The Elephant in the Room

Sadrail Saint-Ulysse PhD MDiv, 2022-04-12 I write this book to do something that most would consider unwise as a current employee of the Seventh day Adventist Church I call or appeal for systematic change change in policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal Please don't think of me as a brave one who dares to go where many have not gone before I am not I speak out because we need policy changes at every level Fairness is not giving everyone the same thing but to give each person what he or she needs to succeed Many businesses are rethinking how to move forward post the pandemic We too as a church need to do the same In the Old Testament God instructed his people to pass on their faith to their children by intentionally teaching them God's statutes and commandments Deuteronomy 6:4-8 and Isaiah 54:13 Similarly the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28:16-20 Jesus directs the church to make disciples of all nations by baptizing and teaching Church schools are needed to partner with parents and the church as a whole to educate children Ellen G White cofounder of the Seventh day Adventist Church who earlier encouraged the Seventh day Church to focus on foreign missions stated in addressing church schools in the book Testimonies for the Church volume 6 that the children are not to be neglected She writes We cannot call ourselves true missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure knowledge and experience that will fit them for the service of God Her solution to financing church schools is simple Let all share the expense Enrollment in Christian elementary and secondary schools have been dropping nationwide Many families in North America especially new immigrant families are not able to afford the tuition to send their children to church schools Several church schools have closed In this book Dr Sadrail Saint Ulysse an ordained minister and educator of the Seventh day Adventist Church addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty five years as a pastor and educator with the hope that the burden of operating church schools can be shared by the entire church local state national and

worldwide to alleviate this burden The book challenges parents teachers principals school boards church members and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner

Unconventionality of Church Leadership, The Earlington Guiste, 2015-08-05 If you were to ask a room full of CEOs what the most important leadership trait is for an executive officer most would share such attributes as authoritative decisive knowledgeable dedicated tough tactical and dominant It is doubtful that any would say humility The challenge for many churches today is that church officers and leaders are trained to think in terms of secular leadership practices which are often void of servility *The Unconventionality of Church Leadership It Works* examines current business leadership principles and compares them with the exemplary leadership practices that Jesus displayed while here on earth By implementing a shepherd servant leadership model in our churches and executing a strategic plan that engages and utilizes the talents of all members Earlington Guiste seeks to inspire church members and leaders to carry out the great commission and fulfill the organismic nature of God s church

The Present Truth and the LGBTQ+ Movement Nelson Mercado, 2024-10-15 The Present Truth refers to God s end time messages intended to prepare the world to meet Jesus These messages are found in Revelation 14 6 12 and are also known as the Three Angels Messages However as part of his deceptions Satan is seeking to distract and confuse the church by the LGBTQ ideology Today there are many voices in Christianity and in the Seventh day Adventist Church clamoring for the affirmation of the LGBTQ ideology and lifestyle

Pastor Mercado believes that following the road of affirmation will lead to a loss of credibility and will dilute the end time messages of preparation Yet acknowledging that LGBTQ people are already in our churches he provides guidelines on how to treat them redemptively while not compromising biblical values **Story, Formation, and Culture** Benjamin D.

Seventh-day Adventist Health Reform: A Crucible of Identity Tensions Richard B. Ferret, 2023-07-20. The Seventh day Adventist church, formally organized in America in 1863, is today one of the fastest growing Protestant movements in the world and defines itself as a prophetic remnant raised up and commissioned by God to teach and preach a final message of warning to the world before the imminent return of Christ. From its beginnings, however, a sense of failure was built into the success of the fledgling movement. In order to preserve the message of the imminent return of Christ, Adventists had to erect institutions based on continuity and permanence. A dilemma emerged: medical institutions built to be conducive for separation from the world faced a this-worldly reality filled with requirements from various state entities: registration, approval, and so forth. Thus, Adventist medical institutions confronted constant challenges to their denominational and theological uniqueness. The emergence of this dilemma between aspirations of separateness and this-worldly reality was especially evident in the battle for Adventism's sectarian identity, ethos, and future at the turn of the twentieth century between Ellen G. White, a cofounder of the movement, and Dr. John H. Kellogg, an Adventist administrator and surgeon who sought to desectarianize the movement.

The First Temptation Edwin Zackrisson, 2015-10-22. In Christian thought, original sin is the theological term for describing the state or condition of universal sinfulness where humans are found as the result of Adam's sin according to the Biblical account. It stands distinct from actual sin or that voluntary conscious transgression of the law of God. The doctrine of original sin purports to provide a systematic theological explanation of the Biblical data regarding the radical sinfulness of the human race. This entails the Biblical data as well as the study of many significant Christian thinkers and writers. *The First Temptation* explores the early attempts, 1850-1900, of Seventh day Adventist theologians to understand where this doctrine fit into their understanding of human salvation. Inheriting most of their theology from New England in the mid 1800s, these SDA theologians set about to correct what they considered was a perversion of Protestant

thought But in their pursuit they found the doctrine becoming the victim of battles between New England and New Haven Theology This book makes a profound contribution to the history of an idea central to the Christian faith As the saying goes If one does not understand the nature of the problem one cannot comprehend the fixing of the problem There is a difference between chronicle and history Chronicle records what happened history illuminates what happened Chronicle provides information history provides understanding Professor Zackrisons study is history in the best sense of the word It is an example of historical theology at its best RICHARD RICE LOMA LINDA UNIVERSITY PROFESSOR Original sin was committed by our first parents and has been passed on to every one of their descendants Adventists have always taught this as it is implicit in our teaching of the New Birth W G C MURDOCH SDA THEOLOGICAL SEMINARY DEAN AND THEOLOGIAN

The Incarnate Christ and His Critics Robert M. Bowman Jr., J. Ed Komoszewski , 2024-11-12 A current comprehensive

and clear defense of the deity of Christ. The central theological claim of Christianity that Jesus is God incarnate finds eager detractors across a wide spectrum from scholars who interpret Jesus as a prophet, angel, or guru to adherents of progressive Christianity and non-Christian religions and philosophies. Yet thorough biblical scholarship strongly supports the historic Christian teaching on the deity of Christ. Authors Robert M. Bowman Jr. and J. Ed Komoszewski follow the approach of their landmark 2007 study on the same topic, *Putting Jesus in His Place*. They focus on five pillars of New Testament teaching using the acronym HANDS and demonstrate what both Jesus and the earliest believers recognized: namely, that Jesus shares in the Honors that are due God, Attributes of God, Names of God, Deeds that God does, and Seat of God's eternal throne. *The Incarnate Christ and His Critics* engages objections to the divine identity of Jesus from Jehovah's Witnesses, Mormons, progressive Christians, Muslims, Unitarians, and others. Bowman and Komoszewski show how biblical scholarship cannot reasonably ignore the enduring, wide-ranging, and positive case for the deity of Christ.
