*Ophelia Wears Black* Segovia Amil, 2015-12-11 *Ophelia Wears Black* is a collection of poetry and prose focusing on the shadow aspects and dark side of the human experience through the eyes of a young girl. Divided into four parts each mirroring the cycling seasons we follow Ophelia into her own reimagined Underworld where she learns to make sense of and find the perfection and necessity of her own inner darkness     Dark Goddess Craft Stephanie Woodfield, 2017-11-08

Discover how to utilize the many faces of the dark goddess to navigate the process of deep and rewarding change. This empowering practical guide looks at the misconceptions surrounding challenging deities and encourages you to draw on their power to work through aspects of yourself or your life that you wish to change. Organized into three sections: descent, challenge, and rebirth. *Dark Goddess Craft* guides you through your own shadow work and helps you emerge renewed. Every step on your path of transformation is connected to a different face of the dark goddess, and Stephanie Woodfield provides rituals, invocations, and offerings for eleven of them. You can mourn loss with the Washer at the Ford, learn to move past betrayal with Sedna, gain personal independence with Blodeuwedd, and become the champion of your own life with Scathach. Like a torch to light your way, this book helps you heal and transform into the best version of yourself     **Ophelia** Ophelia
