UNIQUE MULTI-ZONE TECHNOLOGY

The **Metor 250** walk-through metal detector uses a unique coil system that guarantees uniform first-rate detection performance throughout the frame opening. This multi-zone technology provides excellent discrimination and a much lower false alarm rate than with conventional metal detectors. This results in a much higher throughput rate.

MULTI-ZONE DISPLAY

The Metor 250 has a vertical lightbar that provides a visual display that pinpoints the area(s) of alarm.

THE BENEFITS OF THE MULTI-ZONE PRINCIPLE

- Superior discrimination.
- Reliable detection of threat items.
- High traffic throughput.
- Optimum immunity to environmental interference and external stationary metal.

AUTOMATIC SENSITIVITY SELECTION

An automatic sensitivity program selects the correct sensitivity for a specific weapon or test object, eliminating the time consuming trial and error method.

SELF-DIAGNOSTICS

The Metor 250 provides comprehensive self-diagnostics that continuously monitors the detector's internal circuitry, external connections, and environment.

CONTINUOUSLY ACTIVE

The Metor 250's detection circuitry is continuously active. At no time is it possible to toss, pass, or slide a weapon through the system without detection.

MOBILITY

The unit can be easily moved to different locations.

REMOTE CONTROL UNIT

The remote control unit can be removed from inside the crosspiece for easy programming of the unit.

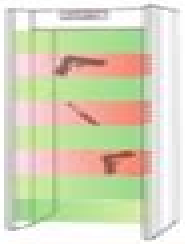
SECURITY

The remote control unit uses password protection to eliminate any unauthorized access to the programming.

SOFTWARE

Preset detection programs as specified by various security organizations as well as programs designed to detect specific metals are built into the software to provide a wide array of detection capabilities.

EIGHT INDEPENDENT DETECTION ZONES



- Target objects are independently detected in each zone.
- Signals from harmless objects do not combine to produce unnecessary alarms.
- Provides more uniform detection.
- Zone display illuminates at the level where a detection occurs.
