Re-examining the Holocaust through Literature Aukje Kluge, Benn E. Williams, 2009-03-26 In the late 1980s Holocaust literature emerged as a provocative but poorly defined scholarly field The essays in this volume reflect the increasingly international and pluridisciplinary nature of this scholarship and the widening of the definition of Holocaust literature to include comic books fiction film and poetry as well as the more traditional diaries memoirs and journals Ten contributors from four countries engage issues of authenticity evangelicalism morality representation personal experience and wish fulfillment in Holocaust literature which have been the subject of controversies in the US Europe and the Middle East Of interest to students and instructors of antisemitism national and comparative literatures theater film history literary criticism religion and Holocaust studies this book also contains an extensive bibliography with references in over twenty languages which seeks to inspire further research in an international context

Teen Victims of the Nazi Regime Hallie

Murray, Linda Jacobs Altman, 2018-07-15 Though many teens and children did not fully understand what was happening in the early days of Adolf Hitler's reign they certainly felt the effects of anti-Semitism. Students in Nazified schools were forced to perform the Hitler salute every day and Jewish students were increasingly persecuted by teachers and peers alike. Friends turned against friends and there was enormous pressure on young Gentiles to adhere to Hitler's racist policies as Aryan teens were compelled and eventually forced to join the Hitler Youth or the League of German Girls. Students may find parallels between the pressure to conform in these groups and the echo chambers of social media. These stories of Nazi teens will spur discussion of the recruiting tactics and bonding rituals of racist groups in America today. **The Holocaust**

Norman J.W. Goda, 2022-05-02 The second edition of this book frames the Holocaust as a catastrophe emerging from varied international responses to the Jewish question during an age of global crisis and war. The chapters are arranged chronologically, thematically and geographically, reflecting how persecution responses and experience varied over time and place, conveying a sense of the Holocaust's complexity. Fully updated, this edition incorporates the past decade's scholarship concerning perpetrators, victims and bystanders from political, national and gendered perspectives. It also frames the Holocaust within the broader genocide perspective and within current debates on memory, politics and causation. Global in approach and supported by images, maps, diverse voices and suggestions for further reading, this is the ideal textbook for students of this catastrophic period in world history. **Hitler's Paratrooper**

Gilberto Villahermosa, 2010-07-30 A valuable study, a must read for everybody interested in the topic of German Fallschirmjäger in the Second World War. Volker Griesser, author of *The Lions of Carentan*, Rudolf Witzig entered the history books as the heroic captor of Belgium's supposedly impregnable fortress Eben Emael in May 1940, the first time that glider-borne troops were used in the war. To many people he is also known as the commander of the battle group that fired the first shots of the Tunisian campaign. Remarkably, next to nothing has been written about him as an individual. This biography, completed with the full support of Witzig's widow and son, is a comprehensive history of the man and also provides important new detail on the German parachute arm that he served. In the course of his service, Witzig was awarded the coveted Knight's Cross of the Iron Cross, even though he had not yet earned the Iron Crosses 2nd and 1st class. To resolve the problem, he was awarded all three on the spot. Witzig was involved in Operation Mercury, the invasion of Crete, but was injured during the fighting. After his recovery, he was sent to Tunisia, where he was credited with several successful defensive actions. He ended the war in captivity, surrendering to the Allies on May 8, 1945, the day after his name was placed on the Honour Roll of the Luftwaffe. A gripping biography providing a tough, gritty and compelling study of a German soldier. *Firetrench* A unique, well-written and impeccably researched account of the Third Reich's evolving fortunes as witnessed on numerous battlefronts by a highly decorated Fallschirmjäger officer. Mark J. Reardon, author of *Defending Fortress Europe*. Mrs Adolf Hitler Blaine Taylor, 2013-06-19 The year 2012 marks the centenary of Eva Braun's birth. This is the strange but true saga of her life, richly illustrated from her own personal

photograph albums as well as from other captured German archives She married German dictator Adolf Hitler but 36 hours before their joint suicides in Berlin on April 30 1945 in the last week of the Second World War in Europe This exciting pictorial biography tells the full story of a Catholic convent bred young woman not only as the secret mistress as many historians have painted her since her voluntary death at age 33 but also as Hitler's lawfully wedded wife even though she is still largely referred to today by her maiden name They met at a Munich photography shop in 1929 when she was but 17 and he was already 40 The true nature of their long relationship is fully explained in detail for the very first time she was heterosexual and he bisexual but the author concludes Eva most likely remained a virgin until the day she died Although many reports after the war claimed that he shot himself and that she took poison the official Russian autopsy of their partially burnt bodies asserted that both died by cyanide capsules despite the postwar testimony of all Hitler's closest aides lending even their deaths an air of mystery Who was she really The answers are here This fascinating gripping and tragic story of a pretty well liked middle class shop girl is of a life mainly lived in the iron shadow of history In death Eva Braun Hitler became and remains today a hundred years after her birth one of the most famous women in all of world history alongside such female luminaries as Joan of Arc Jacqueline Kennedy Onassis and Princess Diana Eva has been a figure shrouded in controversy misinformation myth and legend until now At long last the veil is lifted with over 300 photographs providing an extensive collection of imagery including a number of contemporary color shots Eva Braun had a lifelong passion for photography her close friends nicknamed her the Rolleiflex girl after a camera model and this is reflected in the array of imagery featured in this groundbreaking book

The Evil of Banality Elizabeth K. Minnich, 2024-10-08 In this expanded edition of *The Evil of Banality* Elizabeth Minnich argues for a tragic yet hopeful explanation of extensive evil her term for systematic normalized harm doing on the scale of genocide slavery sexualized dominance The book now includes a new preface new chapter and expanded afterword addressing ongoing extensive evils the paradox of lying and the importance of developing the thinking without which conscience remains mute Extensive evils are actually carried out not by psychopaths but by people like your quiet next door neighbor your ambitious colleagues There simply are not enough moral monsters to do the long hard work of extensive evils nor enough saints for extensive good In periods of extensive evil people little different from you and me do its work for no more than a better job a raise the house of the family disappeared last week So how can there be hope Such evils are neither mysterious nor demonic If we avoid romanticizing both the worst and best of which humans are capable we can recognize and say no to extensive evil practice and sustain extensive good where they must take root in ordinary lives

The Holocaust Norman Goda, 2016-11-03 *The Holocaust Europe the World and the Jews* is a readable text for undergraduate students containing sufficient but manageable detail The author provides a broad set of perspectives while emphasizing the Holocaust as a catastrophe emerging from an international Jewish question This text conveys a sense of the Holocaust's many moving parts It is arranged chronologically and geographically to reflect how

persecution experience and choices varied over different periods and places. Instructors may also take a thematic approach as the chapters have distinct sections on such topics as German decisions, Jewish responses, bystander reactions, and other themes.

Dark Lens Françoise Meltzer, 2021-12-05 This book draws on literature, painting, and a never before seen cache of photographs to explore the representation of catastrophe and the targeting of civilians in war. Focusing on images of Nazi Germany's bombed-out cities, the author connects the fraught aesthetics of ruins with the problem of how to acknowledge German suffering. Provided by publisher.

Anna at War Helen Peters, 2019-07-04 Moving and utterly enthralling. Lissa Evans. As life for German Jews becomes increasingly perilous, Anna's parents put her on a train leaving for England. But the war follows her to Kent, and soon Anna finds herself caught up in a web of betrayal and secrecy. How can she prove whose side she's on when she can't tell anyone the truth? But actions speak louder than words, and Anna has a dangerous plan. A brilliant and moving wartime adventure from the author of *Evie's Ghost*. Cover illustration by Daniela Terrazzini. Because I believed in Anna, her war came alive for me. Her struggle, her bravery, all those things were completely real, and I read the book overnight, unable to put it down. Magnificent, brilliant, heartbreaking.

Fleur Hitchcock, author of *Murder in Midwinter*. A fast-paced adventure whose elegant prose and cliffhanger chapters should keep even less confident readers gripped to the thrilling end. Emily Bearn, *Daily Telegraph*. It's a tale of bravery and loss that Helen Peters' *Evie's Ghost* sets out with the light touch that only rigorous research allows. Peters tells Anna's story of escape with great humanity, and this novel is an excellent way to whet young appetites for classics such as *When Hitler Stole Pink Rabbit* by Judith Kerr and *Carrie's War* by Nina Bawden. Alex O'Connell, *The Times Children's Book of the Week*. *Anna at War* is a gripping, moving piece of historical fiction.

Imogen Russell Williams, *Guardian*. Helen Peters balances adventure and intrigue with this emotional coming-of-age story. Emma Dunn and Sarah Mallon, *Scotsman*.

Understanding Organizational Change Jean Helms-Mills, Kelly Dye, Albert J Mills, 2008-09-10 This exciting new text fills the gap in the management literature on organizational change. It presents a balanced view which raises questions about the imperative of change: whose interests are being served? how do change programmes impact on employees and why do organizations continually engage in such programmes? It gives readers a comprehensive history of change management literature, types of change techniques over time (i.e. TQM, BPR, Balanced Scorecard, Six Sigma etc.), the role of management gurus in the rise and fall of management fashions, the impact of organizational change on organizational members. The authors provide case vignettes of companies from both sides of the Atlantic which have undergone some of the better known change techniques and explore the reasons for their successes and failures. This is an innovative and important new text for students of organizational behaviour, organizational change strategy, and HRM.

Comprehending Christian Zionism Gøran Gunner, Robert Owen Smith, 2014 The issue of Christian Zionism is one that is fiercely debated within theology, the church, politics, and society. *Comprehending Christian Zionism* brings together an international consortium of scholars and researchers to reflect on the network of issues and topics surrounding this

critical subject The volume provides a lens on the history of Zion *From Bear Rock Mountain* Antoine Bear Rock Mountain,2019-06-04 In this poetic poignant memoir Dene artist and social activist Antoine Mountain paints an unforgettable picture of his journey from residential school to art school and his path to healing In 1949 Antoine Mountain was born on the land near Radelie Koe Fort Good Hope Northwest Territories At the tender age of seven he was stolen away from his home and sent to a residential school run by the Roman Catholic Church in collusion with the Government of Canada three hundred kilometres away Over the next twelve years the three residential schools Mountain was forced to attend systematically worked to erase his language and culture the very roots of his identity While reconnecting to that which had been taken from him he had a disturbing and painful revelation of the bitter depths of colonialism and its legacy of cultural genocide Canada has its own holocaust Mountain argues As a celebrated artist and social activist today Mountain shares this moving personal story of healing and the reclamation of his Dene identity *Life Stories* Maureen O'Connor,2011-08-23 Memoirs autobiographies and diaries represent the most personal and most intimate of genres as well as one of the most abundant and popular Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2 800 read alike and other related titles The popularity of this body of literature has grown in recent years and it has also diversified in terms of the types of stories being told and persons telling them In the past readers advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy This guide offers an alternative organizing the literature according to popular genres subgenres and themes that reflect common reading interests Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads *Life Stories A Guide to Reading Interests in Memoirs Autobiographies and Diaries* presents a unique overview of the genre that specifically addresses the needs of readers advisors and others who work with readers in finding books *Skeletons at the Feast* Chris Bohjalian,2009-04-06 In January 1945 in the waning months of World War II a small group of people begin the longest journey of their lives an attempt to cross the remnants of the Third Reich to reach the British and American lines Among the group is 18 year old Anna Emmerich the daughter of Prussian aristocrats There is her lover Callum Finnella a young Scottish prisoner of war who has been brought from the stalag to her family s farm as forced labour And there is the intriguing Wehrmacht corporal whom the pair know as Manfred who is in reality Uri Singer a Jew from Germany who managed a daring escape from a train bound for Auschwitz As they work their way west they encounter a countryside ravaged by war Their flight will test both Anna s and Callum s love as well as their friendship with Manfred assuming any of them even survive Skilfully capturing the flesh and blood of history Bohjalian has crafted a rich tapestry that puts a face on one of the 20th century s greatest tragedies while creating a masterpiece that will haunt readers for generations *Motherland* Maria Hummel,2015-01-13 This haunting family saga set in WWII Germany illuminates the reality of war away from the frontlines with a compassion and depth of

understanding that will touch your heart People Inspired by the author s extended family and their status as Mitla ufer Germans who went along with Nazism reaping its benefits and later paying the consequences Inspired by the stories told by her father about his German childhood and letters between her grandparents that were hidden in an attic wall for fifty years Motherland is a novel that attempts to reckon with the paradox of the author s father a product of her grandparents fiercely protective love and their status as passive Nazi sympathizers known as Mitla ufer At the center of Motherland lies the Kappus family Frank is a reconstructive surgeon who lost his beloved wife in childbirth Two months later just before being drafted into medical military service Frank marries a young woman charged with looking after the surviving baby and his two grieving sons Alone in the house Liesl attempts to keep the children fed with dwindling food supplies safe from the constant Allied air attacks and the tides of desperate refugees flooding their town When one child begins to mentally unravel Liesl must discover the source of the boy s infirmity or lose him forever to Hadamar the infamous hospital for unfit children Bearing witness to the shame and courage of Third Reich families during the devastating final days of the war each family member s fateful choice leads the reader deeper into questions of complicity and innocence and to the novel s heartbreaking and unforgettable conclusion

War of Nerves Jonathan Tucker,2007-02-13 In this important and revelatory book Jonathan Tucker a leading expert on chemical and biological weapons chronicles the lethal history of chemical warfare from World War I to the present At the turn of the twentieth century the rise of synthetic chemistry made the large scale use of toxic chemicals on the battlefield both feasible and cheap Tucker explores the long debate over the military utility and morality of chemical warfare from the first chlorine gas attack at Ypres in 1915 to Hitler s reluctance to use nerve agents he believed incorrectly that the U S could retaliate in kind to Saddam Hussein s gassing of his own people and concludes with the emergent threat of chemical terrorism Moving beyond history to the twenty first century War of Nerves makes clear that we are at a crossroads that could lead either to the further spread of these weapons or to their ultimate abolition

Lilies That Fester John Bossert Brown,2022-12-20 The twentieth century promised much in terms of progress Europe was at peace and America was poised to become a world superpower Certain religious leaders envisioned new programs to help the poor while others pondered plans to evangelize the world Protestants in America were divided over issues such as biblical authority and social programs but there was a surface unity and a widespread agreement shared with Catholic and Orthodox Christians about the sanctity of human life an ethic rooted in the Bible and church history Seventy nations responding to medical advances in obstetrics fetology and a growing concern for women s health had moved to prohibit abortion Today 120 years later there is a deep division among Christians and in American society about abortion and much else The causes are no doubt complex but several things are clear Worldwide there have been over one billion unborn children destroyed by abortion There have been seventy three million unborn children destroyed by abortion in the United States over half of them to women who identify as Christians In a century of massive violence due to war planned famines mass executions and terror

abortion reigns supreme That the Judeo Christian ethic of the sanctity of life has been shredded owes much to the scandal of Christian discipleship Immigrants John Schissler Jr.,2017-09-20 War crimes do not end with the war Revisit this riveting memoir as told by a Croatian immigrant whose family became unwitting actors in the cruel theater of a postwar Europe and how they survived to tell their story In this compelling frame story the author intertwines his return to his ancestral home with his past in Croatia All the wonderful images and emotions which he experienced in 2015 stand in stark contrast to those years from 1943 to 1950 when he and his family embarked on a protracted journey fraught with danger disease and death in a war torn Europe The authors meaningful pilgrimage in 2015 not only reveals all the beauty and charm of Croatia but also reminds us of the need to take a renewed look at the issue of immigration and family After his return voyage the author brings home the affirmation and reminder that we are all immigrants that melting pot that makes us a stronger America
