Earle, 2010 One of the most compelling and thought provoking Vietnam stories ever told begins with an explosion that seriously injures Corporal James Morrison At first he wonders why he's lying on his back and it's raining on a sunny day Then he realizes it isn't rain coming down but human blood **Bloody Jungle Rain** explores what happens to the reluctant Marine who was wounded in 1968 His brush with death brings Morrison to an operating room and a near death experience that changes his life forever The wounded Marine faces Post Traumatic Stress Disorder depression alcoholism and a broken marriage Yet through his maze of problems there runs a thread of determination and the hope of finding a peaceful harbor Sadly though peace was difficult to find for many Vietnam veterans returning home to an unsympathetic public This story about courage by Colorado native M J Earle was written to remember a childhood friend killed in Vietnam The author says it proves that it is possible to overcome horrendous problems as long as there is faith and hope in the human heart **Something Beautiful Happened** Yvette Manassis Corporon, 2017-09-12 In this engrossing peek into a little known chapter of World War II and one family's harrowing tale of finding the lost pieces of its own history Karen Abbott New York Times bestselling author of Liar Temptress Solider Spy a

woman sets out to track down the descendants of the Jewish family her grandmother helped hide seventy years earlier Yvette Manassis Corporon grew up listening to her grandmother s stories about how the people of the small Greek island Erikousa hid a Jewish family a tailor named Savvas and his daughters from the Nazis during World War II Nearly 2 000 Jews from that area died in the concentration camps but even though everyone on Erikousa knew Savvas and his family were hiding on the island no one ever gave them up and the family survived the war Years later Yvette couldn t get the story of the Jewish tailor out of her head She decided to track down the man s descendants and eventually found them in Israel Their tearful reunion was proof to her that evil doesn t always win But just days after she made the connection her cousin s child was gunned down in a parking lot in Kansas a victim of a Neo Nazi out to inflict as much harm as he could Despite her best hopes she was forced to confront the fact that seventy years after the Nazis were defeated remainders of their hateful legacy still linger today As Yvette and her family wrestled with the tragedy in their own lives the lessons she learned from the survivors of the Holocaust helped her confront and make sense of the present In beautiful interweaving storylines the past and present come together in a nuanced heartfelt story of compassion and collective resistance with undeniable emotional power Kirkus Reviews **The Expositor and Current Anecdotes** ,1911 **Congressional Record** United States. The Ring Jorge Molist,2008-05-06 On her 27th birthday Cristina Wilson a promising New York lawyer receives a diamond engagement ring from her fiance Mike At the same time a messenger from Barcelona delivers a beautiful antique jewel a ruby set in bone She wears them both unaware that they are mysteriously incompatible The ruby gives her strange and terrible dreams sweeping her away to Spain where she reunites with her cousin Oriol and a powerful attraction is rekindled between them Together they set out on an odyssey to search for a Templar treasure that only they can discover *Collier's* ,1910 **Outlook** Alfred Emanuel Smith,Francis Walton,1884 **The Church Times** ,1900 *Dragon Beneath the Purple and Scarlet Mask* Edward O'Neal Bowen,2025-01-28 Something in our world has gone terribly awry leaving many wondering what on earth is going on The fact is over recent decades as the world slept spiritually a subtle metaphysical shift has taken place in societies spanning the globe altering both human and planetary behavior This paradigm shift has left in its wake a planet in peril filled with hostility volatility excessive immorality and erratic weather patterns disrupting even the current world order Across the globe we now witness a pervasive godless culture of idolatry materialism human greed incivility senseless violence wars tribalism gender inequality racial disparity and political correctness These have all but stifled civil discourse thereby accelerating the systematic deterioration of traditional cultural and social norms Toss in a volatile global economy along with corrupt human institutions of church and state and what we have left is a world system of operation teetering on the brink of catastrophic collapse What we are now experiencing is a prophesied process of social moral political planetary and socio economic disorder With every spinning news cycle we are given a constant sobering reminder of Earth s new reality and an eschatological foretaste of that which now emerges before our very eyes Perhaps you too have sensed this

radical sea change in today's uncertain and ever evolving world Certainly you are not alone in this observation For most people today's world is but a mere shadow of the place we experienced as children and were hoping to be a part of as adults Suffice it to say our world is currently undergoing a major transformation a rebirth of sorts as it makes ready for the prophesied inauguration and global occupation of Earth's final despot ruler the prince of darkness himself called the Antichrist So what does this all mean for today's world Where does one turn for credible answers and helpful instruction In a world filled with mendacity truth is oftentimes lost in a world of spin making it difficult if not altogether impossible to differentiate between what's real and what's not Yet if truth is what you seek then *Dragon Beneath the Purple and Scarlet Mask* was written specifically with you in mind Come now and learn the truth behind the unprecedented and unpredictable times in which we now live Indeed you are most blessed For many prophets and righteous people from ancient times desired to see what your eyes are about to see and did not see it and to hear what your ears are about to hear and did not hear it
