

The background of the cover is a deep blue with a fine, white, stippled texture. Scattered across this background are numerous microscopic organisms, likely algae or protozoa, in three colors: bright green, vibrant blue, and a lighter cyan. These organisms vary in shape, some being spherical and others more elongated or filamentous. The title 'MICRO' is in large white capital letters, followed by 'an evolving science' in smaller yellow lowercase letters, and 'BIOLOGY' in large white capital letters.
