Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting,1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all

the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious Introduction to Speechwork for Actors Ron Carlos,2022-12-29 Traditional speech work has long favored an upper class white accent as the model of intelligibility Because of that generations of actors have felt disconnected from their own identities and acting choices This much needed textbook redresses that trend and encourages actors to achieve intelligibility through rigorous language analysis and an exploration of their own accent and articulation practices Following an acting class model where you first analyze the script then reveal yourself through it this work breaks down a process for analyzing language in a way that excites the imagination Guiding the student through the labyrinth of abstract concepts and terms readers are delivered into the practicality of exercises and explorations giving them self awareness that enables them to make their own speech come alive Informed throughout by notes from the author s own extensive experience working with directors and acting teachers this book serves as an ideal speech training resource for the 21st century actor and includes specially commissioned online videos demonstrating key exercises **Passing the Time** Paul Brown,2010-08 Antie Grassy and Skippy The Adventures into the Woods Characters will come to life in these ant ics and adventures Backyard Blue Jay Birdy Birdy s bird land kingdom was a backyard Birdy ruled the backyard as his very own territory Meet Birdy and his bride Birdella and see how Birdy learns to live with his backyard buddy s The Perils of Pets This is a story a story it be of pets in a house the pets numbered three The perils of pets Hamey the Hamsters a cat named Bernie Burnice and a cat Scramble too That s a Story of the Past Magdalena could fire a rifle clear timber keep house raise kids Andrew could farm haul timber and keep his nine offspring in line Texas family experiences in the early 1900 s This story chronicles a glimpse into the eleven Bronfel family members unique survival experience Next Door and Around the Block St Boniface s Sister Santa Maria de Poppa could still hurl a soccer ball at 87 Come along with Karl Eingut Junior the new Austrian student and see how he learns to adjust to student life with new friends at St Boniface s Camp Poc Pocono There are summer camps all across America from the Atlantic to the Pacific from the Canadian border to the Mexican border There are camps east and west and north and south across America Take a glimpse into a random summer camp one of dozens in the Pocono s where camp counselors and campers learn to adjust to camp life on Lake Wallenpaupack Directed at small children general audience Directed at young teens general audience *Mickey the Wonder Cat* Somnath Bhattacharjee,2023-11-27 Welcome to Mickey s Story Mickey the wonder cat series is filled with laughter and fun with the funny antics of Cat Mickey the want to be next President of the United States and where cats can also speak Can cats also speak What Sorry to say but the nations gave them a lot of free

numbers have been more than just a way to keep count Perfect Figures tells the stories of how each number came to be and what incredible associations and superstitions have been connected to them ever since Along the way are some of the great oddities of numbers past as a time when finger counting was a sign of intelligence the Venerable Bede could count to a million on his hands the medieval Algorists who were burnt at the stake for their use of Arabic rather than Roman numerals the Bank of England which stubbornly kept accounts on notched wooden sticks until 1826 Filled with Crumpacker's eloquent wit and broad intelligence Perfect Figures brings the history of numbers to life just as Bill Bryson did for the English language in The Mother Tongue **It Begins It Ends It Ends It Begins** Judy Richter, 2011-10-28 It Begins It Ends It Ends It Begins is a collection of sketches describing some of the author Judy Richter's memories of life on and off her one hundred acre farm in Bedford New York Coker Farm is home to Richter's avocation as well as her vocation For over forty five years Richter has been in the horse business training young riders and horses for show competition The farm is a still point in a turning world for her family and friends Though many now are grown and gone they keep in touch on the Internet and Facebook Having been actively involved in the sport for nearly half a century Richter has seen many changes but she feels the more things change the more they remain the same thanks to the abiding generosity of the horses To spend her life in the company of these noble creatures is indeed a blessing **The Every-day Book and Table Book** William Hone, 1830

Gillian Campbell, 2012-09-04 Anglophone Imogene Jackson grew up in an English suburb on the uneasy edge of a francophone world At the age of nineteen she quit college to marry a shoemaker from the close knit French village of Saint Ange du Lac For ten years she has lived with her husband Thomas above his family's historic shoe shop immersed in village life When Thomas dies in a car accident she is shattered and her hard won mastery of the French language deserts her Isolated and grief stricken she retreats to her childhood home There she discovers that a petty drug dealer she knows from the village has rented a ramshackle farmhouse nicknamed the Apple House at the corner of her parents street and befriended her easily influenced brother Petey Her childhood obsession with the old house resurfaces and she finds herself confronting events from both her recent and more distant past as her two worlds collide Set in 1970s Quebec and written

with a gentle humour The Apple House is an intimate portrait of life during a time of great change 2200 PROVERBS FOR EASY UNDERSTANDING SAAKE SRINIVASULU,2019-03-29 I was inspired by my friend s advice to write this book When I decided to write about proverbs I drew them from a broad range of sources like The Bible famous authors great personalities around the world advertisements diaries etc Proverbs represent our ancient tradition and culture for better understanding I am interpreting and explaining the existing proverbs which are mostly advisory for maintaining morals of the younger generation and easily adoptable in day to day life My experiences are depicted in them for better clarity I tried to write in a language as easy as possible which does not require any reference to a dictionary of any kind They deserved to be quoted in public speeches to inculcate moral values Particularly attention has been paid to impress upon the reader for easy understanding in a given context *The Bee, fire-side companion, & evening tales* ,1823
