## **Meurtriel Lincestuel Traumatique Jean Pierre Caillot:**

*Le désir et le traumatique* Jean-Pierre Caillot, 2024-07-03 Ce livre permet d'établir la distinction entre la clinique du désir et la clinique du trauma. Ces cliniques longtemps confondues ont leur source d'un véritable glissement psychanalytique dans la prise en charge du trauma. La clinique du désir est celle du respect des tabous du meurtre et de l'inceste et caractérisée par le fantasme l'ambiguïté l'ambivalence le refoulement la conflictualité intrapsychique. Les rapports interpersonnels rationnels sont dans l'ordre des choses. La clinique du traumatique quant elle transgresse ces tabous. Elle est caractérisée par des rapports interpersonnels renversés et paradoxaux comme la relation un père incestueux la fois père instituteur et père prédateur transformant sa fille en non-fille une famille non-famille dont le système ne permet pas de développer une identité propre une autonomie normale le couple anti-famille la famille anti-couple le couple anti-couple. Dans cette réflexion sur le traumatisme l'auteur examine les modes de fonctionnement psychique du traumatisé et du traumatisant avec ses rapports de domination soumission de possession de possession. Ce contraste extrême se termine chez l'abusif un véritable impuissance absolue. Ces situations incontrôlables génèrent des sentiments de détresse d'abandon de mort imminente terrorisante. Le travail de l'auteur est la fois pédagogique théorique et concret. Les très nombreux exemples cliniques qui accompagnent l'exposé des concepts permettent une compréhension concrète du travail psychanalytique avec le traumatique. Des liens sont ainsi établis entre les scénarios de répétition traumatique et les relations passées. *Psychopathologie de la paranoïa - 3e éd.* Ariane Bilheran, 2024-11-13 La paranoïa psychose fondée sur un délire interprétatif de persécution échappe bien souvent au diagnostic. Folie raisonnée tout autant que fascinante elle agence un monde illusoire et exerce une emprise contagieuse. Véritable tyran le paranoïaque est en proie à l'angoisse de perdre persécution dans un monde qui lui semble hostile et étranger. Pour se protéger il harcèle jusqu'à détruire psychiquement celui qui lui résiste. Cette 3e édition complétée et actualisée propose un double regard psychologique et philosophique décrypte avec précision toute la clinique de la paranoïa et donne des repères efficaces pour le diagnostic. *Le meurtriel, l'incestuel et le traumatique* Jean-Pierre Caillot, 2015-09-02 Cet ouvrage met en lumière l'effrayante et formidable extension théorique et pratique de la psychanalyse contemporaine la découverte des agissements incestuels traumatiques et de la paradoxalité ainsi que la mise en place de nouveaux cadres psychanalytiques permettent des avancées considérables dans l'élaboration des différentes formes cliniques du traumatisme psychique de la perversion relationnelle de la psychose et de l'addiction. Actuellement des classiques situations psychanalytiques individuelles existent désormais des situations de même nature pour le couple la famille et le groupe. Il apparaît que la psychanalyse possède de nos jours un extraordinaire potentiel de développement souvent ignoré. La folie familiale c'est l'incestualité traumatique qui traverse la famille et ses générations. **Le désir et le traumatique** Jean-Pierre Caillot, 2024

This is likewise one of the factors by obtaining the soft documents of this **Meurtriel Lincestuel Traumatique Jean Pierre Caillot** by online.
