
INTRODUCTION

This Operator's Manual is presented to furnish you with necessary information for operating and maintaining your tractor. Its primary purpose is to assist you in lubricating and adjusting the tractor for daily and seasonal operation. We especially wish to call your attention to the many safety slogans listed in this manual. Although your tractor is designed with the safety of operation in mind, possibilities of accidents cannot be completely eliminated until you understand and practice all safety precautions.

Timely service saves costly repairs and valuable time lost because of breakdowns. Whenever it becomes necessary to make **REPAIRS** or **REPLACEMENTS** on your tractor, be sure to insist on **GENUINE PARTS**. These parts are designed specifically for your tractor under controlled specifications to give satisfaction and long lasting service to which you are entitled. **YOUR DEALER CAN SUPPLY YOU WITH PARTS YOU REQUIRE.** For additional information consult your dealer.
