Among the legendary athletes of the 1920s the unquestioned halcyon days of sports stands Gene Tunney the boxer who upset Jack Dempsey in spectacular fashion notched a 77 1 record as a prizefighter and later avenged his sole setback to a fearless and highly unorthodox fighter named Harry Greb Yet within a few years of retiring from the ring Tunney willingly receded into the background renouncing the image of jock celebrity that became the stock in trade of so many of his contemporaries To this day Gene Tunney s name is most often recognized only in conjunction with his epic long count second bout with Dempsey In Tunney the veteran journalist and author Jack Cavanaugh gives an account of the incomparable sporting milieu of the Roaring Twenties centered around Gene Tunney and Jack Dempsey the gladiators whose two titanic clashes transfixed a nation Cavanaugh traces Tunney s life and career taking us from the mean streets of Tunney s native Greenwich Village to the Greenwich Connecticut home of his only love the heiress Polly Lauder from Parris Island to Yale University from Tunney learning fisticuffs as a skinny kid at the knee of his longshoreman father to his reign atop boxing s glamorous heavyweight division Gene Tunney defied easy categorization as a fighter and as a person He was a sex symbol a master of defensive boxing strategy and the possessor of a powerful and occasionally showy intellect qualities that prompted the great sportswriters of the golden age of sports to portray Tunney as aloof This intelligence would later serve him well in the corporate world as CEO of several major companies and as a patron of the arts And while the public craved reports of bad blood between Tunney and Dempsey the pair were in reality respectful ring adversaries who in retirement grew to share a sincere lifelong friendship with Dempsey even stumping for Tunney s son John during the younger Tunney s successful run for Congress Tunney offers a unique perspective on sports celebrity and popular culture in the 1920s But more than an exciting and insightful real life tale replete with heads of state irrepressible showmen mobsters Hollywood luminaries and the cream of New York society Tunney is an irresistible story of an American underdog who forever changed the way fans look at their heroes Los Angeles Magazine ,2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **It's Better to Believe** Kenneth H. bruising and bloody confrontations have permeated Western culture since 3000 BC. During that period there has hardly been a time in which young men and sometimes women did not raise their gloved or naked fists to one other. Throughout this history potters, sculptors, painters, poets, novelists, cartoonists, song writers, photographers and film makers have been there to record and make sense of it all. In her encyclopaedic investigation Kasia Boddy sheds new light on an elemental sports and struggle for dominance whose weapons are nothing more than fists. Boddy examines the shifting social, political and cultural resonances of this most visceral of sports and shows how from Daniel Mendoza to Mike Tyson boxers have embodied and enacted our anxieties about race, ethnicity, gender and sexuality. Looking afresh at everything from neoclassical sculpture to hip hop lyrics, *Boxing* explores the way in which the history of boxing has intersected with the history of mass media from cinema to radio to pay per view. The book also offers an intriguing new perspective on the work of such diverse figures as Henry Fielding, Spike Lee, Charlie Chaplin, Philip Roth, James Joyce, Mae West, Bertolt Brecht and Charles Dickens. An all encompassing study, *Boxing* ultimately reveals to us just how and why boxing has mattered so much to so many. *New York*, 1999-05
