Buddhisms in Asia Nicholas S. Brasovan, Micheline M. Soong, 2019-09-01 A guide to Buddhism's rich variety of traditions and cultural expressions for educators who would like to include Buddhism in their undergraduate courses Over its long history Buddhism has never been a simple monolithic phenomenon but rather a complex living tradition or better a family of traditions continually shaped by and shaping a vast array of social economic political literary and aesthetic contexts across East Asia South Asia and Southeast Asia Written by undergraduate educators *Buddhisms in Asia* offers a guide to Buddhism's rich variety of traditions and cultural expressions for educators who would like to include Buddhism in their undergraduate courses It introduces fundamental yet often underrepresented Buddhist texts concepts and material in their historical contexts presents the major ecologies of Buddhist belief practice and cultural expression and provides methodological insights regarding how best to infuse Buddhist content into undergraduate courses in the humanities and social sciences The text aims to represent Buddhism by approaching the subject from a broad range of disciplinary perspectives including art history anthropology history literature philosophy religious studies and pedagogy I teach an introductory course on Buddhism on a regular basis and every single chapter of this book gave me ideas for materials I could incorporate new modules I might develop and or better ways I might organize and present existing content to students I think that the book will be particularly useful to educators in Asian studies who are not themselves specialized in areas of Buddhism or religion The collection gives them the information on Buddhist philosophy doctrine and practice that they would need to better incorporate the role of Buddhism into classes on Asian culture history society and politics Leah Kalmanson coeditor of *Buddhist Responses to Globalization*

Taoism and Self Knowledge Catherine Despeux, 2018-11-26 Catherine Despeux's book *Taoism and Self Knowledge* is a study of the Internal Alchemical text *Chart for the Cultivation of Perfection* It begins with an analysis of pictographic and symbolic representation of the body in early Taoism after which the author examines different extant versions of the Chart as it was transmitted among Quanzhen groups in the Qing dynasty The book is comprised of four main parts the principal parts of the body and their nomenclature in Internal Alchemy the spirits in the human body and the alchemical processes and procedures used in thunder rituals and self cultivation This is a revised expanded edition of the original French edition *Taoisme et connaissance de soi La carte de la culture de la perfection* Xiuzhen tu Paris 2012

The Political History in Sui, Tang and Five Dynasties Li Shi, The book is the volume of *The Political History in Sui Tang and Five Dynasties* among a series of books of *Deep into China Histories* The earliest known written records of the history of China date from as early as 1250 BC from the Shang dynasty c 1600 1046 BC and the *Bamboo Annals* 296 BC describe a Xia dynasty c 2070 1600 BC before the Shang but no writing is known from the

period The Shang ruled in the Yellow River valley which is commonly held to be the cradle of Chinese civilization However Neolithic civilizations originated at various cultural centers along both the Yellow River and Yangtze River These Yellow River and Yangtze civilizations arose millennia before the Shang With thousands of years of continuous history China is one of the world s oldest civilizations and is regarded as one of the cradles of civilization The Zhou dynasty 1046 256 BC supplanted the Shang and introduced the concept of the Mandate of Heaven to justify their rule The central Zhou government began to weaken due to external and internal pressures in the 8th century BC and the country eventually splintered into smaller states during the Spring and Autumn period These states became independent and warred with one another in the following Warring States period Much of traditional Chinese culture literature and philosophy first developed during those troubled times In 221 BC Qin Shi Huang conquered the various warring states and created for himself the title of Huangdi or emperor of the Qin marking the beginning of imperial China However the oppressive government fell soon after his death and was supplanted by the longer lived Han dynasty 206 BC 220 AD Successive dynasties developed bureaucratic systems that enabled the emperor to control vast territories directly In the 21 centuries from 206 BC until AD 1912 routine administrative tasks were handled by a special elite of scholar officials Young men well versed in calligraphy history literature and philosophy were carefully selected through difficult government examinations China s last dynasty was the Qing 1644 1912 which was replaced by the Republic of China in 1912 and in the mainland by the People s Republic of China in 1949 Chinese history has alternated between periods of political unity and peace and periods of war and failed statehood the most recent being the Chinese Civil War 1927 1949 China was occasionally dominated by steppe peoples most of whom were eventually assimilated into the Han Chinese culture and population Between eras of multiple kingdoms and warlordism Chinese dynasties have ruled parts or all of China in some eras control stretched as far as Xinjiang and Tibet as at present Traditional culture and influences from other parts of Asia and the Western world carried by waves of immigration cultural assimilation expansion and foreign contact form the basis of the modern culture of China
