Nostradamus Sees the End of Time Rahn Heart,2004-12 Stories about what happens at the end of a world age can be found in texts and legends from every corner of the world When these stories are compared to one another a universal set of circumstances is revealed The end of an age only declared when the following conditions were met Toward the End of Time John Updike,2009-09-23 Set in the near future of 2020 this disconcerting philosophical fantasy depicts an America devastated by a war with China that has left its populace decimated its government a shambles and its natural resources tainted The hero is Ben Turnbull a sixty six year old retired investment counselor who like Thoreau sticks close to home and traces the course of one Massachusetts year in his journal Something of a science buff he finds that his disrupted personal history has been warped by the disjunctions and vagaries of the many worlds hypothesis derived from the indeterminacy of quantum theory His identity branches into variants extending back through the past and forward into the evolution of the universe as both it and his own mortal nature haunted existence move toward the end of time **The End of Time** Rick McGee,2018-03-29 There is an alarming amount of misinformation concerning the most climactic event in all of human history the imminent return of Jesus Christ to the earth As Christians become more and more biblically illiterate with each passing generation they are particularly susceptible to false teaching concerning the second coming of Christ and yes it does matter what you believe Speaking of false teachers the apostle Peter wrote They will secretly introduce destructive heresies Many will follow their shameful ways and will bring the way of truth into disrepute In their greed these teachers will exploit you with stories they have made up 2 Peter 2 1b 3a In just the past one hundred years many American Christians have been falsely led to believe they will be raptured out removed by Jesus Christ from this world before his Second Coming or serious tribulation occurs This flies in the face of the fact that Christians are already enduring torture and are being martyred on a grand scale in many other countries particularly by radical Muslims This book The End of Time takes an in depth look into the truths found within the Bible concerning the End Times truths that have been obviously distorted Lucifer began distorting the words of God in the Garden of Eden An unprepared mankind was deceived and Paradise was lost The very same Tempter continues to distort the truth concerning the return of Jesus Christ within the walls of the church to this day Once again millions of unprepared Christians will be caught off guard by the manner of the Lord's return in the same way the nation of Israel was taken by surprise at his first arrival in Bethlehem A rapture and vindication of faithful believers will indeed occur but will coincide with Christ's return to earth as the Scriptures clearly indicate The Lord will then judge this fallen world reward the faithful and paradise will be restored Comparing Scripture with Scripture the Old Testament with the New Testament the truths we need to understand concerning the approaching end of time as we know it can be grasped

Until the End of Time Stan Rogers,2010-08-20 I like to examine the dark side of life through my writing Whether it is through my novels or my poetry I find I prefer the walk along the dark side of the road over the heart lifting sunnier side This Anthology is a walk along that road although it does include lighter moments and the occasional funny aside Apart from the poetry in this Anthology you will also find views of life and in particular my antipathy towards organised religion alongside a couple of very short children s stories So please read my Anthology It will make you smile I hope as well as make you cry I have also written and published one novel so far entitled LOVE SEX AND TIME TRAVEL I always point out that it is not a science fiction novel as such There are no time machines aliens or spaceships in it but it is rather a bitter sweet love story again examining the darker side of love and life
