 for two years When the rich man finds out Jess isn't just kicked out of the house but is forced to drink a cup of oil due to her

husband's family using something similar to that during their railroad construction. However, this oil isn't normal and makes her invisible from all pretty faces and only seen by those that feel as lonely and invisible as her husband, who she can only divorce if she breaks the curse. This broken girl is given two and a half years to find love, the real genuine kind, if she wants to be seen by everyone again. Jess soon begins to learn that no one has ever truly seen her before until she meets a man from her past, a train conductor that almost hits her with his train, Jaxson Smith. He's just as much of a mess as she remembered due to his wife's passing and now being a single dad as he had a daughter with another woman who isn't in the picture. Love can be a dangerous battlefield with two very broken people full of beauty and beasts within. When two very broken people manage to build each other back up and break the curse, can their love survive those that don't really see them as they see each other, or will it die like the fallen rose petals in the beloved fairytale.

Bill Saunders has found himself in Yuma prison for a crime he swears he didn't commit, watched over by guard hell bent on seeing him hang. And if he does find his freedom, can he find the courage to return home after what happened at Gettysburg? This is the war of love IN between the alphas. Charlotte has always been the spare one, the second daughter, the invaluable one. She hasn't minded even though it hurts. It gives her the kind of freedom that her sister can only dream about. The freedom that has to be taken away when she is promised to the notorious Alpha Hunter. She won't do that, not when she realizes she has a mate out there, so she runs away. And where does she run? Straight into the arms of her mate. Logan has never really put that much thought into having a mate. Now that he does, he will do anything to keep her safe, even if battling a crazed and much older Alpha who wants to keep his mate for himself.

Merlyn Britannicus and Uther Pendragon, the Silver Bear and the Red Dragon, are the leaders of the Colony, lifeblood to the community from which will come the fabled Camulod. But soon their tranquility is in ruins. Uther lies dead from treachery and all that is left of the dream is the orphaned babe Arthur, Heir to the Colony of Camulod, born with Roman heritage as well as the blood of the Hibernians and the Celts. Arthur is the living incarnation of the sacred dream of his ancestors, independent survival in Britain amidst the ruins of the Roman Empire. When Arthur is adopted by Merlyn Britannicus, an enormous responsibility is placed on Merlyn's shoulders. Now he must prepare young Arthur to unify the clans of Britain and guard the mighty sword Excalibur. And above all, Merlyn must see that Arthur survives to achieve the rest of his ancestors' dreams in spite of the deadly threats rumbling from the Saxon Shore.
