and Theology      **Revealing the Heart of Prayer** Craig G. Bartholomew, 2016-10-05 See Luke's Gospel anew through the lens of prayer In *Revealing the Heart of Prayer* Craig G. Bartholomew helps us see how to live and participate effectively in God's mission by looking to Jesus as an example for how we should pray      **Gregory of Nazianzus (Foundations of Theological Exegesis and Christian Spirituality)** Brian Matz, 2016-10-18 An Accessible Introduction to Gregory of Nazianzus Brian Matz, a respected scholar of the history of Christianity, provides an accessible and erudite introduction to the thought of fourth-century church father Gregory of Nazianzus. Matz explores Gregory's homilies, especially those that reveal Gregory's affirmation of the full deity of the Holy Spirit and shows the importance of Gregory's work for contemporary theology and spirituality. This work demonstrates a patristic approach to reading the Bible and promotes a vision for the Christian life that is theological, pastoral, and philosophical. Gregory of Nazianzus is the fourth book in a series on the church fathers edited by Hans Boersma and Matthew Levering      *The Cappadocian Mothers* Carla D. Sunberg, 2018-01-01 The Cappadocian Fathers had great influence on the church of the fourth century, having brought their passion for Christ and theological expertise to life in their ministry. Their work was not devoid of influence, including that of their immediate family members. Within their writings, we uncover the lives of seven women, the Cappadocian Mothers, who may have had more influence on the theology of the church than previously believed. As the Cappadocians wrestle with the Christianization of the concept of deification, we find the women in their lives becoming models for their theological understanding. The lives of the women become points of intersection in the kenosis-theosis parabola. Not only are the Cappadocian Mothers uncovered in the texts, but they become models of an optimistic theology of restoration for all of humanity without constraint of gender      *Sin, the Human Predicament, and Salvation in the Gospel of John* Mathew E. Sousa, 2021-08-12 Mathew E. Sousa demonstrates that in certain respects, John's doctrine of salvation fails to align with its customary depiction in Johannine scholarship. Sousa suggests that, according to John, the human predicament is not merely unbelief or a lack of mental perception, and Jesus's mission consists not merely of revelation and/or a purely forensic atonement. Rather, Jesus is for John the one who makes true and everlasting life an accomplished fact for humanity, and in doing so, Jesus reveals the true nature of the predicament from which he saves. Sousa argues that salvation in the Gospel of John concerns ethics and the quality or condition of human corporeality. The matters of sin and death, in particular, also make clear that, according to John, the human predicament is a reality that in various ways persists for believers as they both are and become children of God. Sousa thus concludes that salvation for John consists of far more than the emergence of belief in a moment of decision      *Cultural Sanctification* Stephen O. Presley, 2024-03-26 Christianity Today Award of Merit in Popular Theology 2025 The Gospel Coalition Book Award of Distinction in Cultural Apologetics 2024 How to keep faith in a culture hostile to Christianity. In an increasingly secular world, Christians are often pulled in two directions. Some urge us to retreat and build insular communities. Others call upon us to wage a culture war, harnessing the government to shore up Christian cultural power. But there is another way, and

it is as old as the church itself Stephen O Presley takes us back to the first few centuries AD to show us how the first Christians approached cultural engagement Amid a pagan culture that regarded their faith with suspicion early Christians founded a religious movement that transformed the ancient world Looking to great theologians like Augustine Origen and Tertullian Presley shows how the early church approached politics family public life and more From these examples he draws lessons for practicing authentic pious discernment in how we engage with the wider culture The Christians who came before us endured persecution to share a vision of human flourishing that changed the world Following in their footsteps we can sanctify our society through social witness Readers anxious about shifting cultural tides will be left with hope in the already present kingdom of God and the promised resurrection

The Biblical Trinity Brandon D. Smith, 2023-05-24 The Trinity is God as revealed in the Bible The Bible doesn't give us a systematic statement of the doctrine of the Trinity But that doesn't mean the Trinity is not biblical In *The Biblical Trinity Encountering the Father Son and Holy Spirit in Scripture* Brandon D Smith proclaims the Trinity from the Bible The doctrine arises not from a handful of proof texts but from the fullness of what the Bible says about God Through short reflections on fifteen key New Testament passages Smith shows how God's word reveals the Trinity The book concludes with three rules for how to encounter the truth and beauty of our Triune God in all of Scripture

*Cooperative Salvation* Kathryn S. Eisenbise, 2014-12-05 Why did Jesus die What does it mean that Jesus died for our sins Christian theology has been wrestling with these questions for centuries and theologians have proposed lots of different answers and explanations in the form of theories of atonement But most of these theories fall short when confronted by a contemporary postmodern worldview Many of these models come out of orthodox rather than Free Church traditions so they also lack the distinctive elements that characterize Brethren ways of understanding God and the world The Church of the Brethren is well known for its acts of service and discipleship in the nonviolent model of Jesus but it has not produced much constructive theology *Cooperative Salvation* attempts to remedy this situation by proposing a constructive Brethren model of atonement It analyzes the diverse atonement models proposed throughout the Christian tradition noting where they prove inadequate To address the shortcomings of other models this work draws on important claims of historical Anabaptist and Brethren theology while also incorporating ideas from feminist liberation and process theology in order to construct an understanding of atonement that contributes a contemporary Brethren voice to the centuries long discussion of atonement

*An Introduction to Child Theology* James M. Houston, 2022-02-17 These essays in this book are pastoral and scholarly to encourage parents to nurture and foster Christian family life by learning from scripture and history The Bible in both testaments offers us stories that provide moral and spiritual substance to the nurture of the child and the family Beginning with the mythopoetic story of Adam and Eve and the fratricide of Abel by the envy of Cain the stories of the sacrifices parents made then moving on to the stories of Abraham and Isaac Ruth and her mother in law Hannah and her son Samuel Jeremiah the child prophet these stories form our moral imaginations Further for Christians they all augur the promise of the

Incarnation with the birth of Jesus to Mary and Joseph Then through the history of the Church the role of the Child is further unfolded It begins with Jesus teaching that to be as one of his disciples is to be a child This is so radical that the subsequent churches have found it hard to follow Perhaps one symbolic attempt was that of the monks cowl which is a child s garment and still worn in their monasteries The book even explores the way that Christian maturity is one of childlikeness *Nicaea for Today* Coleman M. Ford, Shawn Wilhite, 2025-09-15 Marking 1700 years since the Council of Nicaea this work brings its profound theological legacy to life for modern believers showing how Nicene theology deepens faith and illuminates the biblical narrative Grace and Social Ethics Angela Carpenter, 2024-12-17 Grace and Social Ethics demonstrates why the doctrine of grace has significant implications for social ethics and for Christian engagement with culture The book reframes Christian social ethics by illuminating how grace shapes human identity and community Angela Carpenter integrates theology and social science to articulate a vision of human persons as constituted by gift rather than merit This graced anthropology compellingly bridges theology and contemporary research on human dependence and mutuality Carpenter insightfully applies this graced identity to pressing issues in social ethics such as criminal justice labor practices and gun violence Scholars and students of theological ethics as well as pastors seeking resources for moral formation will find illuminating perspectives in this integrative work which situates social justice imperatives within God s gracious purposes

*Setting the Spiritual Clock* Paul Louis Metzger, 2020-11-15 Various Christian traditions mark their calendars to reflect the biblical and ecclesial narrative and enhance public worship Such efforts safeguard against secularization s encroachment in the church s life *Setting the Spiritual Clock* serves as a guide and traveling companion for the liturgical year which circles the glorious Son as he breaks through the secular eclipse

Schlesinger, 2019-10-01 In a context of scandal and decline the Christian church cannot afford to do business as usual It must regain its bearings and clarify its nature and purpose Sacrificing the Church provides this clarity by returning to the church s foundation Jesus Christ and him crucified It presents an ecclesiological vision in which every aspect of the church s life flows from and expresses the one sacrifice of Christ This sacrifice is the basis of every ecclesial experience the form and content of the church s life a life which shares in the eternal Trinitarian life of God By and as Christ s sacrifice we are introduced into the divine life This participation plays out in three key areas which set the church s agenda in the contemporary world its worship of God Mass mission to the world mission and efforts toward the unity of all people beginning with divided Christians ecumenism
