Capture Nicole Edwards,2023-07-25 Volume 4 Do you know what happens when you try to build a house of cards in a windstorm It doesn't work And if you're lucky enough to lay a foundation and erect a few walls it only takes one misstep to throw the delicate balance out of whack and cause the whole thing to fall That's one way to describe what it's like to date three men Three handsome intelligent quick-witted men They are also arrogant sexy domineering and overbearing Did I mention frustrating Because they can be One more so than the others As for the misstep that will send these precarious new relationships tumbling I think it's coming Volume 5 I can't be sure whether this is the calm after the storm or the stillness that settles in before the next one Either way my love life has flatlined and I'm grasping for a way to set things right It should be simple except I'm questioning the decision I made I know what I want I'm just not sure how to go about making it work Good thing the men in my life are According to them when chaos disrupts your ideal sense of normalcy setting ground rules is the best way to rein it in Just a few basics to keep things from falling apart Only my men aren't calling these additional rules the basics And normal well that's not a word I would use to describe what they have in store for me Volume 6 As though dating three men isn't complicated enough now there are new feelings to decipher and another threat creating chaos Only this time my stalker has stepped up his game and his actions send the men in my life into protective mode But not before I learn that they've been lying to me since the day I met them These aren't little white lies either Or ones of omission no matter what Creed says These are the kind of lies used to package up secrets that have the ability to alter the entire foundation of our relationship This time I'm not looking for space I'm not walking away I want answers and they're going to give them to me What I don't realize is that getting them may very well set us on another course entirely Note from the author The Primal Instincts series was originally released in individual volumes Chase Capture and Claim are the combination of these volumes The stories are the same

Filthy Hot Billionaire Nicole Edwards,2022-04-19 Knox Montgomery My obsession with Emily Campbell started when she was fifteen years old Her age made her completely off-limits to me The fact that her father was married to my mother only made it socially frowned upon That was then This is now Emily's a woman now and our parents are no longer married However there are still complications Like the fact my mother stole seventy million dollars from me and her father was complicit in the crime When the time comes for them to repay that debt her father offers Emily up on a silver platter I turned him down because I'm many things but certainly not a cliché Instead I gave him an additional three years to get his affairs in order He didn't know it at the time but that was more for me than for him Not enough drama Good because I've got another obsession His name is Kieran O'Rourke It started the day the Irishman introduced himself to me although I've never admitted that to anyone Certainly not him Nor did I give in right away because that would've been too easy Complications are compounded when Emily believes I betrayed her and her family by taking back what was rightfully mine which only delays my plans Being one of the wealthiest men in the world I have an

endless supply of resources a long list of things to keep me busy and an abundance of patience No matter what I will introduce Emily and Kieran to one another and when I do life as we know it will be irrevocably changed This is my story of obsession betrayal and surrender Some might say I have my work cut out for me Good thing I enjoy a challenge This is a standalone novel

Missing Pieces Nicole Edwards, 2025-08-19 Brantley Walker and Reese Tavoularis are plunging headfirst into the satisfying chaos of married life Although their preference would be to sit on a beach enjoying umbrella drinks for a week the honeymoon will have to wait With Jessica James treating her hospital stay like an all inclusive spa getaway complete with bed rest and boredom Brantley Reese Baz and the rest of the team are bracing themselves for the inevitable twists and turns ahead Meanwhile Atticus James shares not only the same last name with JJ but also the irritation that comes with monotony He's spending his days sifting through partner applications waiting for the day he'll see some of the action Just when he thinks his excitement levels have hit rock bottom Brantley hands him his first case assignment Only he's not sure he wants it once he learns what it is But if suffering is the name of the game he can think of no better partner in misery and mayhem than Slade Elliott While Atticus and Slade are busy with their detective shenanigans the rest of the team isn't just tuning in to their favorite podcast they're about to dive headfirst into a live episode of Havoc Your Way when the podcast's host stops by But Simon Jennings isn't there to sign autographs He's dropping in with a case that veers dangerously close to home blending the bizarre with the familiar as he seeks their expertise to untangle a web that's both outside their skill set and uncomfortably personal

Claim Nicole Edwards, 2023-08-28 Volume 7 With each passing day I am learning new things about myself I have the men in my life to thank for that They are giving me the freedom to explore things I've only ever fantasized about In doing so we are all accepting the complexity of our situation making compromises and taking risks When you fall in love with more than one man you can be certain that the highs and lows of a normal relationship are multiplied and they can be overwhelming at times Now that there are no more secrets between us there is nothing standing in our way We are free to move forward Except there are other forces at play Someone who knows the right card to play to ensure our happily ever after eludes us Possibly forever Volume 8 When you're determined enough you can accomplish almost anything That's my mantra as I deal with the upheaval my absence has caused Although they're slow to accept my apology the men in my life are coming around It helps that I want nothing more than to prove to them that I'm no longer a flight risk I'll do whatever it takes to ensure they know how much they mean to me Unfortunately I'm not the only person fueled by fierce determination The man out to hurt me to punish those I care about has proven he's willing to do whatever is necessary to rip apart my life bit by bit He's a worthy adversary I'll give him that But no one could've predicted his final move the one that could destroy everything we've worked so hard to build Volume 9 When you give your heart to someone there's always the chance it can be broken When you give your heart to more than one person the chances are significantly greater My entire world has erupted in chaos and the lives of two men I love are in danger On the outside I'm

holding my head up but on the inside I m curling into a fetal position wishing someone would hold me so I don t fall apart It s coming I can feel it My heart can t handle the pain of not knowing whether Hawk or Creed will live through the night it can t process the fear that Garrison and Nick will meet the same fate I m stuck in this horrible void of nothingness as I wait for someone to give me a lifeline to hold onto I m starting to think it will never arrive and I ll be left to drift off into oblivion

Volume 9 is the last book in the Primal Instincts series Although they endure some dark times love wins and this unconventional love story ends happily ever after As a bonus there s a glimpse of the future for Journey Creed Hawk Garrison and Nick

down who was behind JJ's disappearance. Some relationships are tested while others grow stronger as the team works to stop the dominoes from falling. Rough & Dirty Nicole Edwards, 2024-06-11. One night rough, dirty, and so hot it was a wonder the barn didn't burn down from the heat they generated. If Stone Jameson were writing a letter to his younger self, it would go something like this: Don't waste time leaving. You have everything you'll ever want already. Unfortunately, Stone didn't have the ability to warn his younger self nor could he get the last fifteen years of his life back. He could, however, return to the last place he'd experienced real happiness: his hometown of Coyote Ridge. It takes mere days for him to realize that all the years he spent trying to forget the night that had altered his perception of himself were in vain. It takes a single glimpse of what he left behind to bring it all back: the potent attraction, the intense connection, and the longing permanently etched in his soul. Getting absolution for his mistakes might be impossible, but when a second chance presents itself, Stone knows that determination and persistence are the only tools he needs to build the solid foundation he's seeking. **Clueless** Nicole Edwards, 2018-08-14. She's not ready for commitment. Milly Holcomb has a history with bad boys. She knows what they're after, and she knows they're only good for one night of wicked orgasms. When she met AJ, she had been prepared for that. He wants all of her. AJ Ballard knew from the moment he laid eyes on the feisty blond that she would be worth the wait. However, he hadn't anticipated their wild nights of passion would result in more than either of them was prepared for. Sometimes it's just meant to be. Hearts flutter when this snarky good girl realizes this sexy bad boy is more than she bargained for. Can Milly and AJ figure out what it means to be good parents when neither of them has a clue what they're doing? Will they give in to the attraction they've been battling since day one? Or because of the consequences of their actions will they simply have to settle for being the best parents they can be. Hot Chocolate Wishes Nicole Edwards, 2023-12-04. See what's happening at Christmas in Coyote Ridge with never-before-seen characters who are proving that the holidays are even better when they're naughty. Reilly Jameson has had a crush on her older brother's best friend for as long as she can remember. This year, she's decided to put it all on the line and see if she can give Brady McCord a nudge in the right direction. She intends to show him that despite the age difference, they can be really good together. Donovan Jameson has shrugged off his attraction to his little sister's best friend for quite some time because Tate Riggs is not his type. But for some reason, he can't shake it anymore. When Tate calls him sweetie, Donovan wants nothing more than to dominate the younger man and show him just how sweet they can be together. This is a full-length holiday romance with HEAs for two separate couples. Since their lives are so intertwined, it seemed more fun to let it play out side by side. Chase Nicole Edwards, 2023-06-27. Volume 1. What twenty-four-year-old recent college graduate would sign up to uncover a secret kink club rumored to be hidden within the walls of a multi-billion-dollar conglomerate? Me. Why? Well, that's easy. I've spent my entire life with my nose to the grindstone, doing the right thing, focusing on my future, and now I'm bored, which isn't a good thing when you have an insatiable curiosity. I probably should've considered the type of bait needed for a fishing expedition of this magnitude when I applied for the job at

Primal Instincts LLC looking to uncover the secret world that exists only on the whispers of those who've never so much as glimpsed the dark seductive inner workings because those who had wouldn't dare reveal anything. Now that I'm through the door I've got my determination and single minded focus to keep me moving forward. I will figure it out if for no other reason than to say I did. Provided I don't get sidetracked by not one not two but three men who are ridiculously good at keeping secrets.

Volume 2 I am only one week into my new job at Primal Instincts LLC when I realize super sleuth is not something I will be adding to my resume anytime soon. Although I'm still on my mission to uncover the truth about the secret kink club I suspect exists and is somehow tied to my employer I find myself with more pressing things to deal with than solving that mystery. Between balancing the work assignment I've been given and the change in my current dating status the only time I have left is spent dealing with a dominating manipulative not to mention sexy man who has me in his crosshairs.

Unfortunately the aforementioned dominating man starts the dominoes falling when his manipulation puts me in a vulnerable position. It's crazy what can happen in a week.

Volume 3 To say things have gotten complicated with the men in my life would be an understatement. My mission to discover the secret kink club has been put on hold but not because I'm distracted by the three men plaguing my thoughts and dreams. Not only because of them anyway. They are certainly responsible for keeping my attention away from my goals. However my main concern is the man blackmailing me with a video I'd prefer isn't seen by the public. That man has given me an ultimatum and I have a decision to make an important one. But for the moment Creed Hawk and Garrison are doing their best to keep my mind off my problem and they have a proposition for me. One that will effectively shift my focus yet again.

Note from the author The Primal Instincts series was originally released in individual volumes Chase Capture and Claim are the combination of these volumes. The stories are the same.
