alcoholic and a pedophile His mother too passive and tolerant And worse yet was the fact that Randy possessed a genius IQ Jonathan reveals what it was like to grow up in a world where everybody around him seemed stupid and naive Feel his pain as he talks about being sent to a reformatory for no reason other than his father wanted him out of the way so that he could molest Randy's sisters Relive with Randy the horrors of seeing murders and having to kill Then go to prison Life can be hell for no apparent reason And the greatest hell can come from inside your own mind Randy exposes a corrupt government and raises questions as to why it exists Randy also reveals plans on how to make the world a better place by reducing crime And they are both simplistic and feasible This book is well worth taking a long hard look at It is amazing
