Schneider,Scotia J. Hicks,2022-02-09 This valuable compendium advances the understanding of mental health case law making it highly accessible to practicing forensic professionals Divided into two parts the first section focuses on explaining important topics related to forensic psychological and forensic neuropsychological assessment while the second section stands on its own as a collection of fascinating legal cases with high relevance to mental health and legal professionals interested in how mental health disorders impact criminal behavior among juveniles and adults The book begins with an accessible primer on abnormal behavior exploring the links between criminal behavior and mental health disorders It goes on to thoroughly describe what goes into forensic psychological and forensic neuropsychological evaluations including discussion about the Federal Rules of Evidence as they pertain to evidence generation during the mental health evaluation process The book also focuses on psychometric concepts including reliability validity sensitivity and specificity as well as an exploration of science and the law which

includes a discussion about the difference between science and pseudoscience the different sources of law constitutions statutes and case law and how the intellectually competitive practice of law is similar to the enterprise of science Ethical issues faced by the forensic mental health worker are also addressed The second section of the book Legal Cases for the Forensic Mental Health Professional is an alphabetical summary of important and interesting legal cases with relevance for mental health professionals These cases offer real world significance while summarizing complex legal decisions through a neuropsychological sieve to allow both legal and psychological communities to better understand each other s professions This book will be an invaluable resource for forensic psychologists forensic neuropsychologists forensic psychiatrists and other mental health professionals whose work brings them into contact with the juvenile justice and adult criminal justice system It will also be of interest to legal professionals criminal justice departments and law schools      **Univ. of**
