NEW YORK—The U.S. Justice Dept. announced today that it has filed criminal charges against a number of individuals and groups for their alleged involvement in the 1992 election. The charges are the first in a series of actions taken by the department to combat the activities of the Black Panther Party (BPP) and its affiliates. The charges are based on evidence that the BPP and its affiliates engaged in a campaign of violence and intimidation to overthrow the government and establish a communist state in the United States. The charges are also based on evidence that the BPP and its affiliates engaged in a campaign of violence and intimidation to overthrow the government and establish a communist state in the United States. The charges are also based on evidence that the BPP and its affiliates engaged in a campaign of violence and intimidation to overthrow the government and establish a communist state in the United States.

Abstract To assess the accuracy of the widely used *in vitro* method of measuring the thermal stability of dental composites, 10 brands of composites were tested using a thermogravimetric analyzer (TGA) and a thermogravimetric analyzer (TGA) and a thermogravimetric analyzer (TGA). The results showed that the TGA method was more accurate than the *in vitro* method.
