## **Old Testament Parallels Law And Stories From The Ancient Near East:**

**Old Testament Parallels** Victor Harold Matthews, Don C. Benjamin, 2016 A readable portable anthology of ancient Near Eastern laws and stories that share parallel themes and issues with biblical stories now in a fourth edition revised and expanded

**Old Testament Parallels** Victor Harold Matthews, Don C. Benjamin, 1997 In this newly revised and expanded second edition Victor Matthews and Don Benjamin have gathered key ancient documents from Eastern Mediterranean traditions that provide a literary backdrop for Old Testament writings

**Ancient Near Eastern Thought and the Old Testament** John H. Walton, 2018-05-15 Leading evangelical scholar John Walton surveys the cultural context of the ancient Near East bringing insight to the interpretation of specific Old Testament passages This new edition of a top selling textbook has been thoroughly updated and revised throughout to reflect the refined thinking of a mature scholar It includes over 30 illustrations Students and pastors who want to deepen their understanding of the Old Testament will find this a helpful and instructive study

**Gender and Law in the Hebrew Bible and the Ancient Near East** Victor H. Matthews, Bernard M. Levinson, Tikva Frymer-Kensky, 2004-11-11 This striking new contribution to gender studies demonstrates the essential role of Israelite and Near East law in the historical analysis of gender The theme of these studies of Babylonian Hittite Assyrian and Israelite law is this What is the significance of gender in the formulation of ancient law and custom Feminist scholarship is enriched by these studies in family history and the status of women in antiquity At the same time conventional legal history is repositioned as new and classical texts are interpreted from the vantage point of feminist theory and social history Papers from SBL Biblical Law Section form the core of this collection

**Old Testament Exegesis** Douglas K. Stuart, 2001-01-01 In this completely updated revision of an extremely successful book Stuart provides a step by step guide to writing an exegetical paper on the Old Testament This book takes into account the latest advances in methodology as well as resources

**Old Testament Exegesis, Fifth Edition** Douglas Stuart, 2022-03-15 For years Douglas Stuart's Old Testament Exegesis has been one of the most popular ways to learn how to perform exegesis the science and art of interpreting biblical texts properly for understanding as well as proclamation This new edition includes a major revision and expansion of online and other resources for doing biblical research and updates past editions by including a helpful configuration of the format for the exegesis process Stuart provides guidance for full exegesis as well as for a quicker approach specifically tailored to the task of preaching A glossary of terms explains the sometimes bewildering language of biblical scholarship and a list of frequent errors guides the student in avoiding common mistakes No exegetical guide for the Old Testament has been more widely used in training ministers and students to be faithful careful interpreters of Scripture

**The Cambridge Companion to Judaism and Law** Christine Hayes, 2017-02-17 The Cambridge Companion to Judaism and Law explores the Jewish conception of law as an essential component of the divine human relationship from biblical to modern times as well as resistance to this conceptualization It also traces the political social intellectual and cultural circumstances that spawned

competing Jewish approaches to its own divine law and the non divine law of others including that of the modern secular state of Israel Part I focuses on the emergence and development of law as an essential element of religious expression in biblical Israel and classical Judaism through the medieval period Part II considers the ramifications for the law arising from political emancipation and the invention of Judaism as a religion in the modern period Finally Part III traces the historical and ideological processes leading to the current configuration of religion and state in modern Israel analysing specific conflicts between religious law and state law

*What Are Biblical Values?* John Collins, 2019-08-06 An illuminating exploration of the Bible and many of our most contentious contemporary issues Many people today claim that their positions on various issues are grounded in biblical values and they use scriptural passages to support their claims But the Bible was written over the course of several hundred years and contains contradictory positions on many issues The Bible seldom provides simple answers it more often shows the complexity of moral problems Can we really speak of biblical values In this eye opening book one of the world s leading biblical scholars argues that when we read the Bible with care we are often surprised by what we find Examining what the Bible actually says on a number of key themes John Collins covers a vast array of topics including the right to life gender the role of women the environment slavery and liberation violence and zeal and social justice With clarity and authority he invites us to dramatically reimagine the basis for biblical ethics in the world today

**Genesis 1 and the Creationism Debate** Steven DiMattei,2016-04-08 Modern readers often assume that Genesis 1 depicts the creation of the earth and sky as we know it Yet in an appeal for textual honesty Steven DiMattei shows that such beliefs are more representative of modern views about this ancient text than the actual claims and beliefs of its author Through a culturally contextualized and objective reading of the texts of Genesis 1 and 2 this study not only introduces readers to the textual data that convincingly demonstrate that Genesis two creation accounts were penned by different authors who held contradictory views and beliefs about the origin of the world and of man and woman but also establishes on textual grounds that what the author of Genesis 1 portrayed God creating was the world as its author and culture perceived and experienced it not the objective world but a subjective world subject to the culturally conditioned views and beliefs of its author In the end this book clearly illustrates that the Bible s ancient texts do in fact represent the beliefs and worldviews of ancient peoples and cultures not those of God not those of later readers and especially not those of modern day Creationists

**Genesis (Baker Commentary on the Old Testament: Pentateuch)** John Goldingay,2020-11-17 Highly regarded Old Testament scholar John Goldingay offers a substantive and useful commentary on the book of Genesis that is both critically engaged and sensitive to the theological contributions of the text This volume the first in a new series on the Pentateuch complements the successful Baker Commentary on the Old Testament Wisdom and Psalms series series volumes have sold over 55 000 copies Each series volume will cover one book of the Pentateuch addressing important issues and problems that flow from the text and exploring the contemporary relevance of the Pentateuch The series editor is Bill T Arnold the Paul S Amos Professor of Old Testament Interpretation at Asbury Theological Seminary

The Bible Now Richard Elliott Friedman,Shawna Dolansky,2011-10-01 For millennia people have used the Bible as a touchstone on important social and political questions and rightly so But many use the Bible simply as a weapon to wield against opponents in a variety of debates without knowing what the Bible actually says about the issue in question In *The Bible Now* two respected biblical scholars Richard Elliott Friedman and Shawna Dolansky tell us carefully what the Hebrew Bible says or does not say about a wide range of issues including homosexuality abortion women s status capital punishment and the environment In fascinating passages that shed new light on some of today s most passionate disputes the authors reveal how the Bible is frequently misunderstood misquoted mistranslated and misused For instance those who quote the Bible in condemning homosexuality often cite the story of Sodom and those who favor homosexuality point to David s lament over the death of Jonathan But as the authors show neither passage is clearly about homosexuality and these texts do not offer solid footing on which to make an argument Readers learn that female homosexuality is not

prohibited only male homosexuality And on the subject of abortion the Bible is practically silent with one extraordinary exception The Bible has inspired people to do great good but has also been used by people to do great harm so it is vitally important for us to pay attention to it and to get it right The Bible Now shows us how we can and cannot use this ancient source of wisdom to address our most current and pressing issues [The Qur'an and the Aramaic Gospel Traditions](#) Emran El-Badawi,2013-12-17 This book is a study of related passages found in the Arabic Qur n and the Aramaic Gospels i e the Gospels preserved in the Syriac and Christian Palestinian Aramaic dialects It builds upon the work of traditional Muslim scholars including al Biq d ca 808 1460 and al Suy d 911 1505 who wrote books examining connections between the Qur n on the one hand and Biblical passages and Aramaic terminology on the other as well as modern western scholars including Sidney Griffith who argue that pre Islamic Arabs accessed the Bible in Aramaic The Qur n and the Aramaic Gospel Traditions examines the history of religious movements in the Middle East from 180 632 CE explaining Islam as a response to the disunity of the Aramaic speaking churches It then compares the Arabic text of the Qur n and the Aramaic text of the Gospels under four main themes the prophets the clergy the divine and the apocalypse Among the findings of this book are that the articulator as well as audience of the Qur n were monotheistic in origin probably bilingual culturally sophisticated and accustomed to the theological debates that raged between the Aramaic speaking churches Arguing that the Qur n s teachings and ethics echo Jewish Christian conservatism this book will be of interest to students and scholars of Religion History and Literature **Judges and Ruth** Victor H. Matthews,2004-01-12 Sample Text [T&T Clark Handbook of Anthropology and the Hebrew Bible](#) Emanuel Pfoh,2022-12-15 This handbook presents an overview of the main approaches from social and cultural anthropology to the Hebrew Bible Since the late 19th century biblical scholarship has addressed issues and themes related to biblical stories from a perspective which could now be considered socio anthropological It is however only since the 1960s that biblical scholars have started to produce readings and incorporate analytical models drawn directly from social anthropology to widen the interpretive scope of the social and historical data contained in the biblical sources The handbook is arranged into two main thematic parts Part 1 assesses the place of the Bible in social anthropology examines the contribution of ethnoarchaeology to the recovery of the social world of Iron Age Palestine and offers insights from the anthropology of the Mediterranean for the interpretation of the biblical stories Part 2 provides a series of case studies on anthropological themes arising in the Hebrew Bible These include kinship and social organisation death cultural and collective memory and ritualism Contributors also examine how the biblical stories reveal dynamics of power and authority gender and honour and shame and how socio anthropological approaches can reveal these narratives and deepen our knowledge of the human societies and cultural context of the texts Bringing together the expertise of scholars of the Hebrew Bible and Biblical Archaeology this ethnographic introduction prompts new questions into our understanding of anthropology and the Bible *The Bible Now* Richard Elliott Friedman,Shawna Dolansky,2011-07-01 In *The Bible Now* two respected

biblical scholars Richard Elliott Friedman and Shawna Dolansky tell us carefully what the Hebrew Bible says or does not say about a wide range of issues including homosexuality abortion women s status capital punishment and the environment In fascinating passages that shed new light on some of today s most passionate disputes the authors reveal how the Bible is frequently misunderstood misquoted mistranslated and misused **Womanist Midrash** Wilda C. Gafney,2017-08-15

**Womanist Midrash** is an in depth and creative exploration of the well and lesser known women of the Hebrew Scriptures Using her own translations Gafney offers a midrashic interpretation of the biblical text that is rooted in the African American preaching tradition to tell the stories of a variety of female characters many of whom are often overlooked and nameless Gafney employs a solid understanding of womanist and feminist approaches to biblical interpretation and the sociohistorical culture of the ancient Near East This unique and imaginative work is grounded in serious scholarship and will expand conversations about feminist and womanist biblical interpretation *Exodus* Chloe T. Sun,2024-11-14

The poignant narrative of Exodus which involves leaving one s homeland traveling settling unsettling wrestling with identity seeking a home and pursuing aspirations resonates with the present circumstances of the Chinese diaspora This commentary delves into the concept of exodus tracing its roots from the biblical exodus to its modern manifestation in the Chinese diaspora the new exodus This approach forefronts the nuances of otherness minority status liminality and hybridity in a dominant culture while simultaneously accentuating the transnational global and multifaceted roots of such an existence This diasporic reading of Exodus seeks to facilitate transformation in the ongoing quest for identity meaning and purpose all within the framework of God s redemptive history and diasporans journey of becoming The Asia Bible Commentary Series empowers Christian believers in Asia to read the Bible from within their respective contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The ultimate goal is to strengthen the body of Christ in Asia by providing a pastoral and contextual exposition of every book of the Bible *Living Well* Starr Tomczak,2024-09-01

In poignant reflections on iconic biblical passages *Living Well* Inspired by the Story behind the Bible draws on the latest research about the Bible s origins to inspire the personal lives of people today To offer meaningful guidance for daily life *Living Well* shows how the biblical writers told their stories to help people in ancient times cope with problems like those in modern society In stories from Genesis through Deuteronomy *Living Well* identifies a key point of the narrative conveys why it mattered to the people writing the story and relates it to contemporary life To help readers link the stories to their own circumstances the book includes Jewish Christian and secular views historical sociological and psychological perspectives and personal narrative As the author relates the stories to her life she finds inspiration to overcome humble origins and childhood abuse to avoid debilitating efforts to forgive destructive conduct and to live with greater generosity The book includes questions for personal reflection and group discussion inviting conversations in faith communities classrooms and book groups
