanisms for the management of migration within the NAFTA framework

Mexican Migration to the United States Harriet D. Romo,2016-03-29 This anthology examining borderlands migration brings together the perspectives of Mexican and US

scholars from a variety of fields Gathering a transnational group of prominent researchers including leading Mexican scholars whose work is not readily available in the United States this collection brings together an array of often overlooked viewpoints reflecting the interconnectedness of immigration policy These essays reveal significant aspects of labor markets family life and educational processes They capture the evolving legal frameworks and economic implications of Mexico US migrations at the national and municipal levels as well as the experiences of receiving communities in the United States The volume includes illuminating reports on populations ranging from undocumented young adults to elite Mexican women immigrants health care rights Mexico s incorporation of return migration the impact of Deferred Action for Childhood Arrivals on higher education and the experiences of young children returning to Mexican schools after living in the United States Reflecting a multidisciplinary approach the list of contributors includes anthropologists demographers economists educators policy analysts and sociologists Underscoring the fact that Mexican migration to the United States is unique and complex this timely work exemplifies the cross border collaboration crucial to the development of immigration policies that serve people in both countries

Postwar Emigration to South America from Japan and the Ryukyu Islands Pedro Iacobelli, 2017-07-13 Placing a distinct focus on the role of the sending state this book examines the history of postwar Japan s migration policy linking it to the larger question of statehood and nation building in the postwar era Pedro Iacobelli delves into the role of states in shaping migration flows by exploring the genesis of the state led emigration from Japan and the US administered Ryukyu Islands to South America in the mid 20th century The study proposes an alternative political perspective on migration history to analyze the rationale and mechanisms behind the establishment of migration programs by the sending state To develop this perspective the book examines the state s emigration policies their determinants and their execution for the Japanese and Okinawan migration programs to Bolivia in the 1950s It argues that the post war migration policies that established those migration flows were a result of the political cost benefit calculations rather than only economic factors of the three governments involved With its unique focus on the role of the sending state and the relationship between Japan Okinawa and the United States this is a valuable study for students and scholars of postwar Japan and migration history

Latin American Diasporas in Public Diplomacy Vanessa Bravo, Maria De Moya, 2021-07-08 This book on Latin American Diasporas in Public Diplomacy explains and illustrates through case studies the different strategic roles that diaspora groups play in modern public diplomacy efforts These are categorized by being participatory having a strong involvement of non state actors involving frequent partnerships and placing an increased focus on global issues In particular this book provides in its 13 chapters the perspective of Latin American diasporas and nations which are severely underrepresented in the public diplomacy literature Additionally because it is written from a strategic communication perspective this book provides insight into a variety of public diplomacy approaches employed by modern day diasporas from Latin America It also describes some examples of diaspora targeted state led public diplomacy efforts in the region Taking a

regional focus to the exploration of diasporas in public diplomacy this edited book facilitates cross country comparisons and the understanding of the phenomena beyond the country specific cases *Africa and its Global Diaspora* Jack Mangala,2017-07-12 The book presents a thorough study of the changing landscape of state diaspora relations in Africa as well as a robust analysis of diaspora engagement policies being pursued across the continent As the Africa diaspora strengthens its socio economic and political clout countries of origin in Africa have sought to engage their citizens living abroad Over the past decade the role of diaspora in the homeland development has become a core tenet of national strategies and policies Against the backdrop of expanding globalization and deepening regional integration the book presents a thorough study of the changing landscape of state diaspora relations in Africa as well as a robust analysis of diaspora engagement policies being pursued across the continent as states seek to extend rights to and extract obligations from their global citizens *Two Nations Indivisible* Shannon Kathleen O'Neil,2013-05-09 Examines the political economic and social transformation Mexico has undergone in recent decades and argues that the United States antagonistic policy toward the nation is doing more harm than good *The Course of Mexican History* Susan M. Deeds,Michael C. Meyer,William L. Sherman,2018 Part I Pre Columbian Mexico The first Mexicans Mesoamerica s golden age the classic period Times of trouble post classic Mexico The rise of the Aztecs Aztec society and culture Part II Colliding worlds The Spanish invasion The settlement of new Spain Part III Living in the viceroyalty The imperial system entrenched The colonial economy The colonial church Colonial society race ethnicity class gender and identity Culture and daily life in New Spain Part IV Reform and reaction the move to independence The Bourbons restructure New Spain Society and stress in the late colonial period The wars for independence The first Mexican empire Part V The trials of nationhood The early Mexican Republic Santa Anna the centralized state and the war with the United States Society and culture in the first half of the nineteenth century Part VI Liberals and conservatives search for something better The reform and the French intervention The restored republic nascent modernization Society and culture in the middle of the nineteenth century Part VII The modernization of Mexico The Porfiriato order and progress The costs of modernization Society and culture during the Porfiriato Part VIII The Revolution of 1910 Madero and the liberal indictment of the Porfiriato Revolts and dictatorship obstruct the democratic overture The illusory quest for a better way Society and culture during the revolutionary years PART ix The revolutionary aftermath Calles supreme chief of an institutionalized revolution Cardenas and the essence of the revolution Society and culture in the postrevolutionary period Part X Development and dissent under a one party system From revolution to evolution The lull and the storm Failures of development in the one party state Society and culture a new internationalism Part XI Crisis and change in an era of globalization The neoliberal state a path to democracy The challenges of democratization Progress and problems Society and culture in an era of crises and global entanglements **The Microfoundations of Diaspora Politics** Alexandra Délano Alonso,Harris Mylonas,2021-09-21 The Microfoundations of Diaspora Politics examines the various actors

within and beyond the state that participate in the design and implementation of diaspora policies as well as the mechanisms through which diasporas are constructed by governments political parties diaspora entrepreneurs or international organisations Extant theories are often hard pressed to capture the empirical variation and often end up identifying exceptions The multidisciplinary group of contributors in this book theorise these exceptions through three interrelated conceptual moves first by focusing on understudied aspects of the relationships between states as well as organised non state actors and their citizens or co ethnics abroad or at home in cases of return migration Second by examining dyads of origin states and specific diasporic communities differentiated by time of emigration place of residence socio economic status migratory status generation or skills Third by considering migration in its multiple spatial and temporal phases emigration immigration transit return and how they intersect to constitute diasporic identities and policies These conceptual moves facilitate comparative research and help scholars identify the mechanisms connecting structural variables with specific policies by states and other actors as well as responses by the relevant diasporic communities This book was originally published as a special issue of the Journal of Ethnic and Migration Studies

Constructed Movements Ragini Shah, 2024-12-03 A free ebook version of this title is available through Luminos University of California Press's Open Access publishing program Visit www.luminosoa.org to learn more At once theoretically sophisticated and poignantly written **Constructed Movements** centers stories from communities in Mexico profoundly affected by emigration to the United States to show how migration extracts resources along racial lines Ragini Shah chronicles how three interrelated dynamics the maldistribution of public resources the exploitation of migrant labor and the US immigration enforcement regime entrench the necessity of migration as a strategy for survival in Mexico She also highlights the alternative visions elaborated by migrant community organizations that seek to end the conditions that force migration Recognizing that reform without recompense will never right an unjust migratory system Shah concludes with a forceful call for the US and Mexican governments to make abolitionist investments and reparative compensation to directly counteract this legacy of extraction

Routledge Handbook of Latin America in the World Jorge Dominguez, Ana Covarrubias, 2014-10-17 The Handbook of Latin America in the World explains how the Latin American countries have both reacted and contributed to changing international dynamics over the last 30 years It provides a comprehensive picture of Latin America's global engagement by looking at specific processes and issues that link governments and other actors social and economic within the region and beyond Leading scholars offer an up to date state of the field theoretically and empirically thus avoiding a narrow descriptive approach The Handbook includes a section on theoretical approaches that analyze Latin America's place in the international political and economic system and its foreign policy making Other sections focus on the main countries actors and issues in Latin America's international relations In so doing the book sheds light on the complexity of the international relations of selected countries and on their efforts to act multilaterally The Routledge Handbook of Latin America in the World is a must

have reference for academics researchers and students in the fields of Latin American politics international relations and area specialists of all regions of the world Political Parties Abroad Tudi Kernalegenn, Emilie van Haute, 2020-02-24 This book analyzes parties beyond the national borders and their increasing institutionalization abroad in order to understand their development their organizational specificities their functions and their impact on the party system and national politics at home With 12 contrasted case studies it comparatively addresses a wide range of perspectives on political parties abroad and lays the foundation for a framework of analysis of political parties abroad contributing to a better understanding of transnationalism and long distance democracy The generalization of overseas voting and the development of representative institutions for emigrants has transformed the civic and political links between states and their diaspora This has also created new opportunities for political parties with the task to reach out to citizens living abroad mobilize them for elections and even organize their representation at home This book represents the first in depth study of an emerging phenomenon This book will be of key interest to scholars and students of political parties party politics immigration and more broadly to democracy studies and comparative politics *Migration Governance across Regions* Ana Margheritis, 2015-12-22 Migration policies are rarely effective Examples of unintended and undesirable outcomes abound In Latin America very little is known about the impact and long term sustainability of state policies towards emigrants Following a world wide trend Ecuador Uruguay Mexico Argentina and Brazil have developed new institutions and discourses to strengthen links assist protect and enfranchise migrants and capture their resources As an adaptation of governmental techniques to global realities these policies redefine the contours of politics nations and citizenship giving place to a new form of transnational governance Building upon field research done in these five states and two receiving countries in the last decade Ana Margheritis explains the timing motivations characteristics and implications of emigration policies implemented by each country as well as the emergence of a distinctive regional consensus around a post neoliberal approach to national development and citizenship construction Margheritis argues that these outreach efforts resemble courting practices Courting is a deliberate expression of the ambivalent still incipient and open ended relationship between states and diasporas which is not exempt of conflict detours and setbacks For various reasons state diaspora relations are not unfolding into stable and fruitful partnerships yet Thus she makes diaspora engagement problematic and investigates to what extent courting might become engagement in each case Studying emigration policies of five Latin American countries and migrant responses in Southern Europe sheds light on the political dynamics and governance mechanisms that transnational migration is generating across regions It illuminates possible venues to manage multiple engagements of migrants with societies at both ends of their migration journey and unveils the opportunities for states and non state actors to cooperatively manage of migration flows

Remittances and International Development Sabith Khan, Daisha Merritt, 2020-07-30 This is a first of its kind book which examines the remittances in the two largest corridors in the World India Saudi Arabia and Mexico U S A This book aims to

treat remittances as an act of social norm involving individuals nation states and diaspora communities It treats remittances both as an act of individual obligation as well as a social fact that needs to be understood from the perspective of the actors i e the givers and recipients Using theories of motives of giving policy analysis international development and international relations the authors offer a compelling narrative of how and why remittances occur and the impacts on both the giver and recipient The authors both scholars of philanthropy and remittances bring their shared perspective and understanding of this crucial phenomenon and delve deep into examining its impacts on community development and the relations between the nation states This book offers a sophisticated understanding of how vital remittances are to the world we live in The book sheds light on this important social reality and will be of value to researchers academics and students interested in remittances as well as to practitioners working in the international development sector NGO actors and policy makers

Mexican Exodus Julia G. Young, 2015-07-01 In the summer of 1926 an army of Mexican Catholics launched a war against their government Bearing aloft the banners of Christ the King and the Virgin of Guadalupe they equipped themselves not only with guns but also with scapulars rosaries prayers and religious visions These soldiers were called *cristeros* and the war they fought which would continue until the mid 1930s is known as *la Cristiada* or the *Cristero* war The most intense fighting occurred in Mexico's west central states especially Jalisco Guanajuato and Michoacán For this reason scholars have generally regarded the war as a regional event albeit one with national implications Yet in fact the *Cristero* war crossed the border into the United States along with thousands of Mexican emigrants exiles and refugees In *Mexican Exodus* Julia Young reframes the *Cristero* war as a transnational conflict using previously unexamined archival materials from both Mexico and the United States to investigate the intersections between Mexico's *Cristero* War and Mexican migration to the United States during the late 1920s She traces the formation actions and ideologies of the *Cristero* diaspora a network of Mexicans across the United States who supported the Catholic uprising from beyond the border These *Cristero* supporters participated in the conflict in a variety of ways they took part in religious ceremonies and spectacles organized political demonstrations and marches formed associations and organizations and collaborated with religious and political leaders on both sides of the border Some of them even launched militant efforts that included arms smuggling military recruitment espionage and armed border revolts Ultimately the *Cristero* diaspora aimed to overturn Mexico's anticlerical government and reform the Mexican Constitution of 1917 Although the group was unable to achieve its political goals Young argues that these emigrants and the war itself would have a profound and enduring resonance for Mexican emigrants impacting community formation political affiliations and religious devotion throughout subsequent decades and up to the present day *Emigrants Get Political* Michael S. Danielson, 2018 Migrants have become an important social and political constituency throughout the world In addition to sending remittances to their home countries many migrants maintain political ties with their nations of origin through the expansion of dual citizenship and voting rights But to what extent do migrants influence their home communities and

governments Michael S Danielson develops a theory of and methodological model for studying migrant impact on the communities and countries they leave behind examining a largely underexplored area of research in the migration literature

Accountability Across Borders Xóchitl Bada, Shannon Gleeson, 2019-06-17 Collecting the diverse perspectives of scholars labor organizers and human rights advocates Accountability across Borders is the first edited collection that connects studies of immigrant integration in host countries to accounts of transnational migrant advocacy efforts including case studies from the United States Canada and Mexico Covering the role of federal state and local governments in both countries of origin and destinations as well as nongovernmental organizations NGOs these essays range from reflections on labor solidarity among members of the United Food and Commercial Workers in Toronto to explorations of indigenous students from the Maya diaspora living in San Francisco Case studies in Mexico also discuss the enforcement of the citizenship rights of Mexican American children and the struggle to affirm the human rights of Central American migrants in transit As policies regarding immigration citizenship and enforcement are reaching a flashpoint in North America this volume provides key insights into the new dynamics of migrant civil society as well as the scope and limitations of directives from governmental agencies

Diaspora diplomacy Ayca Arkilic, 2022-06-07 Since the early 2000s Turkey has shown an unprecedented interest in its diaspora This book provides the first in depth examination of the institutionalisation of Turkey s diaspora engagement policy since the Justice and Development Party s rise to power in 2002 the Turkish diaspora s new role as an agent of diplomatic goals and how Turkey s growing sphere of influence affects intra diaspora politics and diplomatic relations with Europe The book is based on fieldwork in Turkey France and Germany and interviews conducted with diaspora organisation leaders and policymakers Diasporas have become transformative for relations at the state to state level and blur the division between the domestic and the foreign A case study of Turkey s diasporas is significant at a time when emigrants from Turkey form the largest Muslim community in Europe and when issues of diplomacy migration and citizenship have become more salient than ever

Routledge Handbook of Turkey's Diasporas Ayca Arkilic, Banu Senay, 2024-08-21 This handbook the first of its kind provides a rich overview of the socio political issues and dynamics impacting Turkey s diasporic groups and diaspora policymaking Turkey constitutes an important case study in the field of diaspora studies with a diaspora population of around 6.5 million This handbook therefore brings together emerging and established scholars to explore the central issues actors and processes relating to Turkey s diasporic groups and diaspora outreach Taken together the historical and contemporary analyses presented in this volume provide readers a multi lens perspective on the trajectories of Turkey s diasporic communities and diaspora policymaking in a wide range of regional contexts including Europe North America and Oceania The handbook comprises six analytical parts Contextualising Turkey s diasporas past and present Localisation transnational belongings and identity Governing diasporas Micro spaces and everyday practices Cultural production aesthetics and creativity Country specific perspectives The volume offers insights into the debates and processes that structure each of

these thematic clusters but also provides a comprehensive overview of the dynamics shaping Turkey's diverse diaspora populations today. The contributions encompass a range of disciplines including anthropology, history, human geography, political science, international relations, and sociology, and the volume will be vital reading for anyone interested in Turkey, the Middle East, and diasporas.
