

Mexican Phoenix Mexican Phoenix

Steve Shipp

Mexican Phoenix Mexican Phoenix:

Mexicans in Phoenix Frank M. Barrios, 2008 Phoenix's Mexican American community dates back to the founding of the city in 1868. From these earliest days, Phoenixians of Mexican descent actively participated in the city's economic and cultural development while also fiercely preserving their culture and heritage in the thriving barrios by establishing their own businesses and churches. In 1886, Henry Garfias became the first member of the Mexican community to be elected a city official. The 20th century saw the creation of organizations such as La Liga Protectora and Sociedad Zaragoza that gave a stronger political voice to the underrepresented Mexican population. In 1953, another member of the Mexican community, Adam Diaz, was elected to city council. As the century progressed, the Mexican American population grew and expanded into several areas of Phoenix, and today the substantial community is flourishing. *Guadalupe and Her Faithful* Timothy

Matovina, 2005-11-07 Publisher Description **Mexican Workers and the Making of Arizona** Luis F. B. Plascencia, Gloria H. Cuádras, 2018-10-02 On any given day in Arizona, thousands of Mexican descent workers labor to make living in urban and rural areas possible. The majority of such workers are largely invisible. Their work as caretakers of children and the elderly, dishwashers or cooks in restaurants, and hotel housekeeping staff, among other roles, remains in the shadows of an economy dependent on their labor. *Mexican Workers and the Making of Arizona* centers on the production of an elastic supply of labor, revealing how this long-standing approach to the building of Arizona has obscured important power relations, including the state's favorable treatment of corporations vis-à-vis workers. Building on recent scholarship about Chicanas/os and others, the volume insightfully describes how U.S. industries such as railroads, mining, and agriculture have fostered the recruitment of Mexican labor, thus ensuring the presence of a surplus labor pool that expands and contracts to accommodate production and profit goals. The volume's contributors delve into examples of migration and settlement in the Salt River Valley, the mobilization and immobilization of cotton workers in the 1920s, miners and their challenge to a dual wage system in Miami, Arizona, Mexican American women workers in midcentury Phoenix, the 1980s Morenci copper miners strike, and Chicana mobilization. Arizona's industrial and agribusiness demands for Mexican contract labor and the labor rights violations of construction workers today. *Mexican Workers and the Making of Arizona* fills an important gap in our understanding of Mexicans and Mexican Americans in the Southwest by turning the scholarly gaze to Arizona, which has had a long-standing impact on national policy and politics. *Mary, Mother and Warrior* Linda B. Hall, 2009-09-17 A Mother who nurtures, empathizes, and heals; a Warrior who defends, empowers, and resists oppression, the Virgin Mary plays many roles for the peoples of Spain and Spanish-speaking America. Devotion to the Virgin inspired and sustained medieval and Renaissance Spaniards as they liberated Spain from the Moors and set about the conquest of the New World. Devotion to the Virgin still inspires and sustains millions of believers today throughout the Americas. This wide-ranging and highly readable book explores the veneration of the Virgin Mary in Spain and the Americas from the colonial period to the present. Linda Hall

begins the story in Spain and follows it through the conquest and colonization of the New World with a special focus on Mexico and the Andean highlands in Peru and Bolivia where Marian devotion became combined with indigenous beliefs and rituals Moving into the nineteenth century Hall looks at national cults of the Virgin in Mexico Bolivia and Argentina which were tied to independence movements In the twentieth century she examines how Eva Perón linked herself with Mary in the popular imagination visits contemporary festivals with significant Marian content in Spain Peru and Mexico and considers how Latinos as in the United States draw on Marian devotion to maintain familial and cultural ties

Goddesses and the Divine Feminine Rosemary Ruether, 2006-11-20 Gender and the problem of prehistory Goddesses and world renewal in the ancient mediterranean The Hebrew God and gender Savior goddesses in the mystery religions and gnosticism The spiritual feminine in New Testament and patristic Christianity Feminine symbols in medieval religious literature Tonantzin Guadalupe the meeting of Aztec and Christian female symbols in Mexico Mary and wisdom in protestant mystical millennialism Contested gender status and imagining ancient matriarchy The return of the goddess

Cities of North America Lisa Benton-Short, 2013-12-12 This timely text provides a comprehensive overview of the dramatic and rapidly evolving issues confronting the cities of North America Metropolitan areas throughout the United States and Canada face a range of dynamic and complex concerns including the redistribution of economic activities the continued decline of manufacturing and a global growth in services The contributors provide compelling examples Inner cities have experienced both gentrification and continued areas of segregation and poverty Downtown revitalization has created urban spectacles that include festivals marketplaces and sports stadiums Older inner ring suburbs now confront decline and increased poverty while the outer ring suburbs and exurbs continue to expand devouring green space The book explores how the combined processes of urbanization and globalization have added new responsibilities for city governments at the same time leaders are grappling with planning economic development and finance justice equity and social cohesion Cities have become the stage upon which new forms of ethnic racial and sexual identities are constructed and reconstructed They are also connected to wider ecological processes as urban spaces are compromised by manmade and natural disasters alike Introducing contemporary spatial arrangements and distributions of activities in metropolitan areas this clear and accessible book covers economic social political and ecological changes It is also the only text to include the physical geography of urban areas Bringing together leading geographers it will be an ideal resource for courses on urban geography and geography of the city

Miraculous Celebrity Derek S. Burdette, 2025-10-07 A study of the Christ of Ixmiquilpan a historically beloved religious icon from sixteenth century Mexico and its evolving cultural importance The life sized crucifix known as the Christ of Ixmiquilpan also the Señor de Santa Teresa was one of the most important artworks in colonial Mexico

The statue began as an ordinary devotional image but in 1621 devotees witnessed it undergo a miraculous renovation that gave it a supernatural beauty Over the next two and half centuries its perceived power increased until it was surpassed in importance only by the Virgin of Guadalupe Despite its historical significance the Christ of Ixmiquilpan s history has yet to be fully told Derek Burdette brings the miraculous crucifix out of the shadows and explores its instrumental role in shaping the devotional culture of New Spain Following the arc of the statue s life he chronicles the story of the statue s creation miraculous renovation and subsequent veneration at the heart of Mexico City He also reveals how colonial politics were woven into the statue s life from the very start Reconstructing the history of a key artwork Miraculous Celebrity sheds new light on the intersection of art faith and politics in the Spanish colonial world

Fast And Furious: A Comprehensive Collection Of U.S. Government Documents To 2017, 2018-12-11 Over 26 000 total pages Background The Fast and Furious operation was responsible for allowing approximately 2 000 firearms to illegally flow into the hands of criminals including Mexican drug cartel associates On December 14 2010 Customs and Border Patrol Agent Brian Terry a United States Marine was killed while on patrol just miles from the Mexican border The firearms found at the scene were semi automatic rifles that were allowed to walk as part of Operation Fast and Furious Congressional Republicans have investigated Fast and Furious since January 2011 Over the course of the investigation the Justice Department has provided false information stonewalled document requests produced scores of blacked out pages and duplicate documents and refused to comply with two congressional subpoenas In August 2012 the U S House of Representatives Office of General Counsel filed suit against the Justice Department On January 19 2016 United States District Judge Amy Berman Jackson issued her opinion and ordered DOJ release documents previously withheld under the President s executive privilege claim On April 8 2016 DOJ complied with the Judge s order delivering more than 20 500 pages of documents to the Committee

 World War II* Kenneth L. Kusmer, Joe W. Trotter, 2009-08-01 Historians have devoted surprisingly little attention to African
 American urban history of the postwar period especially compared with earlier decades Correcting this imbalance African
 American Urban History since World War II features an exciting mix of seasoned scholars and fresh new voices whose
 combined efforts provide the first comprehensive assessment of this important subject The first of this volume s five
 groundbreaking sections focuses on black migration and Latino immigration examining tensions and alliances that emerged
 between African Americans and other groups Exploring the challenges of residential segregation and deindustrialization later
 sections tackle such topics as the real estate industry s discriminatory practices the movement of middle class blacks to the
 suburbs and the influence of black urban activists on national employment and social welfare policies Another group of
 contributors examines these themes through the lens of gender chronicling deindustrialization s disproportionate impact on
 women and women s leading roles in movements for social change Concluding with a set of essays on black culture and
 consumption this volume fully realizes its goal of linking local transformations with the national and global processes that
 affect urban class and race relations *Latin American and Caribbean Artists of the Modern Era* Steve Shipp, 2003-01-01

This is a comprehensive reference book to more than 12 700 painters sculptors graphic artists and architects in Latin America Mexico Central America South America and the Caribbean region active during the nineteenth and twentieth centuries Entries include the artists years countries and bibliographies Also included are brief biographical and stylistic notes a record of each artist s exhibitions and a list of collections where the works can be seen There are 89 photographs of selected works supplementing the entries The introduction includes brief informative background essays on the individual countries and their artists Landscapes of the Ethnic Economy David H. Kaplan,2006-10-26 Immigration has expanded dramatically in both traditional and emerging receiving nations This worldwide boom has profoundly altered urban areas as new arrivals have transformed inner cities and suburbs alike into bastions of new ethnic economic activity Examining the essential role of space in assisting and modifying ethnic business activity this book considers how ethnic economies are reshaping the urban landscape in the United States Britain Australia Canada Germany and Italy Each chapter explores the significance of urban space and local context in the development of an ethnic economy and how in turn ethnic economies have helped to recreate urban neighborhoods With its international scope and rich case studies this book will be invaluable for scholars and students alike in the fields of ethnic studies urban studies economic development geography and sociology

The Centre as Margin: Eccentric Perspectives on Art Maria de Lurdes Craveiro,Carla Alexandra Gonçalves,2019-10-01 The Centre as Margin Eccentric Perspectives on Art is a multi authored volume of collected essays that answer the challenge of thinking Art History and the Arts in a broader sense from a liminal point of view Its main goal is thus to discuss the margin from the centre drawing on its concomitance within study themes and subjects ontological and epistemological positions or research methodologies themselves Marginality eccentricity liminality and superfluity are all part of a dynamic relationship between centre and margin s that will be approached and discussed from the point of view of disciplines as different and as close as art history philosophy literature and design from medieval to contemporary art Resulting from recent research developed from the privileged viewpoint offered by the margin this volume brings together the contributions of young researchers along with the work of career scholars Likewise it does not obey a traditional or a rigid diachronic structure being rather organized in three major parts that organically articulate the different essays Within each of these parts in which the book is divided papers are sometimes organized according to their timeframes providing the reader with an encompassing though not encyclopedic overview of the common ground over which the various artistic disciplines build their methodological theoretical and thematic centers and margins The intended eccentricity of this volume and the original essays herein presented should provide researchers scholars students artists curators and the general reader interested in art with a refreshing approach to its various scientific strands The Guadalupan Controversies in Mexico Stafford Poole,2006 This is the first and only comprehensive work to deal with a relatively unknown facet of Mexican social and religious history the debates over the historicity of the Guadalupe apparitions and the historical existence of Juan Diego **Mexico and the**
