**Starks' Harvesters** Robert S. White, 2019-10-01 For Rob and Charlie this was the start of memorable years driving Massey Ferguson combines the length and breadth of the American wheat belt. This is Rob's story, a vivid account of endless hours of work, rattlesnakes, truck wrecks, summer lightning, tornados, favourite bars and the honeys at the grain elevators. Rob went on to do five years harvesting with Dale Starks who comes to life in these pages with all his wisdom and cussedness. This is the man who starred in *Yellow Trail* from Texas, the BBC documentary that first inspired Rob and Charlie to make the trip. In England, Rob was working as an agricultural contractor. For him, machines and harvesting were more than a way of life; they were a passion. This enthusiasm which brought Rob long-lasting friendships from his American days illuminates every page of his book.

*The Vodka-Cola Cowboy: Trucking Russia 1990 - 1995* Mick Twemlow, 2020-05-01 The *Vodka-Cola Cowboy* describes life trucking in what is possibly the harshest environment in the world, Russia, between 1990 and 1995. British owner-driver Mick Twemlow worked to transport goods to and from within Russia and the wider Soviet Union. Living in Moscow with his future wife Elena and their daughter Margarita, who was born there in 1992, Mick learned the language and fully immersed himself in Russian society, giving him an insider's view of this time of massive upheaval in the Soviet Union. The book vividly illustrates the conditions that British truck drivers encountered, such as the atrocious winter weather in a wild and unforgiving landscape, police harassment and the dangers that came with the dissolution of the USSR. Mick was the only British truck driver in Moscow throughout the whole of the anti-Gorbachev coup of 1991, and so the book offers a unique perspective of that historical event. The incidents described in the book range from the humorous to the serious to the

potentially life threatening This book will primarily be of interest to truck drivers and those with an interest in road transport and the haulage industry in general Russia is still an unknown quantity all around the globe with regards to people's understanding of it and its people and so The Vodka Cola Cowboy will also be of interest to anyone who has a fascination with the country particularly during this tumultuous time in the region's socio-political history King of the Norfolk Poachers, The: His Life and Times Charlotte Paton, 2009-10-01 In the early 1930s an elderly mole catcher became the subject of one of East Anglia's best loved tales of country life I Walked by Night Over sixty years later Norfolk writer Charlotte Paton became fascinated by this man and set out to find the truth about him beginning with his name Frederick Rolfe Charlotte conducted exhaustive research provide a vibrant account with plenty of social history This book is the biography of a difficult man who could inspire devotion but came to a tragic end Not All Sunshine and Sand: The Tales of a UK-Middle East Truck Driver Paul Rowlands, 2016-08-19 Recounting his many hair-raising experiences as a truck driver on the Middle East run some of them humorous some alarming Paul Rowlands recalls the camaraderie of the trucking fraternity This book takes the reader on a ride through foreign lands in the cab of a long haul lorry providing an insider's perspective on overland travel A tremendous tale in which run-ins with the locals dramatic encounters with foreign drivers and mechanical problems seem the norm for a long haul lorry driver Paul Rowlands takes us into his world as a truck driver initially around rural Suffolk and the rest of the UK before embarking on the Middle East run The long distance lorry driver deals with life in the raw with many hardships and occasional comforts difficulties are tempered by the sheer beauty of mountain passes lakeside stops and the generous hospitality of the people he meets Trucking camaraderie has seen Paul through many a crisis and he shares the belief that help is always at hand when a fellow driver is facing a problem The new edition of this hugely popular book incorporates 72 photographs taken at the time many of which have never been previously published **The Long Haul Pioneers** Ashley Coghill, 2020-02-01 It all started in 1964 when two friends gave up promising medical careers to embark upon a journey which few hardened truckers would have considered In so doing they were solely responsible for creating the first long haul overland route across Europe and deep into the Middle East to Kabul The men had started the Middle East Run was to become a phenomenon in the road haulage industry an image which it still holds today This book is about the company founded by one of those men from its fledgling days as Asian Transport to the thriving Astran Cargo Services Ltd that it is today In this book Ashley Coghill documents the complete history of the company to date with the focus predominantly on the early days when the men were fighting for something and revelling in the adventure These early long haul drivers would think nothing of a 10 000 mile round trip to Iran or the Arabian Gulf and being stranded at 6 000 feet on a mountain pass with temperatures below 40 was just all in a day's work Ashley Coghill has an immense enthusiasm for his subject and has given his research total dedication He has also tracked down past and present employees to gather first hand information which he has illustrated with over 300 carefully selected images The end result is a detailed comprehensive and
