and facilitator Beth Hewett offers help for people interested in walking with those who grieve and supporting their mourning. Using the story of the bereaved disciples walking with Jesus to Emmaus and personal grief vignettes, this message is grounded in Benedictine monastic values that emphasize love, mutuality, hospitality, listening, prayer, humility, action, and community. This readable guide introduces a ministry of consolation complete with facilitator skills, practices, and strategies for healing to assist readers to accompany the bereaved compassionately, leading each other to hope after loss. *I Second That Emotion* Patsy Clairmont, 2011-09-26. We women are wonderfully made but boy, we sure are emotionally intricate. With her trademark conversational style and wit, Patsy Clairmont tackles a subject most women feel at a loss to approach: their feelings. *I Second That Emotion* takes one of Patsy's most popular topics at the Women of Faith conferences and shows how you can deal with a turbulent emotional life. *I Second That Emotion* pulls some of our emotions out to examine them individually. Don't allow life to push your emotional buttons till you have an emotional meltdown. Instead, let God help you get untangled. The Lutheran, 1981. **Index de Périodiques Canadiens**, 1999. Where Do I Go from Here Barry Ross, 2013-04-07. As I begin this inspired journey of this new book titled *Where Do I Go From Here*, I am grateful to God for his divine inspiration and guidance. This book is long overdue and will be a blessing to many that are stagnant on the Road to Emmaus, both psychologically and spiritually. As I am a living witness of how sad and lonely this road is and how vital it is for one to quickly get off this road and get back on the road to life, if you have experienced the death of someone special in your life as the two disciples on the Road to Emmaus had after the death of Jesus Christ, you have traveled or are traveling down the road to Emmaus. The journey down Emmaus Road began at the death of that special someone that was in your life but have suddenly died naturally or due to some sickness or some other cause known as the immediate cause of death. Let me inject here, however, that death isn't the only cause for one to be stagnant on the road to Emmaus. It might be from the result of a broken marriage, drug or alcohol abuse, loss of a job, and the list could continue on and on. The point is whatever is causing sadness in your life has both psychologically and spiritually led you to this road of sadness and loneliness, even if you do not realize it. However, this book's primary focus is on one of the causes, which is DEATH. Most people in the world know and have heard of the man Jesus Christ. If you have not, I am more than happy to introduce you to him in this book. Jesus Christ was the promised Messiah. Salvation to all men or nations of men came through him as the Savior of the world. John 3:16-17. Jesus Christ was a Jew, and this is why the Bible declares to us that Salvation is of the Jews. Romans 1:11. God sent Jesus Christ into this world to die for the sins of the world so that the world through his death might be saved. Jesus was born into this world and lived as a human yet without sin, was accused of blasphemy by the chief priest and men of high honor in his day, convicted by a court of law, and sentenced to death by crucifixion by his own people. I will now take you on a journey back to the events that led to his death on the cross at Calvary and how his death ties in to the Road to Emmaus. Jesus began his ministry at the age of thirty. He chose twelve men that are called disciples whom he taught, lived with, and instructed.

about the kingdom of God At the age of thirty three and a half 33 1 2 Jesus was crucified on a cruel cross at Calvary as he gave his life a ransom for many including you and me When Jesus was crucified all of his disciple s hope was gone as well as their faith as they did not understand the providence of God his purpose until after his death burial and resurrection from the dead The Jewish looked for someone to overthrow the Roman government of their day a coming king Yet when Jesus came they neither knew him nor understood his divine purpose in the world Immediately before his death all of his disciples left him and fled and was scattered After his crucifixion two of his disciples left Jerusalem and traveled to a village which was outside of Jerusalem called Emmaus They had to travel down a road which is called the road to Emmaus the story of their sad journey is found in the book of Luke the twenty fourth Chapter and is summed up in this Luke places the story on of the day of Jesus resurrection The two disciples have heard the tomb of Jesus was found empty earlier that day They are discussing the events of the past few days when a stranger asks them what they are discussing Their eyes were kept from recognizing him He rebukes them for their unbelief and expounds on the scriptures about the Messiah After a meal and breaking of bread their eyes were opened and they knew him They returned to Jerusalem and to tell the others Jesus was alive and how they knew him by the breaking of bread This book will inspire you to see death and all God s way **Who's who in America**,2003 Road Trip Rhonda J. Goff,2017-06-22 This book is about the road of grief I traveled when my only son died The death of my son struck me down in a place where I had never been before and it left a deep gut wrenching wound that had to have time to heal My son left to go to his eternal home and I was left to bear my sorrow However God in his abundant mercy came to me He gave miracles to me that blew me away On days that I knew I could not go on he carried me spoke to me rocked me sent help to me and visited me Oh yes he did The road was not one I wanted to be on but it was the one I was on The road was rocky yet the road was strewn with compassion love and joy I did not travel it alone God the Father Jesus the Son and the Great Holy Spirit were right there on that road with me They never left me They gave me grace strength and courage to keep going Satan was my enemy on this road He hurled stones at me tripped me tormented me and tried many ways to instill fear in me He wanted me to travel a road of defeat God would not allow him to win over me God was my refuge my rock my Father and my victory This book is as much about living as it is about dying You do not have to be in grief to read this book Open the book and take a look *Road to Emmaus* William G. Hoy,2008-08-01 *Grieving with Hope* Samuel J. Hodges IV,Kathy Leonard,2011-11 Practical and straightforward yet warm and compassionate *Grieving with Hope* clarifies the popular misconception that people move through stages of grief This will be an encouragement to many as grieving people often think something is wrong with them when their grief doesn t proceed neatly through stages The reality is that grieving people jump back and forth between different emotions sometimes wrestling with multiple emotions at once This book is packed with short biblically based gospel centered topical chapters addressing the issues grieving people face but are often hesitant to mention to others It helps readers accurately interpret the message their emotions are sending them and

gently guides them to determine whether they're grieving in a way that leads to hope and ultimate healing. Developed from interviews with over 30 well-respected Christian counselors, teachers, and authors, as well as numerous personal testimonies, *Grieving with Hope* helps the bereaved discover how hope and peace are available amidst their heartache and pain.

Journey with Grief Larry Warner, 2018-10-10 2019 Illumination Book Awards Bronze Medal Winner In this small but powerful book, Larry Warner, author of *Journey with Jesus*, thoughtfully and sacrificially opens his soul, gently bringing the reader along on a journey through grief. His story is unique to him, but many of the emotions he suffered and the insights he gained are universal. This book is divided into two sections: a helpful comfort for the grieving and a guide for those who choose to travel with them. Part One is an explicit, honest description of the abyss that is grief. This section helps to normalize the unprecedented and unpredictable behaviors of grief, encouraging freedom and honesty in the processing of the pain and offering timely glimmers of hope. Part Two is a straight-forward manual for walking with someone through the abyss, simple, sensible, and direct. The role of comforter is not to be taken on lightly; the journey is often long and difficult, but the ministry of presence is profoundly meaningful. This book gives people permission to grieve as they can and as they must, while also equipping others to come alongside those who are hurting in ways that promote healing. This is a book for those who are suffering loss and for those who desire to be a help to those walking through their first year of grief. *Closed for*

Renovation-On the Road to Emmaus, 2022-09-20 **The Gift of Compassion** Rev. Becca Stevens, 2012-11-01 Unfortunately, grief and loss are inevitable parts of living. No one escapes. Even so, it's difficult to know how to console those who have reached a broken place in their lives. What is the best way to show compassion when words cannot be enough? In *The Gift of Compassion*, author Becca Stevens offers practical help for pastors, Stephen ministers, congregational caregivers, and other laity serving the brokenhearted. With a central message on the importance of simply being present for people who are grieving, Stevens combines practical how-tos with prayers, Scriptures, suggestions for ways to serve the sacraments, and inspiration about the peace of God that passes all understanding. This small book outlines meaningful ways to show compassion through planning visits, writing notes, finding appropriate Scriptures, and prayer to read, avoiding clichés and offering the presence of God to people suffering through the dark and searching experience of grief. **Beyond the**
