## **Old Testament Prophets For Today:**

*Old Testament Prophets for Today* Carolyn J. Sharp, 2009-03-13 The prophets of the Old Testament include such well known characters as Isaiah Jeremiah Amos and Hosea There are however many other prophets both in the biblical books that bear their names and in the other histories and stories of ancient Israel Carolyn Sharp offers a brief introduction to each of the Bible s prophets and their prophetic books developing the theological themes present in each with an eye toward how the prophetic message is relevant today The For Today series was designed to provide reliable and accessible resources for the study and real life application of important biblical texts theological documents and Christian practices The emphasis of the series is not only on the realization and appreciation of what these subjects have meant in the past but also on their value in the present for today Thought provoking questions are included at the end of each chapter making the books ideal for personal study and group use

*The Biblical Prophets for Today* Keith Malcolm Hunt, 2011-02-10 Nearly ONE THIRD of the Bible concerns Prophecy And MOST of that prophecy is for the last 42 months of this age The book of Revelation is for the Lord s day not a day of the week but for the prophetic time in the prophets of the Old Testament known as the day of the Lord All nations on earth are families grown large and many of them moved migrated and settled in the lands where we find them today Much recorded history down through the ages shows who the modern nations of the world are where they came from and who they were in the days of the Old Testament prophets Much prophecy has a two fold fulfillment i e Jeremiah 30 1 9 Isaiah 11 The latter fulfillment is for the very end times the last 42 months of this age Luke 21 22 For these be the days of vengeance that all things that are written may be fulfilled With these basic keys we can understand the Bible prophets as they speak to us for our day and beyond into the last 42 months of this age leading up to the glorious powerful mighty return of Christ Jesus to this earth and the establishing of the Kingdom of God on earth Nearly ONE THIRD of the Bible concerns Prophecy And MOST of that prophecy is for the last 42 months of this age The book of Revelation is for the Lords day not a day of the week but for the prophetic time in the prophets of the Old Testament known as the day of the Lord All nations on earth are families grown large and many of them moved migrated and settled in the lands where we find them today Much recorded history down through the ages shows who the modern nations of the world are where they came from and who they were in the days of the Old Testament prophets Much prophecy has a two fold fulfillment i e Jeremiah 30 1 9 Isaiah 11

*Old Testament Prophets, Then and Now* Howard Bean, 2012-10-11 This book seeks to get the attention of the Christian community that calls themselves the body of Christ because the revelation that God has given author Howard Bean concerning this book is to open the blinded eyes of those that have become hardhearted rebellious and backslidden to what God says in his Word The prophets that have been used in this book present a clear picture of the type of apostasy that we have today which are those who twist his Word and disobey the word of God This book is to warn the church of the apostasy that they have gotten themselves into as Israel had done against God years ago in the Old Testament If we as children of God

will open his Word and asked him to open our blinded eyes in the name of Jesus for the truth that is not being preached today in many churches then he will do so as Jesus said ask and you shall receive In many ways this book can be used as a guide to help Christians study the Word of God but it is not to replace the Word as many have and caused error in the church It also can be used in Sunday school as a tool to help teach students from teenagers to adults the truth of how God expects his children to live for him and have faith as the prophets of the Old Testament shows every one today *Dictionary of the Old Testament: Prophets* G MCCONVILLE, MARK J BODA, 2020-05-21 The writings of the prophets make up over a quarter of the Old Testament But perhaps no other portion of the Old Testament is more misunderstood by readers today For some prophecy conjures up knotted enigmas opaque oracles and terrifying visions of the future For others it raises expectations of a plotted out future to be reconstructed from disparate texts And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future nations streaming to Zion a lion lying with a lamb and endlessly fruiting trees on the banks of a flowing river We might view the prophets as stage directors for Israel s unfolding drama of redemption Drawing inspiration from past acts in that drama and invoking fresh words from its divine author these prophets speak a language of sinewed poetry their words and images arresting the ear and detonating in the mind For when Yahweh roars from Zion and thunders from Jerusalem the pastures of the shepherds dry up the crest of Carmel withers and the prophetic word buffets those selling the needy for a pair of sandals The *Dictionary of the Old Testament Prophets* is the only reference book of its kind Not only does it focus exclusively on the prophetic books it also plumbs their imagery of mountains and wilderness flora and fauna temple and Zion It maps and guides us through topics such as covenant and law exile and deliverance forgiveness and repentance and the Day of the Lord Here the nature of prophecy is searched out in its social historical literary and psychological dimensions as well as its synchronic spread of textual links and associations And the formation of the prophetic books into their canonical collection including the Book of the Twelve is explored and weighed for its significance Then too contemporary approaches such as canonical criticism conversation analysis editorial redaction criticism feminist interpretation literary approaches and rhetorical criticism are summed up and assayed Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament

Elijah Among Us John Loren Sandford, 2002-06-01 Twenty five years after the release of his ground breaking book *The Elijah Task* co authored with his wife Paula a sequel comes from the powerful pen of John Sandford In *Elijah Among Us* he outlines a biblically rooted discussion of prophetic history and functioning both how to instruct prophets and commission their office and how to inform the church about prophetic ministry Sandford wrote this follow up book because he sees a strong and even dangerous overemphasis in the church on the giving of personal words which is only one role of the prophetic office The first section of this book develops a history of the prophetic office how the office metamorphosed from one of warning into proclaiming God s gentle and merciful side and becoming burden bearers Second Sandford sets forth the

working functions of prophets explaining how they serve in twelve major roles including bringing blessings healing warning of impending judgment giving protection from tragedies and offering direction guidance or confirmation Readers will gain crucial knowledge of a widely misunderstood topic helping them be discerning in these strategic end times Authoritative and compelling Elijah Among Us is a timely and vital work for the Body of Christ      **Handbook of the Old Testament**

**Prophets** James Manthey,2016-05-10 What do the Old Testament prophets have to say about Jesus Christ our salvation through Christ our relationship with God because of all that Christ has done for us They have much to say and this should be our focus Look everywhere here and you will find many hints of the Messiah the Meshiach as Hebrew pronounces the word The question may be asked Is there a way to present the great prophecies of the Bible in a way that causes us to grasp better the essentials and capture some of the beauty and majesty God s spokesmen must have felt when writing The Lord has moved me I believe to generate a format that displays the truths of Scripture in such a way With the Spirit s help our heightened curiosity will more likely bear fruit leading to further study and discussion My prayer is that the Spirit will work through the suggestions here to lead the reader to a place of self discovery going hand in hand with a closer relationship to Jesus      *The Prophetic Revolution* Omaudi Reid,2019-09-28 God s desire to fill the earth with the knowledge of His glory is causing an explosive manifestation of the prophetic gift across the world This prophetic explosion manifests among all ages cultures backgrounds and sexes Beyond the clergy laymen women boys and girls are operating in the gift of prophecy and receiving prophetic revelations Fulfilling the prophecy of Joel 2 28 of a worldwide outpouring of His Spirit a prophetic revolution is taking place God is setting up an army of lay prophets in every region of the earth to ignite revival Bishop Reid expounds on the significance of this revolution and how you and your church can be a part of it      *The Prophetic (in Christ)* Catherine Brown,2025-03-15 The Prophetic in Christ is a practical teaching book using the Scriptures what I have learned in 27 years of ministry in churches throughout the nations my experience as a mentor and discipler my experience as a founding director and team member of our ministry and my ministry knowledge as a servant apostle who teaches and preaches the Word of God and occasionally has dreams operates in discernment and prophesies I will be sharing teaching from Scripture ministry experience and testimonies and along the way we will examine in much more detail the gift of prophecy the culture of prophecy within the New Testament the role of New Testament prophecy and prophets and how prophets can work together with apostles and other fivefold ministry gifts Most importantly we will comprehend the importance of revelation which Apostle Paul defines separately from prophecy see 1 Corinthians 14 6 Through this process we will lay a foundation of Scriptural truth and Christological application that will help to bring the church into alignment with God s heart concerning the gift of prophecy It s supernatural The five offices or ascension gifts that Apostle Paul speaks of in Ephesians Chapter 4 verse 11 are given for the work of the ministry and to mature the church our greatest ministry here on earth is to know Christ and to make Christ known On this positive and thought provoking foundation let s take a deep

**Monday Morning Preacher** Roger Loomis, 2022-04-14 Both pastors and

local churches in today's America are facing unprecedented challenges Church attendance continues to decline with the average evangelical church now at 80 The reasons are multi faceted COVID 19 a growing anti Christian sentiment and of course Satan who is the Church's most formidable enemy However many leave local churches due to in house issues that often go unidentified and overlooked Monday Morning Preacher discusses forty potential reasons most of them not talked about in Bible schools or seminaries Pastors are often left to navigate troubled waters alone and unsure Churches in general need a heads up regarding the many potentially problematic issues that surface and that precipitate back door exits Like Monday morning quarterbacks who review their post game strategies pastors need to revisit their Sunday morning service on Monday to celebrate their wins and to identify potential in house issues that need wise and righteous attention To identify and righteously confront these issues will mean healthier churches where perpetuity is assured Every pastor inexperienced or seasoned can benefit from Monday Morning Preacher and hopefully avoid some of the pitfalls that confront all pastors at some time during their ministry The chapters are brief and insightful all followed by questions that provide additional food for thought Pertinent observations and solutions are based on churches of less than two hundred However all pastors other church leaders and congregants can benefit from these insights that follow forty three years of pastoral ministry The evangelical world needs to read Monday Morning Preacher

Charles R. Harrell, 2011-08-05 The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose Early Mormons like their early Christian and even earlier Israelite predecessors brought with them their own varied culturally conditioned theological presuppositions a process of convergence and only later acquired a more distinctive theological outlook a process of differentiation In this first of its kind comprehensive treatment of the development of Mormon theology Charles Harrell traces the history of Latter day Saint doctrines from the times of the Old Testament to the present He describes how Mormonism has carried on the tradition of the biblical authors early Christians and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures In the process he probes three questions How did Mormon doctrines develop What are the scriptural underpinnings of these doctrines And what do critical scholars make
