On Becoming an Artist Amy J. Wolf, 2010 Foreword by Jenny Dixon Text by Amy Wolf **Isamu Noguchi** Caroline Tiger, 2009 Born in 1904 to an American mother and a Japanese poet father Isamu Noguchi split his childhood and adolescence between two countries in which he never felt he belonged But creating art made him feel at home and Noguchi traveled the world and worked with some of the most renowned artists of the 20th century The ingenious ways he blended both his American and Japanese heritages into sculpture furniture stage sets and public gardens made Noguchi a world renowned artist This detailed biography examines how Isamu Noguchi was able to nurture his artistic vision and in turn mold a striking aesthetic legacy **The Life of Isamu Noguchi** Masayo Duus, 2006-11-05 Isamu Noguchi born in Los

Angeles as the illegitimate son of an American mother and a Japanese poet father was one of the most prolific yet enigmatic figures in the history of twentieth century American art Throughout his life Noguchi 1904 1988 grappled with the ambiguity of his identity as an artist caught up in two cultures His personal struggles as well as his many personal triumphs are vividly chronicled in *The Life of Isamu Noguchi* the first full length biography of this remarkable artist Published in connection with the centennial of the artist's birth the book draws on Noguchi's letters his reminiscences and interviews with his friends and colleagues to cast new light on his youth his creativity and his relationships During his sixty year career there was hardly a genre that Noguchi failed to explore He produced more than 2 500 works of sculpture designed furniture lamps and stage sets created dramatic public gardens all over the world and pioneered the development of environmental art After studying in Paris where he befriended Alexander Calder and worked as an assistant to Constantin Brancusi he became an ardent advocate for abstract sculpture Noguchi's private life was no less passionate than his artistic career The book describes his romances with many women among them the dancer Ruth Page the painter Frida Kahlo and the writer Anaïs Nin Despite his fame Noguchi always felt himself an outsider With my double nationality and my double upbringing where was my home he once wrote Where were my affections Where my identity Never entirely comfortable in the New York art world he inevitably returned to his father's homeland where he had spent a troubled childhood This prize winning biography first published in Japanese traces Isamu Noguchi's lifelong journey across these artistic and cultural borders in search of his personal identity
