Omega An Urban Fantasy Novel War Of The Alphas 1:

Omega Sara Marie Reine, 2015-03-18 Ten years ago Deirdre Tombs died When she was reborn the next day Deirdre had become a shapeshifter who can't shift shapes Nobody knows what animal she's supposed to be She's definitely not a werewolf The Alpha Rylie Gresham can't force her to transform like other members of her pack Now Deirdre is considered an omega the weakest shapeshifter in the pack a vulnerable position when Everton Stark demands tribute from Rylie He wants to be the dominant Alpha The only Alpha And he plans to make her pack submit whether they want to or not Stark can make every shapeshifter obey him by force of will alone Every shapeshifter except Deirdre The shifter who can't shift is the only hope for Rylie to win the war against Stark It will take everything Deirdre has to survive undercover in his den But can an omega's will be stronger than that of a charismatic deadly Alpha like Everton Stark Page 4 of cover **Alpha S. M.**

Reine, 2016-09-16 No longer an Omega Deirdre Tombs has found her animal She only had to die and rise from her own ashes to discover it And she's returned with a purpose For the first time in history the role of Alpha is up for election If Everton Stark took charge he would disband the ruthless government organization that has made life miserable for shifters like Deirdre One problem Stark doesn't want to run He only wants vengeance against his wife Rhiannon who killed many of his followers and stole the Ethereal Blade While Stark is focused on revenge Rhiannon is focused on winning the election for Alpha Victory means tearing the Winter Court apart with civil war It means riots It means unleashing a deadly unseelie assassin that devours souls Anything to get her dragon shifter mate in power with Rhiannon at his side **Second Coming**

SM Reine, 2022-12-16 Elise Kavanagh was once known as the Godslayer a woman born to kill Adam a man become God But she defeated him and stepped into his role taking her lifelong partner into the pantheon with her Now she must navigate her mortal goals with her divine life beginning with substantiating into an avatar to have James Faulkner's baby and ending with vengeance Book 8 of the Ascension Series **Living the Revolution** Andy Willimott, 2017 Living the Revolution offers a pioneering insight into the world of the early Soviet activist At the heart of this book are a cast of fiery-eyed, bed-headed youths determined to be the change they wanted to see in the world First banding together in the wake of the October Revolution seizing hold of urban apartments youthful enthusiasts tried to offer practical examples of socialist living Calling themselves urban communes they embraced total equality and shared everything from money to underwear They actively sought to overturn the traditional family unit reinvent domesticity and promote a new collective vision of human interaction A trend was set a revolutionary meme that would in the coming years allow thousands of would-be revolutionaries and aspiring party members to experiment with the possibilities of socialism The first definitive account of the urban communes and the activists that formed them this volume utilizes newly uncovered archival materials to chart the rise and fall of this revolutionary impulse Laced with personal detail it illuminates the thoughts and aspirations of individual activists as the idea of the urban commune grew from an experimental form of living limited to a handful of participants in Petrograd and

Moscow into a cultural phenomenon that saw tens of thousands of youths form their own domestic units of socialist living by the end of the 1920s Living the Revolution is a tale of revolutionary aspiration appropriation and participation at the ground level Never officially sanctioned by the party the urban communes challenge our traditional understanding of the early Soviet state presenting Soviet ideology as something that could both frame and fire the imagination Games & Puzzles ,1979
