*Understanding The Apocalypse* Father Aquinas, 2012 Join with us as we look into some of the mysteries of the Apocalypse To The Reader Many interpretations have been attempted in understanding the Book of Revelation What is meant by The Revelation of Jesus Christ Apoc 1 1 Seal up the words Why are the words sealed to unbelievers and to the incredulous Why are the words open to those very few who believe Who are the seven kings Who is the eighth king What does it mean by Blessed are they that wash their robes in the Blood of the Lamb that they may have a right to the Tree of Life and may enter in by the gates into The City Apoc 22 14 Saint John saw the Holy City the New Jerusalem coming down out of Heaven from God Apoc 21 2 Because he saw this then the question arises Did Saint John write this prophecy in the 21st Century looking back on time Join with us as we look into some of the mysteries of the Apocalypse **The Apocalypse** Joseph A. Seiss, This

work affirms the centrality of Jesus and His coming work of retribution and reward as the keys to understanding Revelation

*Bible Versus Science* Tiebet Joshua, 2015-08-21 The Bible is generally believed to be the very word of God that is words that were spoken by God at different ages through different people and mediums for the benefit of man For this reason its contents are taken to be sacred true and enduring forever Hence the thought of doing intensive academic works on the various positions of the Bible is hardly done This is perhaps to avoid questioning the words of God You either believe the Bible to be true or question it and be looked upon as an unbeliever On the other hand and unlike religion where one has to believe before seeing because God has said it even when you are not sure that it is God that had said it science is seeing before believing Science is a fact that has been tested and proven to be true with the ways and methods of carrying out the tests or experiments clearly written down for anyone who cares to try the process
