The Nature of Love Thomas Jay Oord, 2010-04-01 God is love Consequently shouldn t love exist at the center of Christian theology When love is at the center theology is understood differently than it has typically been understood Some theologians have placed faith at the center others God s sovereignty still others the Church but Dr Oord places the emphasis on love God s love for us revealed in Christ in the Church and in creation and our love for God and others as ourselves must be afforded its rightful place Beginning with the foundation of love is what differentiates the

Christian faith from others a loving God Dr Oord defines love as To love is to act intentionally in sympathetic empathetic response to God and others to promote overall well being Is this not what has defined Christians throughout history [Show Me Your Glory](#) Rebecca G. S. Idestrom,2023-02-10 What does Scripture mean when it speaks of the glory of God The answer to this question is not as straightforward as we might think In Show Me Your Glory Rebecca Idestrom invites the reader on a journey to discover what the Old Testament teaches us about God s glory While exploring this biblical theme she examines various scriptural passages about the glory of the LORD within their larger narrative context in each biblical book She also considers the different key words used for glory as well as the many diverse images and themes connected to God s glory This thematic investigation demonstrates that the Old Testament Scriptures present a deeply profound and multifaceted portrait of the glory of God Although it is impossible to fully capture what the Bible says about God s majestic glory Show Me Your Glory yields many wonderful insights into its depiction meaning and significance resulting in a deep and rich biblical theology of divine glory *Sealed with an Oath* Paul R. Anne Clements,2014-05-01 The Gospel of Matthew opens with a patrilineal genealogy of Jesus that intriguingly includes five women Tamar Rahab Ruth she of Uriah and Mary In a gospel that has a strongly Jewish and male orientated outlook why are women incorporated In particular why include these four Old Testament women alongside Mary Rejecting traditional as well as feminist views Anne Clements undertakes a close literary reading of the narratives to discern how each woman is characterized and presented All are significant scriptural figures on the margins of Israelite society From this intertextual world established by Matthew Clements explores why Matthew may have named these women in the opening genealogy and what implications their inclusion may have for the ongoing gospel narrative Mothers on the Margin argues that Matthew s Gospel contains a counter narrative focused on women The presence of the five women in the genealogy indicates that the birth of the Messiah will bring about a crisis in Israel s identity in terms of ethnicity marginality and gender The women signal that Matthew s Gospel is concerned with the construal of a new identity for the people of God [The Message of the Word of God](#) Tim Meadowcroft,2011-11-14 What does the Bible say about itself Before this question can be addressed Tim Meadowcroft argues we have to address the wider notion that God speaks Accordingly Meadowcroft offers fresh wide ranging expositions of key passages in both Testaments on the character and power of God s word **Biblical Theology** James K.
