Sometimes Like Dimes Thom Slofer, 2011-01-12 Sometimes Like Dimes Life Lessons in the Steel City is about Thom Slofer and chronicles his experiences growing up and becoming older in the Hill District neighborhood of Pittsburgh Pennsylvania USA in the 1980 s and 90 s During this time period the people life passages and the changing surroundings are described as they affect him The Hill was once a thriving inner city neighborhood World famous jazz musicians once played in the ballrooms and jazz clubs nightly the Hill District was to Pittsburgh what Harlem is to New York City Hard economic times before and after the 1980 s hit the once economically thriving black community at the foot of downtown Pittsburgh hard The Hill was now nothing more than a snapshot of economic demise The successes and setbacks through his high school years and into his young adult life are chronicled Older women he became involved with showed him another way to be despite peer and neighborhood influences He graduates high school to attend college but drops out and obtains a reasonable job but the streets and thier infuences are present He becomes a part time bartender then begins to carry a gun before loosing his job and succumbing to low self esteem He s then forced to survive on the streets but refuses to take part in any crime He rises above and eventually beyond the streets but the lessons street life taught stayed within him Sometimes Like Dimes Life Lessons in the Steel City not only demonstrates that if every man were to write a book about his experiences every story would be unique but is also a lens to view what it was like to live life in Southwestern Pennsylvania USA **Reminiscences**

Dimes from Heaven Monica L. Morrissey,2019-02-27 When people die are they ever truly gone I had heard the saying pennies from heaven before but my coins from heaven seemed to be dimes Was my father actually sending me dimes to show me he wasn't really gone My mother seemed to be sending pennies all the time but my dad was pretty clever Everyone around me knew that I was sensitive but it took me writing about a few special dimes to discover what it meant to be an empath Along with the messages from Heaven I share how I am listening to the positive voice inside my head This book is about so much more than dimes yet without them I wouldn't have written it **Official Truth,**

about a world that has vanished A gritty grubby often grim world that I thought was the promised land I lived there for my first 33 years and it was swiftly disintegrating even as I left more than a half century ago It is gone now except for a handful of diehards cherishing the past and cursing the present It was a working class world of immigrants their children and their grand children very American in its peculiar way very patriotic hard working very Democratic mostly Catholic albeit with a separation of Lutherans half educated highly opinionated very tough parochial in every sense of the word hostile to outsiders indifferent to criticism prejudiced misogynic cynical and compassionate in equal measure fiercely loyal ignorant as spit and it was a wonderful world to grow up in In other words Jersey City as it was then not as it is today That vanished Jersey City will be the center of my story surrounded by a circle of other places whose radius was not much more than 15 miles My family and friends lived within that circle mostly in Jersey City Hoboken Queens Brooklyn The Bronx Union City North Bergen and

Secaucus Mount Arlington on Lake Hopatcong was the furthest reach of that world My family is mostly Irish and Italian with some Scots Lithuanians Slovaks Poles Jews Albanians Germans Greeks Mexicans and the odd WASP thrown in for blandness You know typically American I should tell you now that much perhaps most of my family is not related to me by blood But they are my family nonetheless and I love them all You re probably not going to figure out some of the relationships but then I have trouble myself I am a card carrying member of the Silent Generation Uncomfortably wedged between the glorious Greatest Generation and the pain in the ass Baby Boomers we were born in the Great Depression and were children during World War II These two cataclysmic events formed us We are known for not making much of a fuss about our culture We only produced one president Joe Biden and as he was born in 1943 he had no memories of either of our seminal events We were also known as Traditionalists which is a more accurate description of our core values Most of us are gone now so I thought I d try my hand in telling how some of us got the way we are

Boston Cooking-school Magazine of Culinary Science and Domestic Economics ,1927 **American Cookery** ,1926 **Bad Paper** Jake Halpern,2014-10-14 The Federal Trade Commission receives more complaints about rogue debt collecting than about any activity besides identity theft Dramatically and entertainingly *Bad Paper* reveals why It tells the story of Aaron Siegel a former banking executive and Brandon Wilson a former armed robber who become partners and go in quest of paper the uncollected debts that are sold off by banks for pennies on the dollar As Aaron and Brandon learn the world of consumer debt collection is an unregulated shadowland where operators often make unwarranted threats and even collect debts that are not theirs Introducing an unforgettable cast of strivers and rogues Jake Halpern chronicles their lives as they manage high pressure call centers hunt for paper in Las Vegas casinos and meet in parked cars to sell the social security numbers and account information of unsuspecting consumers He also tracks a package of debt that is stolen by unscrupulous collectors leading to a dramatic showdown with guns in a Buffalo corner store Along the way he reveals the human cost of a system that compounds the troubles of hardworking Americans and permits banks to ignore their former customers The result is a vital expos that is also a bravura feat of storytelling
