## **Operations Most Secret S O E The Malayan Theatre:**

*Operations Most Secret* Ian Trenowden, 1978      *The Special Operations Executive (SOE) in Burma* Richard Duckett, 2017-10-30 In the mountains and jungles of occupied Burma during World War II British special forces launched a series of secret operations assisted by parts of the Burmese population The men of the SOE trained in sabotage and guerrilla warfare worked in the jungle deep behind enemy lines to frustrate the puppet Burmese government of Ba Maw and continue the fight against Hirohito's Japan in a theatre starved of resources Here Richard Duckett uses newly declassified documents from the National Archives to reveal for the first time the extent of British special forces involvement from the 1941 operations until beyond Burma's independence from the British Empire in 1948 Duckett argues convincingly that Operation Character and Operation Billet large SOE missions launched in support of General Slim's XIV Army offensive to liberate Burma rank among the most militarily significant of the SOE's secret missions Featuring a wealth of photographs and accompanying material never before published including direct testimony recorded by veterans of the campaign and maps from the SOE files *The SOE in Burma* tells a compelling story of courage and struggle in during World War II      **Malaya's Secret Police 1945-60** Leon Comber, 2008 The Malayan Emergency lasted from 1948 to 1960 During these tumultuous years following so soon after the Japanese surrender at the end of the Second World War the whole country was once more turned upside down and the lives of the people changed The war against the Communist Party of Malaya's determined efforts to overthrow the Malayan government involved the whole population in one form or another Dr Comber analyses the pivotal role of the Malayan Police's Special Branch the government's supreme intelligence agency in defeating the communist uprising and safeguarding the security of the country He shows for the first time how the Special Branch was organised and how it worked in providing the security forces with political and operational intelligence His book represents a major contribution to our understanding of the Emergency and will be of great interest to all students of Malay si a s recent history as well as counter guerrilla operations It can profitably be mined too to see what lessons can be learned for counterinsurgency operations in other parts of the world      *Special Operations South-East Asia 1942-1945* David Miller, 2015-11-30 Many books have been written about Second World War special forces operations in Europe and the Middle East Much less has been said about such operations in South East Asia those launched against the Japanese in Sumatra and the Andaman Islands and the Germans in Goa These operations and the exceptional men who took part in them have been almost forgotten David Miller in this gripping account sets the record straight His book is based on extensive original research including long hidden family documents revealing much information for the first time and his narrative is fascinating reading for anyone who is interested in special operations and the war against the Axis powers in South East Asia His history is the first general account of these operations it is a landmark in the field      *The Final Betrayal* Mark Felton, 2010-06-19 This book examines the period between the unconditional surrender of Japan on 14 August 1945 and the

arrival of Allied liberation forces in Japanese occupied territories after 2 September 1945 The delay handed the Japanese a golden opportunity to set their house in order before Allied war crimes investigators arrived After 14 August groups of Allied POWs were brutally murdered Vast amounts of documentation concerning crimes were burned ahead of the arrival of Allied forces POW facilities and medical experimentation installations were either abandoned or destroyed Perhaps the greatest crimes were continuing deaths of Allied POWs from starvation disease and ill treatment after the Japanese surrender The blame rests with the American authorities and particularly General MacArthur Supreme Allied Commander in the Pacific MacArthur expressly forbade any Allied forces from liberating Japanese occupied territories before he had personally taken the formal Japanese surrender aboard the USS Missouri in Tokyo Bay on 2 September 1945 Vice Admiral Lord Mountbatten Commanding Allied forces in Southeast Asia protested against this policy believing that pandering to MacArthurs vanity and ego would mean condemning many starving and sick prisoners to death Deaths among British and Commonwealth POWs were significant as opposed to American POWs who were already largely liberated in the Philippines and elsewhere

**The Japanese Occupation of Malaya** Paul H. Kratoska, 1997-01-01 Japan attacked British ruled Malaya on 8 December 1941 as part of a wave of military actions that toppled the British Dutch and American colonial regimes in Southeast Asia Within seventy days the conquest of Malaya was complete and British forces in Singapore surrendered on 15 February 1942 The three and a half years of Japanese rule are generally considered to mark a profound transition in the history of the Malay peninsula but little is known about this period This book uses the limited administrative papers that survived in Malaya oral sources and accounts written by Japanese officers involved in the Malayan campaign to flesh out the story

Subsequently the atrocities spread throughout Malaya The Civil Police were unable to control the speeding violence and mayhem Necessitating the existing British and Gurkha Troops to take control Nevertheless the Communist had taken their fight into the jungles of Malaya Where for the next 12 years a Bloody War took place It was called THE EMERGENCY by the British Government due to the possible Insurance claims from both the Rubber Plantation and Tin Mines Owners It cost the lives of 1 818 Commonwealth Forces 1 026 Federation of Malaya Police Over the following 12 years it is estimated that in excess of 22 000 lost their lives consisting of Commonwealth Forces of the three Service s Federation of Malaya Police Civilians including the Chinese Communist Terrorist Chin Peng survived escaped with the remains of his beaten Army numbering less than 400 across the Malay border into Thailand to remain an exile The Defence and Fall of Singapore Brian Farrell,2017-01-01 Shortly after midnight on 8 December 1941 two divisions of crack troops of the Imperial Japanese Army began a seaborne invasion of southern Thailand and northern Malaya Their assault developed into a full blown advance towards Singapore the main defensive position of the British Empire in the Far East The defending British Indian Australian and Malayan forces were outmanoeuvred on the ground overwhelmed in the air and scattered on the sea By the end of January 1942 British Empire forces were driven back onto the island of Singapore Itself cut off from further outside help When the Japanese stormed the island with an an out assault the defenders were quickly pushed back into a corner from which there was no escape Singapore s defenders finally capitulated on 15 February to prevent the wholesale pillage of the city itself Their rapid and total defeat was nothing less than military humiliation and political disaster Based on the most extensive use yet of primary documents in Britain Japan Australia and Singapore Brian Farrell provides the fullest picture of how and why Singapore fell and its real significance to the outcome of the Second World War **The Japanese Occupation of Malaya and Singapore, 1941-45** Paul H. Kratoska,2018-04-30 Japanese forces invaded Malaya on 8 December 1941 and British forces surrendered in Singapore 70 days later Japan would rule the territory for the next 3 years Early efforts to maintain pre war standards of comfort gave way to a grim struggle for survival as the vibrant economy ground to a halt and residents struggled to deal with unemployment shortages of consumer goods sharp price rises a thriving black market and widespread corruption People were hungry dressed in rags and falling victim to treatable diseases for which medicines were unavailable and there was little reason to hope for better in the future Using surviving administrative papers oral materials intelligence reports and post war accounts by Japanese officers this book presents a picture of life in occupied Malaya and Singapore It shows the impact of war and occupation on a non belligerent population and creates a new understanding of the changes and the continuities that underlay the post war economy and society The book was first published in 1998 and is now re issued in new edition that incorporates information from newly translated Japanese documents and other recent discoveries *Canadians Behind Enemy Lines, 1939-1945* Roy MacLaren,2011-11-01 During the Second World War Canadians found themselves behind enemy lines in Europe and Asia Not all were ill fated airmen shot down in the fury of

battle Some were there by design as volunteers who risked their lives in extremely hazardous assignments Almost one hundred Canadians served the Allied forces by passing as locals in occupied countries At the behest of two British secret services these men made language and custom their costumes and wove themselves into the social fabric of France Italy Yugoslavia Hungary Burma Malaya and Sarawak They risked their lives assisting resistance groups in sabotage and ambush missions or in smuggling Allied airmen out of occupied territories Quiet heroes of the war these bold Canadians helped to make the brutal and unrelenting warfare of the underground a potent weapon in the Allied arsenal Out of print for more than two decades this bestselling book recognizes the unique contribution of these individuals to the underground war effort It is also a study of unstinting personal courage in the face of overwhelming odds
