New Directions In Post Heroic Entrepreneurship Narratives Of Gender And Ethnicity:

New Directions in Postheroic Entrepreneurship Caroline Essers, 2009 This book contributes to studies of entrepreneurship where usually an archetypical entrepreneur is constructed being white male and non Muslim Literature on female entrepreneurship and migrant entrepreneurship which highlight the importance of ethnicity and gender are typically ignored The application of intersectionality theory or illustrating what happens at the cross roads of gender and ethnicity within entrepreneurial settings is therefore new within entrepreneurship literature The book reveals how sustaining their entrepreneurial identities while overcoming the tensions emerging at the junction of these two categories of social exclusion makes these women post heroic entrepreneurs **Global Women's Entrepreneurship Research** Karen D.

Hughes, Jennifer E. Jennings, 2012-01-01 Global Women's Entrepreneurship Research responds to recent calls from academic researchers and policy analysts alike to pay greater attention to the diversity and heterogeneity among women entrepreneurs Drawing together studies by 26 researchers affiliated with the DIANA International Research Network this collection contributes to a richer and more robust understanding of the field Part I Diverse Settings introduces research set in a range of contexts from those rarely examined to those representing more familiar terrains Part II Diverse Questions explores new questions and reframes old questions in fresh innovative ways Part III Diverse Approaches features studies with distinct methodological approaches that reflect and extend the rigour and creativity of research in this field Together the research assembled in this volume significantly advances knowledge about women's entrepreneurship around the world While the book's primary audience is academic researchers and graduate students working in the areas of women's entrepreneurship as well as entrepreneurship and family business more generally it will also be of interest to scholars working in related research areas in the sociology of gender work and organizations Policy makers in government and non government agencies as well as profit and not for profit organizations that provide services to or conduct research on women entrepreneurs will also benefit greatly from the insights provided in this unique volume *New Directions in Postheroic Entrepreneurship*

Caroline Essers, 2009 Contributes to studies of entrepreneurship where usually an archetypical entrepreneur is constructed being white male and non Muslim and literature on female entrepreneurship and migrant entrepreneurship that typically ignore the importance of respectively ethnicity or gender **Critical Perspectives on Entrepreneurship** Caroline

Essers, Pascal Dey, Deirdre Tedmanson, Karen Verduyn, 2017-02-17 Entrepreneurship is largely considered to be a positive force driving venture creation and economic growth Critical Perspectives on Entrepreneurship questions the accepted norms and dominant assumptions of scholarship on the matter and reveals how they can actually obscure important questions of identity ideology and inequality The book's distinguished authors and editors explore how entrepreneurship study can privilege certain forms of economic action whilst labelling other more collective forms of organization and exchange as problematic Demystifying the archetypal vision of the white male entrepreneur this book gives voice to other entrepreneurial

subjectivities and engages with the tensions paradoxes and ambiguities at the heart of the topic This challenging collection seeks to further the momentum for alternate analyses of the field and to promote the growing voice of critical entrepreneurship studies It is a useful tool for researchers advanced students and policy makers **Routledge Handbook**

on Gender in Tourism Magdalena Petronella (Nellie) Swart,Wenjie Cai,Elaine Chiao Ling Yang,Albert Nsom Kimbu,2024-02-20 This comprehensive handbook delves into the multifaceted dimensions of the role of gender in tourism spanning education research and practice With 40 international contributions from leading thinkers in the field this book brings together diverse themes such as entrepreneurship mobility sustainability and sexuality In doing so it shatters traditional boundaries and dissects how gender influences perceptions experiences and opportunities advocating for equality and challenging entrenched power dynamics Informed by the United Nations Gender Equality goals this handbook champions the potential of gender aware tourism to reshape the world by fostering inclusivity empowerment and understanding It adopts diverse insights encompassing feminist and queer perspectives challenging norms and exploring marginalised voices By dissecting gender in educational entrepreneurial and research contexts it unveils hidden dynamics This book empowers readers to grasp the breadth of gender's role and equips them with tools to foster equality and reshape the tourism landscape while making suggestions for future research agendas This book is intended for scholars educators researchers government officials and practitioners in the fields of gender studies tourism education entrepreneurship employment mobility research sustainability and sexuality **Challenging Entrepreneurship Research** Hans

Landstrom,Annaleena Parhankangas,Alain Fayolle,Philippe Riot,2016-06-10 The growth of entrepreneurship research has been accompanied by an increased convergence and institutionalization of the field In many ways this is of course positive but it also represents how the field has become mainstream with the concomitant risk that individual scholars become embedded in a culture and incentive system that emphasizes and rewards incremental research questions while reducing the incentives for scholars to conduct challenging research This book challenges this status quo from accepted theories methodologies and paradigmatic assumptions to the relevance or lack of for contemporary practice and the impact of key journals on scholars directions in entrepreneurship research An invited selection of the younger generation of scholars within the field of entrepreneurship research adopt a critical and constructive posture on what has been achieved in entrepreneurship research the main assumptions which underly it but also open up new paths for creative entrepreneurship research in the future This is a must read for all scholars educators and advanced students in entrepreneurship research

Entrepreneurship and Management in an Islamic Context Veland Ramadani,Léo-Paul Dana,Shqipe Gërguri-Rashiti,Vanessa Ratten,2016-09-02 The aim of this volume is to explore entrepreneurship and business from the perspective of Islamic principles which are usually based on collaboration teamwork generosity and altruism The contributions deal with the confluence of Islamic Principles with entrepreneurial and business ownership characteristics

resource use by entrepreneurs means of entrepreneurial success and ethics and social responsibility **The Bloomsbury Handbook of Gender and Educational Leadership and Management** Victoria Showunmi, Pontso Moorosi, Charol Shakeshaft, Izhar Oplatka, 2022-02-24 Drawing together diverse research perspectives and theoretical underpinnings this handbook explores gender as a social category and examines cultural and social differences Bringing together diverse perspectives from around the world including from Africa Europe the Middle East the UK and the USA the volume sets out the gender and educational leadership and management field providing a snapshot of the field as it stands signalling its development and directions for future development It offers focused reviews of empirical research on particular aspects of the field and presents new insights from research findings and methodological approaches *New Books on Women, Gender and Feminism* ,2010 **New Books on Women and Feminism** ,2011 Abstracts of Public Administration, Development, and Environment ,2009 **Políticas Sociales y Trabajo Social: Reflexiones desde México y Argentina.** Nemesio Castillo Viveros, Leonel Del Prado, 2015-05-02 Se busca realizar un an lisis de la política social y de Trabajo Social en México y Argentina **Research Handbook on Entrepreneurship and Leadership** Richard T. Harrison, Claire M. Leitch, 2019 This Research Handbook argues that the study of entrepreneurs as leaders is a gap in both the leadership and the entrepreneurship literatures With conceptual and empirical chapters from a wide range of cultures and entrepreneurship and leadership ecosystems the Research Handbook for the first time produces a systematic overview of the entrepreneurial leadership field providing a state of the art perspective and highlighting unanswered questions and opportunities for further research It consolidates existing theory development stimulates new conceptual thinking and includes path breaking empirical explorations **Всемирная история поножовщины / A World history of knifing** Черевичник Денис Леонидович / Denis Cherevichnik, From summary Readers are invited to the first of its kind fundamental research of the popular duels Basing on the voluminous factual material the author examines the tradition of knife fights in Europe and America rituals and codes of honor associated with these duels This fascinating narration will be interesting not only to the fans of the history of martial arts weapons historians cultural scientists or ethnologists but also to the wide range of readers **Siblings by Choice: Race Gender and Violence** , **The Fate of the New Man** Claire McCallum, 2018-07-03 Between 1945 and 1965 the catastrophe of war and the social and political changes it brought in its wake had a major impact on the construction of the Soviet masculine ideal Drawing upon a wide range of visual material The Fate of the New Man traces the dramatic changes in the representation of the Soviet man in the postwar period It focuses on the two identities that came to dominate such depictions in the two decades after the end of the war the Soviet man's previous role as a soldier and his new role in the home once the war was over In this compelling study Claire McCallum focuses on the reconceptualization of military heroism after the war the representation of contentious subjects such as the war damaged body and bereavement and postwar changes to the depiction of the Soviet man as father McCallum shows that it was the Second World War rather

than the process of de Stalinization that had the greatest impact on the masculine ideal proving that even under the constraints of Socialist Realism the physical and emotional devastation caused by the war was too great to go unacknowledged *The Fate of the New Man* makes an important contribution to Soviet masculinity studies McCallum's research also contributes to broader debates surrounding the impact of Stalin's death on Soviet society and on the nature of the subsequent Thaw as well as to those concerning the relationship between Soviet culture and the realities of Soviet life This fascinating study will appeal to scholars and students of Soviet history masculinity studies and visual culture studies
