On Animals Volume I Systematic Theology:

On Animals David L. Clough, 2012-02-02 This volume is a project in systematic theology a rigorous engagement with the Christian tradition in relation to animals under the doctrinal headings of creation reconciliation and redemption and in dialogue with the Bible and theological voices central to the tradition The book shows that such engagement with the tradition with the question of the animal in mind produces surprising answers that challenge modern anthropocentric assumptions For the most part therefore the novelty of the project lies in the questions raised rather than the proposal of innovative answers to it The transformation in our thinking about animals for which the book argues results in the main from looking squarely for the first time at the sum of what we are already committed to believing about other animals and their place in God's creation

On Animals David L. On Animals David L. Clough, 2020-06-11 This book presents an authoritative and comprehensive survey of human practice in relation to other animals together with a Christian ethical analysis building on the theological account of animals which David Clough developed in *On Animals Volume I Systematic Theology* 2012 It argues that a Christian understanding of other animals has radical implications for their treatment by humans with the human use and abuse of non human animals for food the most urgent immediate priority Following an introduction examining the task of theological ethics in relation to non human animals and the way it relates to other accounts of animal ethics this book surveys and assesses the use humans make of other animals for food for clothing for labour as research subjects for sport and entertainment as pets or companions and human impacts on wild animals The result is both a state of the art account of what humans are doing to other animals and a persuasive argument that Christians in particular have strong faith based reasons to acknowledge the significance of the issues raised and change their practice in response

On Animals David L. Clough, 2018-12-27 This book presents an authoritative and comprehensive survey of human practice in relation to other animals together with a Christian ethical analysis building on the theological account of animals which David Clough developed in *On Animals Volume I Systematic Theology* 2012 It argues that a Christian understanding of other animals has radical implications for their treatment by humans with the human use and abuse of non human animals for food the most urgent immediate priority Following an introduction examining the task of theological ethics in relation to non

human animals and the way it relates to other accounts of animal ethics this book surveys and assess the use humans make of other animals for food for clothing for labour as research subjects for sport and entertainment as pets or companions and human impacts on wild animals The result is both a state of the art account of what humans are doing to other animals and a persuasive argument that Christians in particular have strong faith based reasons to acknowledge the significance of the issues raised and change their practice in response

Animals and Animality in the Babylonian Talmud Beth A. Berkowitz, 2018-04-19 This book offers new perspectives on animals and animality from the vantage point of the rabbis of the Babylonian Talmud

Animals in the Writings of C. S. Lewis Michael J. Gilmour, 2017-09-19 This book examines C S Lewis s writings about animals and the theological bases of his opposition to vivisection and other cruelties It argues Genesis is central to many of these ethical musings and the book s organization reflects this It treats in turn Lewis s creative approaches to the Garden of Eden humanity s dominion over the earth and the loss of paradise with all the catastrophic consequences for animals it presaged The book closes looking at Lewis s vision of a more inclusive community Though he left no comprehensive summary of his ideas the Narnia adventures and science fiction trilogy scattered poems and his popular theology inspire affection and sympathy for the nonhuman This study challenges scholars to reassess Lewis as not only a literary critic and children s author but also an animal theologian of consequence though there is much here for all fans of Mr Bultitude and Reepicheep to explore

Ecotheology in the Humanities Melissa Brotton, 2016-05-20 This book is a collection of essays about the interaction between God humans and nature in the context of the environmental challenges and Biblical studies Chapters include topics on creation care and Sabbath sacramental approaches to earth care classical and medieval cosmologies ecotheodicy how we understand the problem of nonhuman suffering in a world controlled by a good God ecojustice and how humans help to alleviate nonhuman suffering The book seeks to provide a way to understand Judeo Christian perspectives on human to nonhuman interaction through Biblical literary cultural film and music studies and as such offers an interdisciplinary approach with emphasis on the humanities which provides a broader platform for ecotheology

T&T Clark Handbook of the Doctrine of Creation, 2024-03-07 The T how the doctrine of creation informs and is informed by various dogmatic commitments and how the doctrine of creation relates to a range of human concerns and activities The Handbook represents a celebration of fascination with bewilderment at lament about and hope for all that is and serves as a scholarly innovative and constructive reference for those interested in attending to what Christian belief has to contribute to thinking about and living with the mysterious existence named creation

Mobilizing Traditions in the First Wave of the British Animal Defense Movement Chien-hui Li, 2019-06-11 This book explores the British animal defense movement s mobilization of the cultural and intellectual traditions of its time from Christianity and literature to natural history evolutionism and political radicalism in its struggle for the cause of animals in the nineteenth and

early twentieth centuries Each chapter examines the process whereby the animal protection movement interpreted and drew upon varied intellectual moral and cultural resources in order to achieve its manifold objectives participate in the ongoing re creation of the current traditions of thought and re shape human animal relations in wider society Placing at its center of analysis the movement s mediating power in relation to its surrounding traditions Li s original perspective uncovers the oft ignored cultural work of the movement whilst restoring its agency in explaining social change Looking forward it points at the same time to the potential of all traditions through ongoing mobilization to effect change in the human animal relations of the future

Faithful Living Michael Leyden,2019-12-31 How can the things we do and say in Church impact our lives and shape the decisions we make on a daily basis What kind of life is implied for people who believe the things that Christians believe Faithful Living attempts to think through these questions and considers the formational impact worship can have on Christian ethics and therefore on the lives of Christian disciples It focuses on one of the Church s regular practices reciting the Nicene Creed and offers an ethical commentary on the Creed s key ideas and themes challenging Christians from all traditions to think through their faith in order to live faith fully before God In so doing it seeks to hold Christian belief and practice what are often more formally called doctrine and practice together Each chapter addresses one clause from the Creed attending to its theological meaning before turning to the ethical implications associated with it Topics include community food politics disability suffering hope discernment and catechesis

Animals as Religious Subjects Celia Deane-Drummond,Rebecca Artinian-Kaiser,David L. Clough,2013-08-01 This book examines one of the most pressing cultural concerns that surfaced in the last decade the question of the place and significance of the animal This collection of essays represents the outcome of various conversations regarding animal studies and shows multidisciplinarity at its very best namely a rigorous approach within one discipline in conversation with others around a common theme The contributors discuss the most relevant disciplines regarding this conversation namely philosophy anthropology religious studies theology history of religions archaeology and cultural studies The first section Thinking about Animals explores philosophical anthropological and religious perspectives raising general questions about the human perception of animals and its crucial cultural significance The second section explores the intriguing topic of the way animals have been used historically as religious symbols and in religious rituals The third section re examines some Christian theological and biblical approaches to animals in the light of current concerns The final section extends the implications of traditional views about other animals to more specific ethical theories and practices

The Routledge Handbook of Religion and Animal Ethics Andrew Linzey,Clair Linzey,2018-09-29 The ethical treatment of non human animals is an increasingly significant issue directly affecting how people share the planet with other creatures and visualize themselves within the natural world The Routledge Handbook of Religion and Animal Ethics is a key reference source in this area looking specifically at the role religion plays in the formation of ethics around these concerns Featuring thirty five chapters by a team of international contributors the

handbook is divided into two parts The first gives an overview of fifteen of the major world religions attitudes towards animal ethics and protection The second features five sections addressing the following topics Human Interaction with Animals Killing and Exploitation Religious and Secular Law Evil and Theodicy Souls and Afterlife This handbook demonstrates that religious traditions despite often being anthropocentric do have much to offer to those seeking a framework for a more enlightened relationship between humans and non human animals As such *The Routledge Handbook of Religion and Animal Ethics* is essential reading for students and researchers in religious studies theology and animal ethics as well as those studying the philosophy of religion and ethics more generally

A Heaven for Animals Christopher Steck,2025-09-02 A transformative perspective on animal afterlife bridging theological reflection and moral action What happens to our beloved companion animals after death Do they and other animals have a place in the divine plan *A Heaven for Animals* offers a groundbreaking theological rationale for the inclusion of animals in heaven challenging conventional thinking about the role animals have in God s plan Based on Biblical evidence and the doctrine of the Catholic Church Christopher Steck reveals a radical vision of divine grace that extends far beyond human centric perspectives demonstrating how animals are intrinsically part of Christ s redemptive work Accessible to both theological scholars and thoughtful readers seeking deeper spiritual insights this book provides a rigorous and compassionate framework for understanding the sacredness of all creation and the creatures within it *A Heaven for Animals* invites readers to reimagine their ethical responsibilities suggesting that our treatment of animals should strive to reflect an anticipatory vision of God s inclusive kingdom a transformative perspective that bridges theological reflection and moral action

A New Introduction to Theology Richard Bourne,Imogen Adkins,2020-09-17 Encountering theology for the first time is exciting but it can also be daunting Some struggle to connect with doctrinal discussion they perceive to be abstract or abstruse Others may find the scope of theology and the connections between different theological issues dizzying In order to address these difficulties and keep the initial excitement alive *A New Introduction to Theology* offers a range of accessible practical experiential and interactive encounters with the major elements of academic Christian theology The guiding motif of this book is the claim that theology is full bodied thought The phrase full bodied shows both the richness of the experience of theology and its nature as a thoroughly embodied encounter with ways of knowing God and God s ways with the world This motif allows the authors to bring together topics ranging from theology through the arts sexuality and the body and the nature of the church s everyday life to mystical theology spirituality political action and ecology Working imaginatively with the five senses and the notions of loving and resting each chapter provides a range of activities guided discussions and reflections on key theological texts authors and issues This is a unique introduction to the key innovative and interdisciplinary elements from contemporary theology ideal for individual reflection classroom work or flexible and distributed learning

Barth and Ecotheology Adrian Langdon,2025-03-31 *Barth and Ecotheology* offers a critical and constructive reading of Karl Barth s theology in the context of the Anthropocene It reflects

on how a contemporary doctrine of creation must be broad enough to address issues such as climate change colonialism and racism sexism as well as integrating modern science Such a theology would resist the human domination of nature and the various forms of displacement occurring in modernity With Barth the author contends that a theology of creation grounded in the self revelation of God in Jesus Christ is the best place to rethink what it means to be human and to exist within the community of creation Nevertheless if we are to affirm the livingness of the world creaturely differences and a central place for land and place then critical additions to Barth are needed To accomplish this the book provides constructive reinterpretations of Barth s theological method doctrine of God creation by the Word and Spirit anthropology and reconciliation What emerges is a vision of the triune God of love as the source and ground of all that is Along the way Barth is brought into dialogue with ecotheology as well as theologians such as Wolfhart Pannenberg Dietrich Bonhoeffer and Bruce McCormack The volume will be of particular interest to theologians focused on the doctrine of creation ecotheology and Barth studies

Ecotheology and Nonhuman Ethics in Society Melissa Brotton, 2016-11-30 This book promotes Christian ecology and animal ethics from the perspectives of the Bible science and the Judeo Christian tradition In an age of climate change how do we protect species and individual animals Does it matter how we treat bugs How does understanding the Trinity and Christ s self emptying nature help us to be more responsible earth caretakers What do Christian ethics have to do with hunting How do the Foxfire books of Southern Appalachia help us to love a place Does ecology need a place at the pulpit and in hymns How do Catholic approaches past and present help us appreciate and respond to the created world Finally how does Jesus respond to humans nonhumans and environmental concerns in the Gospel of Mark

T&T Clark Companion to Atonement Adam J. Johnson, 2017-07-27 The T T Clark Companion to Atonement establishes a vision for the doctrine of the atonement as a unified yet extraordinarily rich event calling for the church s full appropriation Most edited volumes on this doctrine focus on one aspect of the work of Christ for example Girard Feminist thought Penal Substitution or divine violence The Companion is unique in that every essay seeks to both appropriate and stimulate the church s understanding of the manifold nature of Christ s death and resurrection The essays are divided into four main sections 1 dogmatic location 2 chapters on the Old and New Testaments 3 major theologians and 4 contemporary developments The first set of essays explore the inter relationship between the atonement and other Christian doctrines for example Trinity Christology and Pneumatology opening up yet further avenues of inquiry Essays on key theologians eschew reductionism striving to bring out the nuances and breadth of the contribution The same is true of the biblical essays The final section explores more recent developments within the doctrine for example the work of Rene Girard and the ongoing reflection on Holy Saturday The book is comprised of 18 major essays and an A Z section containing shorter dictionary length entries on a much broader range of topics The result is a combination of in depth analysis and breadth of scope making this a benchmark work for further studies in the doctrine

The Oxford Handbook of the Bible and Ecology Hilary Marlow, Mark Harris, 2022 Does the Bible have

anything to contribute to contemporary concerns about the environment This collection of essays on the Bible and ecology explores biblical texts and their interpretation in the light of ecological issues The handbook covers a number of political and ethical issues as well as offering detailed exploration of individual Bible books It discusses a number of controversial views including whether the Judeo Christian tradition has contributed to the environmental crisis and how the Bible is used by climate change deniers

The Lost Sheep in Philosophy of Religion Blake Hereth, Kevin Timpe, 2019-09-04

Contemporary research in philosophy of religion is dominated by traditional problems such as the nature of evil arguments against theism issues of foreknowledge and freedom the divine attributes and religious pluralism This volume instead focuses on unrepresented and underrepresented issues in the discipline The essays address how issues like race sexual orientation gender identity disability feminist and pantheist conceptions of the divine and nonhuman animals connect to existing issues in philosophy of religion By staking out new avenues for future research this book will be of interest to a wide range of scholars in analytic philosophy of religion and analytic philosophical theology
