On Loving A Saudi Girl:

On Loving a Saudi Girl Carina Yun, 2015-09-25 Winner of the Headmistress Press Charlotte Mew Prize This collection is quiet in its transformations both imagined and radically real as the speaker allows us to understand different ways in which love has gone and left us The images that cypher throughout the manuscript Blue Mosques Persian seaweed the song of the muezzin goats left bleeding in the street ally themselves with literary allusions from Millay and Dickinson to Zafon and Stein to create a new oeuvre of sound voice and color that is wholly the poet's own making At once melancholy and defiant *On Loving a Saudi Girl* wakes some of the most difficult buried truths of what it is to love in silence with deeds and not with words creating new ways for the reader to surrender again and again until surrender is made new Meg Day Judge of the Charlotte Mew Prize Between East and West both lovesick and at a loss the innovative lyrics of Carina Yun's *On Loving a Saudi Girl* pronounce what for this poet has been forbidden dangerous The brittle Black Sea is more than I can bear the poet writes Reading Yun's poems is not a casual exercise The work is rooted in necessity the necessity to uncover a world where the many dimensions of love coexist Sally Keith Carina Yun's debut chapbook *On Loving a Saudi Girl* is an enthralling sequence of intimate lyrics gorgeous poems of love longing and loss Interleaved among letters home song like addresses to Millay Dickinson and Stein dreams and nightmares we hear the rush of the Marmara Sea the muzzein's calls to prayer the traffic and trams of urban Istanbul and the clatter of hail on a Stockton street Yun's work pays rapt word wise attention to what living feels like These are startling memorable poems Jennifer Atkinson Carina Yun's poems map a landscape where travel and a love of place merge with the loss of an erotic obsession It's a startling distillation of sensual experience bodily grieving joyful This is a wonderful debut Bruce Snider **Not Just A Saudi Woman**, Love, Sex, and Desire in Modern Egypt L. L. Wynn, 2018-11-23 Cairo is a city obsessed with honor and respectability and love affairs Sara a working class woman has an affair with a married man and becomes pregnant only to be abandoned by him Ayah and Zeid a respectably engaged couple argue over whether Ayah's friend is a prostitute or a virgin Malak a European belly dancer who sometimes gets paid for sex wants to be loved by a man who won't treat her like a whore just because she's a dancer and Alia a Christian banker who left her abusive husband is the mistress of a wealthy Muslim man Haroun who encourages business by hosting risqu parties for other men and their mistresses Set in transnational Cairo over two decades *Love Sex and Desire in Modern Egypt* is an ethnography that explores female respectability male honor and Western theories and fantasies about Arab society L L Wynn uses stories of love affairs to interrogate three areas of classic anthropological theory mimesis kinship and gift She develops a broad picture of how individuals love and desire within a cultural and political system that structures the possibilities of and penalties for going against sexual and gender norms Wynn demonstrates that love is at once a moral horizon an attribute that naturally inheres in particular social relations a social phenomenon strengthened through cultural concepts of gift and kinship and an emotion deeply felt and desired by individuals **The Routledge Companion to**

On Saudi Arabia Karen Elliott House,2012-09-18 From the Pulitzer Prize winning reporter who has spent the last thirty years writing about Saudi Arabia as diplomatic correspondent foreign editor and then publisher of The Wall Street Journal an important and timely book that explores all facets of life in this shrouded Kingdom its tribal past its complicated present its

precarious future Through observation anecdote extensive interviews and analysis Karen Elliot House navigates the maze in which Saudi citizens find themselves trapped and reveals the mysterious nation that is the world's largest exporter of oil critical to global stability and a source of Islamic terrorists In her probing and sharp-eyed portrait we see Saudi Arabia one of the last absolute monarchies in the world considered to be the final bulwark against revolution in the region as threatened by multiple fissures and forces its levers of power controlled by a handful of elderly Al Saud princes with an average age of 77 years and an extended family of some 7 000 princes Yet at least 60 percent of the increasingly restive population they rule is under the age of 20 The author writes that oil-rich Saudi Arabia has become a rundown welfare state The public pays no taxes gets free education and health care and receives subsidized water electricity and energy a gallon of gasoline is cheaper in the Kingdom than a bottle of water with its petrodollars buying less and less loyalty House makes clear that the royal family also uses Islam's requirement of obedience to Allah and by extension to earthly rulers to perpetuate Al Saud rule Behind the Saudi facade of order and obedience today's Saudi youth frustrated by social conformity are reaching out to one another and to a wider world beyond their cloistered country Some 50 percent of Saudi youth is on the Internet 5.1 million Saudis are on Facebook To write this book the author interviewed most of the key members of the very private royal family She writes about King Abdullah's modest efforts to relax some of the kingdom's most oppressive social restrictions women are now allowed to acquire photo ID cards finally giving them an identity independent from their male guardians and are newly able to register their own businesses but are still forbidden to drive and are barred from most jobs With extraordinary access to Saudis from key religious leaders and dissident imams to women at university and impoverished widows from government officials and political dissidents to young successful Saudis and those who chose the path of terrorism House argues that most Saudis do not want democracy but seek change nevertheless they want a government that provides basic services without subjecting citizens to the indignity of begging princes for handouts a government less corrupt and more transparent in how it spends hundreds of billions of annual oil revenue a kingdom ruled by law not royal whim In House's assessment of Saudi Arabia's future she compares the country today to the Soviet Union before Mikhail Gorbachev arrived with reform policies that proved too little too late after decades of stagnation under one aged and infirm Soviet leader after another She discusses what the next generation of royal princes might bring and the choices the kingdom faces continued economic and social stultification with growing risk of instability or an opening of society to individual initiative and enterprise with the risk that this too undermines the Al Saud hold on power A riveting book informed authoritative illuminating about a country that could well be on the brink and an in-depth examination of what all this portends for Saudi Arabia's future and for our own
