Michelle Obama First Lady American Rhetor Communicating Gender:

Michelle Obama Elizabeth Jo Natalle, Jenni Simon, 2015 Michelle Obama First Lady American Rhetor is an edited anthology that explores the persona and speech making of the country's first African American first lady. The result of these thought provoking essays is an interdisciplinary text that explores the First Lady from a rhetorical and cultural point of view. Authors analyze her Democratic National Convention speeches, her brand as First Lady, her communication from her latest trip to Africa, her agenda rhetoric in Let's Move and Reach Higher, and her coming out as a Black feminist intellectual when she spoke at Maya Angelou's memorial service. Readers will recognize Michelle Obama as a rhetor of our times, a woman who influences America at the intersections of gender, race, and class, and who is representative of what women are today.

The Rhetorical Arts of Women in Aviation, 1911-1970 Sara Hillin, 2019-12-16 The Rhetorical Arts of Women in Aviation 1911-1970 Name It and Take It explores the rhetorical strategies employed by women involved in aviation between 1911 and 1970. It begins with Harriet Quimby who began writing aviation themed articles for Frank Leslie's Weekly in 1911 and ends with Jerrie Cobb, one of the women who underwent a series of rigorous tests in the hopes of becoming an astronaut. Although one chapter is devoted to the correspondence between German pilot Thea Rasche and aviatrix ally Glenn Buffington, the author largely examines how women in the United States have navigated a developing field that at first seemed to welcome their participation but over time created discriminatory barriers to their advancement. The rhetorics of African American pilots Willa Beatrice Brown and Bessie Coleman are analyzed in terms of both women's use of the Chicago Defender as a means of

publicizing their work in aviation Topics woven throughout the rhetorical analyses are women s labor women aviators and motherhood and the ways in which women confronted both sexism and racism during aviation s golden age and beyond Scholars of rhetoric women s studies race studies and history will find this book particularly useful

Misogyny and Media in the Age of Trump Maria B. Marron,2019-12-19 Misogyny and Media in the Age of Trump argues that misogyny has increased in the United States under President Trump and that although women s experiences under misogyny are by no means universal patriarchal social and institutional systems facilitate gender based hostility Systemic misogyny and power inequities are at the root of male on female bullying the bullying and harassment of non hegemonic males and other minorities as well as sexual harassment rape and even murder Given the prevalence of misogyny and its deep rootedness in religion it is argued that the social contract needs to be rewritten in order to have a just gender and race equitable society Misogyny creates a clash of cultures between men and women hegemonic and non hegemonic males feminists and INCELS the powerful and the oppressed natives and marginalized minorities the conservative and the liberal progressive This book explores misogyny across media ranging from political and editorial cartoons to news sport film television social media especially Twitter and journalistic organizations that address gender inequities The authors argue that the current era of conservative populism ushered in by President Donald Trump and the Republicans constitute the social cultural and political environment that have given rise to the MeToo Movement and Fourth Wave Feminism

Communication and the Work-Life Balancing Act Elizabeth Fish Hatfield,2016-12-27 Communication and the Work Life Balancing Act Intersections across Identities Genders and Cultures offers scholarly research related to work life balance in today s environment with a particular focus on the fields of communication and gender studies The chapters examine the choices challenges and gendered experiences that women and men face as they navigate structures of work domestic duties and childcare in search of balance Underpinning this text is the notion that work life balance affects everyone but is experienced differently through the intersections of sex age gender socioeconomic status and race Recommended for scholars of communication gender studies organizational communication sociology and family communication

particularly useful **The Global Status of Women and Girls** Dawn Hutchinson, Lori Underwood, 2017-07-25 The Global Status of Women and Girls A Multidisciplinary Approach fosters inquiries into the complex and multifocal issues faced by women and girls around the world both historically and today It not only asks key questions related to public policy but also it unearths the forces that created these current dilemmas Through the multidisciplinary study of past and present contributors take on policy conversations benefiting the global community This book will appeal to any scholar interested in communication and gender studies **Food Blogs, Postfeminism, and the Communication of Expertise** Alane L. Presswood, 2019-12-03 Food Blogs Postfeminism and the Communication of Expertise Digital Domestics examines how and why women use blogs to build successful digital brands in the arena of domestic food preparation purchase and consumption Food blogging is big business and cooking dinner has transformed from domestic drudgery into creative personal expression What impact is all this discourse about food cooking and eating having on the women who create and consume these conversations Alane L Presswood examines how and why women use blogs to build successful digital brands in the arena of domestic food preparation purchase and consumption The relationships between individual brands reader communities and sociocultural trends are clarified via a systematic exploration of the strategies employed to create bonded affective relationships on social media platforms These food bloggers and their audiences illustrate how the capabilities of networked digital platforms both enable and constrain women as public communicators in ways that were impossible in previous media forms and how women relate to domesticity in a postfeminist American media culture Scholars of communication media studies gender studies and food studies will find this book particularly useful **Women in the Academy** Nichola D. Gutgold, Angela R. Linse, 2016-04-05 This edited collection examines women s roles in the academy Statistics show that women outnumber men in most universities and that women s pay still lags behind men s but the numbers only hint at the broader story This edited collection fills that gap with the stories of twelve women from part time faculty to college presidents who answer key questions such as why they pursued a career in the academy and how they handled childcare issues and sexism in the workplace Advice encouragement and caution are offered to guide those considering a career in the academy and those already in academe who are wondering about their options This book is recommended for burgeoning female scholars and for established scholars of any gender in women s studies gender studies higher education and communication studies **Adolescence, Girlhood, and Media Migration** Aimee Rickman, 2018-02-20 Adolescence Girlhood and Media Migration US Teens Use of Social Media to Negotiate Offline Struggles considers teens social media use as a lens through which to more clearly see American adolescence girlhood and marginality in the twenty first century Detailing a year long ethnography following a racially ethnically and economically diverse group of female rural teenaged adolescents living in the Midwest region of the United States this book investigates how young women creatively call upon social media in everyday attempts to address mediate and negotiate the struggles they face in their offline lives as minors

females and ethnic and racial minorities In tracing girls appreciation and use of social media to roots anchored well outside of the individual this book finds American girls relationships with social media to be far more culturally nuanced than adults typically imagine There are material reasons for US teens social media use explained by how we do girlhood adolescence family class race and technology And as this book argues an unpacking of these areas is essential to understanding adolescent girls social media use

Women of the 2016 Election Jennifer Schenk Sacco, 2018-12-12 Women of the 2016 Election is an examination of women who played prominent roles in the 2016 US presidential election The collection focuses on women from different parties races religions and immigrant statuses who fulfill roles as candidates staffers first families journalists and grassroots organizers The contributors to this collection give a unique view into women's influences on an unprecedented election They examine the roles of feminism morality motherhood expectations of voters the press masculinity femininity race class and agency in this interdisciplinary work which spans the fields of political science feminist theory communication and women's and gender studies This is the election that gave rise to the Trump presidency and the MeToo movement and the women considered here have left trails and revealed how far there is yet to go for women achieving power in the highest echelons of American politics media and society

Consuming Agency and Desire in Romance Jenni M. Simon, 2017-11-15 The romance industry has profited on the fantasies of women for centuries However as a new generation of women raised under the guidance of second wave feminists take up the reins of romance production romance novels and films have increasingly challenged tired stereotypes labeling romantic stories as formulaic fodder This book examines how the romance genre serves women in multiple ways from escapism to sexual education from fantasy to fun and most importantly as a site of production for feminist texts

Technofeminist Storiographies Kristine L. Blair, 2018-12-20 Technofeminist Storiographies Women Information Technology and Cultural Representation analyzes both historical and contemporary accounts of women's lived experiences of technology from Ada Lovelace and Hedy Lamarr to women working across the tech industry today and juxtaposes them with larger cultural representations of women and technology The book explores both the relationship between gender and technology and the cultural contexts that enable and constrain that relationship questions that call for opportunities for women to share their lived experiences and to have such experiences represented across media genres Despite the rich complex stories and histories women have with technology as programmers inventors and workers media throughout history including film television games toys children's books and biographies often inadequately and inaccurately represent them Throughout the book Kristine Blair chronicles the portrayal of the relationship between women and information technology across these media genres Inevitably the societal conditions that surround technology use including portrayal through popular media impact the extent to which women and girls gain and maintain access within those cultural contexts This book calls for a more visible history of women's technological achievements in which their stories are heard for generations to come rather than be forgotten and unknown
