## **On The True Doctrine A Discourse Against The Christians:**

**On the True Doctrine: a Discourse Against the Christians** Aulus Cornelius Celsus, 1987      *On the True Doctrine: a Discourse Against the Christians* Aulus Cornelius Celsus, 1987      Hope's Reason: A Journal of Apologetics Vol. 1 No. 1 Stephen J. Bedard (editor), 2011-02-05 In an increasingly skeptical world there is now more of a need than ever for quality apologetic resources defending the Christian faith The purpose of this journal is to bridge the gap between the academy and the church equipping pastors and interested laypeople to present the Christian faith to an unbelieving world      **Studia Patristica** Jane Baun, 2010 Papers presented at the Fifteenth International Conference on Patristic Studies held in Oxford 2007 see also *Studia Patristica* 44 46 47 48 and 49 The successive sets of *Studia Patristica* contain papers delivered at the International Conferences on Patristic Studies which meet for a week once every four years in Oxford they are held under the aegis of the Theology Faculty of the University Members of these conferences come from all over the world and most offer papers These range over the whole field both East and West from the second century to a section on the *Nachleben* of the Fathers The majority are short papers dealing with some small and manageable point they raise and sometimes resolve questions about the authenticity of documents dates of events and such like and some unveil new texts The smaller number of longer papers put such matters into context and indicate wider trends The whole reflects the state of Patristic scholarship and demonstrates the vigour and popularity of the subject      **Emotions in Ancient and Medieval Philosophy** Simo Knuuttila, 2004 The first part of the book covers the theories of the emotions of Plato and Aristotle and later ancient views from Stoicism to Neoplatonism Ch 1 and their reception and transformation by early Christian thinkers from Clement and Origen to Gregory of Nyssa Cassian and Augustine Ch 2 The basic ancient alternatives were the compositional theories of Plato and Aristotle and their followers and the Stoic judgement theory These were associated with different conceptions of philosophical therapy Ancient theories were employed in early Christian discussions of sin Christian love mystical union and other forms of spiritual experience The most influential theological themes were the monastic idea of supernaturally caused feelings and Augustine's analysis of the relations between the emotions and the will The first part of Ch 3 deals with the twelfth century reception of ancient themes through monastic theological medical and philosophical literature The subject of the second part is the theory of emotions in Avicenna's faculty psychology which to a great extent dominated the philosophical discussion of emotions in early thirteenth century This approach was combined with Aristotelian ideas in later thirteenth century particularly in Thomas Aquinas extensive taxonomical theory The increasing interest in psychological voluntarism led many Franciscan authors to abandon the traditional view that emotions belong only to the lower psychosomatic level John Duns Scotus William Ockham and their followers argued that there are also emotions of the will Chapter 4 is about these new issues introduced in early fourteenth century discussions with some remarks on their influence on early modern thought      **A History of the Quests for the Historical Jesus, Volume 1** Colin Brown, Craig A.

Evans,2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today s biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer s famous Old Quest to today s ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One covers the period from the beginnings of Christianity to the end of World War II Volume Two sold separately covers the period from the post War era through contemporary debates The Mosaic of Christian Belief Roger E. Olson,2016-03-21 In this second edition of Roger E Olson s classic work he thematically traces the contours of Christian belief down through the ages revealing a pattern of both unity and diversity He finds a consensus of teaching that is both unitive and able to incorporate a faithful diversity when not forced into the molds of false either or alternatives

**On Illustrious Men (The Fathers of the Church, Volume 100)** Saint Jerome,2010-04 Often cited as a source of biographical information on ancient Christian authors On Illustrious Men provides St Jerome s personal evaluations of his forebears and contemporaries as well as catalogs of patristic writings known to him **Mary Magdalene from the New Testament to the New Age and Beyond** Edmondo F. Lupieri,2019-10-14 An international team of twenty scholars under Edmondo F Lupieri s direction produced Mary Magdalene from the New Testament to the New Age and Beyond While the historical figure of the Magdalene may be lost forever the construction of her literary images and their transformations and adaptations over the centuries are a lively testimony to human creativity and faith Different pictures of Mary travelled through time and space from history to legend and mythology crossed religious boundaries going beyond the various Christianities to become a sign of contradiction for many This book describes a special case of biblical reception history that of the New Testament figure of a woman whose presence at the side of Jesus has been disturbing for some but proves to be inspiring for others *Catholicism and Interreligious Dialogue* James Heft,2011-11-21 Each article is followed by a significant response from a member of the non Catholic faith community being addressed and by a response to the response

by the author of the article *The Social Worlds of Ancient Jews and Christians*, 2022-11-21 This volume contains fifteen essays in honor of L Michael White whose work has been influential in exploring the social histories of ancient Jews and Christians within the Graeco Roman world Following an introduction that highlights some of White s main scholarly contributions the essays are grouped into three topic areas Paul and his Legacy Social Relations and Material Culture The essays are united by an interest in reconstructing the social worlds of ancient Jews and Christians through careful analysis of literary sources and material culture in their most precise ancient contexts

**On the Resurrection, Volume 2** Gary Habermas, 2024-09-15 In *On the Resurrection Volume 2 Refutations* Gary Habermas offers detailed analyses and rebuttals of the alternate theories surrounding Jesus s resurrection This is the second volume of four in his magnum opus *On the Resurrection*

**The Earliest Christian Mission to "all Nations" in the Light of Matthew's Gospel** James LaGrand, 1999 This original work of scholarship clarifies how in light of Matthew s Gospel the first Christians understood and claimed Israel s messianic mission to people of every ethnic group immediately after Jesus death and resurrection

**Christian Perspectives on Transforming Interreligious Encounter** Peter C. Phan, Anh Q. Tran, 2024-05-15 *Christian Perspectives on Transforming Interreligious Encounter* underscores the urgency of interreligious dialogue for contemporary society aiming to foster interfaith understanding justice and peace The initial section focuses on novel approaches to engaging with the religious Other through non Christian sacred texts Contributors explore the Jewish Christian relationship offer Christian interpretations of Hindu Buddhist and Confucian scriptures and discuss the Qur an s potential to refine Christian theology The dangers of comparative theology are warned against and alternative perspectives such as Asian liberation theology are proposed for situating religion critically as well as share the insights on Christian engagement with Zen practice The second part explores the transformation of key Christian doctrines through interreligious encounters Contributors delve into topics such as the conditions for faith and divine revelation formulating a Christology in dialogue with Asian traditions and understanding the Spirit as a source of questioning They investigate the communitarian dimension of religious faith discuss the Catholic Church s stance on interreligious dialogue examine the role of biblical hermeneutics in decolonizing theology and reflect on the existential threat of ecological destruction The third part pays tribute to Leo Lefebure emphasizing his impact on Catholic theology and comparative theology and concludes with Lefebure

s epilogue providing him with the last word      **Mary and Early Christian Women** Ally Kateusz,2019-02-18 This book is open access under a CC BY NC ND license This book reveals exciting early Christian evidence that Mary was remembered as a powerful role model for women leaders women apostles baptizers and presiders at the ritual meal Early Christian art portrays Mary and other women clergy serving as deacon presbyter priest and bishop In addition the two oldest surviving artifacts to depict people at an altar table inside a real church depict women and men in a gender parallel liturgy inside two of the most important churches in Christendom Old Saint Peter s Basilica in Rome and the second Hagia Sophia in Constantinople Dr Kateusz s research brings to light centuries of censorship both ancient and modern and debunks the modern imagination that from the beginning only men were apostles and clergy      **The Early Christian World** Philip Esler,2017-07-20 Since its publication in 2000 The Early Christian World has come to be regarded by scholars students and the general reader as one of the most informative and accessible works in English on the origins development character and major figures of early Christianity In this new edition the strengths of the first edition are retained These include the book s attractive architecture that initially takes a reader through the context and historical development of early Christianity the essays in critical areas such as community formation everyday experience the intellectual and artistic heritage and external and internal challenges and the profiles on the most influential early Christian figures The book also preserves its strong stress on the social reality of early Christianity and continues its distinctive use of hundreds of illustrations and maps to bring that world to life Yet the years that have passed since the first edition was published have seen great advances made in our understanding of early Christianity in its world This new edition fully reflects these developments and provides the reader with authoritative lively and up to date access to the early Christian world A quarter of the text is entirely new and the remaining essays have all been carefully revised and updated by their authors Some of the new material relates to Christian culture including book culture canonical and non canonical scriptures saints and hagiography and translation across cultures But there are also new essays on Jewish and Christian interaction in the early centuries ritual the New Testament in Roman Britain Manichaeism Pachomius the Great and Gregory of Nyssa This new edition will serve its readers for many years to come      The Resurrection of the Messiah Christopher Bryan,2011-04-05 Bryan combines literary historical and theological approaches in this study of the doctrine of the Resurrection Throughout he exhibits a willingness to face hard questions as well as an appropriate reverence for a faith that for almost two thousand years has enabled millions of people to lead lives of meaning and grace      **Resilient Faith** Gerald L. Sittser,2019-10-15 In our Western post Christendom society much of Christianity s cultural power privilege and influence has eroded But all is not lost says bestselling author Gerald Sittser Although the church is concerned and sobered by this cultural shift it is also curious and teachable Sittser shows how the early church offers wisdom for responding creatively to the West s increasing secularization The early Christian movement was surprisingly influential and successful in the Roman world and so different from its two main rivals traditional religion

and Judaism that Rome identified it as a third way Early Christians immersed themselves in the empire without significant accommodation to or isolation from the culture They confessed Jesus as Lord and formed disciples accordingly which helped the church grow in numbers and influence Sittser explores how Christians today can learn from this third way and respond faithfully creatively and winsomely to a world that sees Christianity as largely obsolete Each chapter introduces historical figures ancient texts practices and institutions to explain and explore the third way of the Jesus movement which surprising everyone changed the world
