Mexican Masks Their Uses And Symbolism

María Herrera-Sobek

Mexican Masks Their Uses And Symbolism:

Mask Makers and Their Craft Deborah Bell, 2014-01-10 Profiling 30 mask makers from around the world this book explores the motivations and challenges of contemporary artists working to bring the traditional methods and conventions of mask making to an evolving global theatre There are 181 photographs including two sections of color plates which illustrate how the mythic iconography of masks is used in the modern fields of dance mime theatre and storytelling Topics include the ways in which mask artists and performers maintain a sense of universality despite varying local customs the legacies of Italian mask makers Amleto and Donato Sartori and of the California based Dell Arte International School of Physical Theatre and the ways in which traditional approaches in mask artistry continue to influence commercial mask performance ventures in film on Broadway and in touring companies The Sacred Maya Stone of Mexico and Its Symbolism Francis Parry, 1893

Identities, Experience, and Change in Early Mexican Villages Catharina E. Santasilia, Guy David Hepp, Richard A. Diehl, 2022-05-03 New perspectives on an important era in Mesoamerican history This volume examines shifting social identities lived experiences and networks of interaction in Mexico during the Mesoamerican Formative period 2000 BCE 250 CE an era that helped produce some of the world's most renowned complex civilizations The chapters offer significant data innovative methodologies and novel perspectives on Mexican archaeology Using diverse and non traditional theoretical approaches contributors discuss interregional relationships and the exchange of ideas in contexts ranging from the Gulf Coast Olmec region to the site of Tlatilco in Central Mexico to the often overlooked cultures of the far western states Their essays explore identity formation cosmological perspectives the first hints of social complexity the underpinnings of Formative period economies and the sensorial implications of sociocultural change Identities Experience and Change in Early Mexican Villages is one of the first volumes to address the entirety of this rich and complex era and region offering a new and holistic view Through a wealth of exciting interpretations from international senior and emerging scholars this volume shows the strong influence of cultural exchange as well as the compelling individuality of local and regional contexts over two thousand years of history Contributors Catharina E Santasilia Guy D Hepp Richard A Diehl Jeffrey P Blomster Philip Flip J Arnold III Patricia Ochoa Castillo Christopher Beekman Tatsuya Murakami Jeffrey S Brzezinski Vanessa Monson Arthur A Joyce Sarah B Barber Henri Noel Bernard Sara Ladrón de Guevara Mayra Manrique Jos Luis Ruvalcaba Celebrating Latino Folklore María Herrera-Sobek, 2012-07-16 Latino folklore comprises a kaleidoscope of cultural traditions This compelling three volume work showcases its richness complexity and beauty Latino folklore is a fun and fascinating subject to many Americans regardless of ethnicity Interest in and celebration of Latin traditions such as Día de los Muertos in the United States is becoming more common outside of Latino populations Celebrating Latino Folklore An Encyclopedia of Cultural Traditions provides a broad and comprehensive collection of descriptive information regarding all the genres of Latino folklore in the United States covering the traditions of Americans who trace their ancestry to Mexico Spain or Latin

America The encyclopedia surveys all manner of topics and subject matter related to Latino folklore covering the oral traditions and cultural heritage of Latin Americans from riddles and dance to food and clothing It covers the folklore of 21 Latin American countries as these traditions have been transmitted to the United States documenting how cultures interweave to enrich each other and create a unique tapestry within the melting pot of the United States

Encyclopedia of Latino Culture Charles M. Tatum, 2013-11-26 This three volume encyclopedia describes and explains the variety and commonalities in Latino culture providing comprehensive coverage of a variety of Latino cultural forms popular culture folk culture rites of passages and many other forms of shared expression In the last decade the Latino population has established itself as the fastest growing ethnic group within the United States and constitutes one of the largest minority groups in the nation While the different Latino groups do have cultural commonalities there are also many differences among them This important work examines the historical regional and ethnic racial diversity within specific traditions in rich detail providing an accurate and comprehensive treatment of what constitutes the Latino experience in America The entries in this three volume set provide accessible in depth information on a wide range of topics covering cultural traditions including food art film music and literature secular and religious celebrations and religious beliefs and practices Readers will gain an appreciation for the historical regional and ethnic racial diversity within specific Latino traditions Accompanying sidebars and spotlight biographies serve to highlight specific cultural differences and key individuals

Masks of the Spirit Peter T. Markman, Roberta H. Markman, 1989-01-01 Drawing on secondary works in archaeology art history folklore ethnohistory ethnography and literature the authors maintain that the mask is the central metaphor for the Mesoamerican concept of spiritual reality Covers the long history of the use of the ritual mask by the peoples who created and developed the mythological tradition of Mesoamerica Chapters 1 the metaphor of the mask in Pre Columbian Mesoamerica the mask as the God in ritual and as metaphor II metaphoric reflections of the cosmic order and III the metaphor of the mask after the conquest syncretism the Pre Columbian survivals the syncretic compromise and today's masks Over 100 color and black white photos

Masks, Heads, and Faces Ellen Russell Emerson, 1891

The Alcalde, 1980-09 As the magazine of the Texas Exes The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years The Alcalde serves as an intellectual crossroads where UT's luminaries artists engineers executives musicians attorneys journalists lawmakers and professors among them meet bimonthly to exchange ideas Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater The magazine's unique name is Spanish for mayor or chief magistrate the nickname of the governor who signed UT into existence was The Old Alcalde

Research into Design for Communities, Volume 2 Amaresh Chakrabarti, Debkumar Chakrabarti, 2017-04-13 This book showcases cutting edge research papers from the 6th International Conference on Research into Design ICoRD 2017 the largest in India in this area written by eminent researchers from across the world on design process technologies methods and tools and their impact on

innovation for supporting design for communities While design traditionally focused on the development of products for the individual the emerging consensus on working towards a more sustainable world demands greater attention to designing for and with communities so as to promote their sustenance and harmony within each community and across communities The special features of the book are the insights into the product and system innovation process and the host of methods and tools from all major areas of design research for the enhancement of the innovation process The main benefit of the book for researchers in various areas of design and innovation are access to the latest quality research in this area with the largest collection of research from India For practitioners and educators it is exposure to an empirically validated suite of theories models methods and tools that can be taught and practiced for design led innovation The contents of this volume will be of use to researchers and professionals working in the areas on industrial design manufacturing consumer goods and industrial management

Masks and Rituals Dr. Sky ,2013-08-13 The third volume in Dr Sky s inspiring five part SohKiDo series Pathways III and IV Masks and Rituals focuses on two powerful tools for use in therapeutic healing and self discovery SohKiDo a Japanese hybrid word created by Dr Sky essentially means the way of Transpersonal creativity This book explains the third and fourth of its seven pathways Using masks and rituals as therapy can be extremely effective as an alternative to more traditional and clinical methods Using a myriad of discoveries from Dr Sky s own creative and spiritual journey including centuries old Japanese Noh Theater techniques and Finnish lamenting traditions Pathways III and IV Masks and Rituals will inspire you to access the healing power available to us all through SohKiDo and its unique and life changing insights into spirituality and the self

Afro-Mexico Anita González,2010-12-01 While Africans and their descendants have lived in Mexico for centuries many Afro Mexicans do not consider themselves to be either black or African For almost a century Mexico has promoted an ideal of its citizens as having a combination of indigenous and European ancestry This obscures the presence of African Asian and other populations that have contributed to the growth of the nation However performance studies of dance music and theatrical events reveal the influence of African people and their cultural productions on Mexican society In this work Anita Gonz lez articulates African ethnicity and artistry within the broader panorama of Mexican culture by featuring dance events that are performed either by Afro Mexicans or by other ethnic Mexican groups about Afro Mexicans She illustrates how dance reflects upon social histories and relationships and documents how residents of some sectors of Mexico construct their histories through performance Festival dances and sometimes professional staged dances point to a continuing negotiation among Native American Spanish African and other ethnic identities within the evolving nation of Mexico These performances embody the mobile histories of ethnic encounters because each dance includes a spectrum of characters based upon local situations and historical memories

Anthropology and the Politics of Representation Gabriela Vargas-Cetina,2013-02 This book examines the inherently problematic nature of representation and description of living people specifically in ethnography and more generally in anthropological work as a

whole In this book the editor brings together a group of international scholars who through their fieldwork experiences reflect on the epistemological political and personal implications of their own work To do so they focus on such topics as ethnography anthropologists engagement in identity politics representational practices the contexts of anthropological research and work and the effects of personal choices regarding self involvement in local causes that may extend beyond purely ethnographic goals

Behind the Mask in Mexico Janet Brody Esser,1988 Explores masks as integral aspects both of costumes and ceremonial performance across Mexico s widely diverse cultural borders Covers origins and uses A thorough scholarly monograph that the lay reader will find easily accessible Some 275 photos 11 in color 9x12 The catalog of an exhibition of the Museum of International Folk Art N M Annotation copyrighted by Book News Inc Portland OR

Cut and Make Mexican Masks A. G. Smith,Josie Hazen,1995-11-16 Seven authentic Mexican folk masks each based on an authentic historic example include two sinister devil masks a skull mask a spectacular bat mask and a tiger mask Easy to follow instructions

Archaeology of Ancient Mexico and Central America Susan Toby Evans,David L. Webster,2001 This reference is devoted to the pre Columbian archaeology of the Mesoamerican culture area one of the six cradles of early civilization It features in depth articles on the major cultural areas of ancient Mexico and Central America coverage of important sites including the world renowned discoveries as well as many lesser known locations articles on day to day life of ancient peoples in these regions and several bandw regional and site maps and photographs Entries are arranged alphabetically and cover introductory archaeological facts flora fauna human growth and development nonorganic resources chronologies of various periods Paleoindian Archaic Formative Classic and Postclassic and Colonial cultural features Maya regional summaries research methods and resources ethnohistorical methods and sources and scholars and research history Edited by archaeologists Evans and Webster both of whom are associated with Pennsylvania State University c Book News Inc

Iconic Mexico Eric Zolov,2015-08-26 Going far beyond basic historical information this two volume work examines the deep roots of Mexican culture and their meaning to modern Mexico In this book readers will find rich in depth treatments by renowned as well as up and coming scholars on the most iconic people places social movements and cultural manifestations including food dress film and music that have given shape and meaning to modern Mexico and its people Presenting authoritative information written by scholars in a format that is easily accessible to general audiences this book serves as a useful and thorough reference tool for all readers This work combines extensive historical treatment accompanied by illuminating and fresh analysis that will appeal to readers of all levels from those just exploring the concept of Mexico to those already familiar with Mexico and Latin America Each entry functions as a portal into Mexican history culture and politics while also showing how cultural phenomena have transformed over the years and continue to resonate into today

Style, Society, and Person Christopher Carr,Jill E. Neitzel,2013-11-11 Style Society and Person integrates the diverse current and past understandings of the causes of style in material culture It comprehensively surveys the many

factors that cause style reviews theories that address these factors builds and tests a unifying framework for integrating the theories and illustrates the framework with detailed analyses of archaeological and ethnographic data ranging from simple to complex societies Archaeologists sociocultural anthropologists and educators will appreciate the unique unifying approach this book takes to developing style theory The Aesthetics of Rule and Resistance Lisa Bogerts,2022-03-11 Effective visual communication has become an essential strategy for grassroots political activists who use images to publicly express resistance and make their claims visible in the struggle for political power However this aesthetics of resistance is also employed by political and economic elites for their own purposes making it increasingly difficult to distinguish from the aesthetics of rule Through illuminating case studies of street art in Buenos Aires Bogot Caracas and Mexico City The Aesthetics of Rule and Resistance explores the visual strategies of persuasion and meaning making employed by both rulers and resisters to foster self legitimization identification and mobilization **Native on the Net** Kyra Landzelius,2004-11 The Internet is increasingly being used by marginalized ethnic groups to create a form of community and unified political voice This book explores the lives and agendas of these web users and the political effects of their online activity **Critical Communities and Aesthetic Practices** Francis Halsall,Julia Jansen,Sinéad Murphy,2011-11-17 Critical Communities and Aesthetic Practices brings together eminent international philosophers to discuss the inter dependence of critical communities and aesthetic practices Their contributions share a hermeneutical commitment to dialogue both as a model for critique and as a generator of community Two conclusions emerge The first is that one s relationships with others will always be central in determining the social political and artistic forms that philosophical self reflection will take The second is that our practices of aesthetic judgment are bound up with our efforts as philosophers to adapt ourselves and our objects of interest to the inescapably historical and indeterminate conditions of experience The papers collected here address the issue that critical communities and aesthetic practices are never politically neutral and can never be abstracted from their particular contexts It is for this reason that the contributors investigate the politics not of laws parties or state constitutions but of open indefinably critical communities such as audiences peers and friends Critical Communities and Aesthetic Practices is distinctive in providing a current selection of prominent positions written for this volume Together these comprise a pluralist un homogenized collection that brings into focus contemporary debates on critical and aesthetic practices
