*The Justified Tight B****rd's Guide to Life* P.J. Moore,2014-05-28 The Justified Tight B rd s Guide to Life is a book of down to earth no nonsense everyday financial advice written and presented with curmudgeonly black humour in the style of Victor Meldrew from One Foot in the Grave Taking a lateral and critically reflective look at some of our modern consumer and lifestyle choices it aims to provide all readers regardless of income with the key to modest financial wellbeing The book challenges the arguments of those who claim that we are on the brink of a financial abyss akin to the great 1930s depression P J suggests that for all our difficulties we all have enough money either from employment or social welfare to live at the very least in modest comfort P J examines some of our perceived financial woes from an holistic rather than a purely economic viewpoint and demonstrates how these problems may be dealt with by a simple shift in perspective The book also suggests that many purchases we make every day are not only unnecessary but actually counterproductive or damaging in some way therefore offering the reader a justified reason for not purchasing many of the items we often consider to be essential The Justified Tight B rd s Guide to Life is presented in four separate sections containing over 300 points Each point is a self contained money saving tip linked to the others in the section Dispensing with political correctness and urging a return to independent thinking the book challenges the population to take an honest rounded responsible and wholesome approach to the problems they encounter and how they resolve them The book will be of help to anyone who would like to cut their expenses or household outgoings It is also a self help book that challenges the reader to ask themselves what they really want from life and what their priorities are It should spark critical reflection of our spending habits in all

Mother Of All Tales Supreet Dhiman,2019-10-25 This book is a tribute to mostly unsung heroines of our lives our mothers The book is a precious and playful banter between a 70 year old

traditional Punjabi mother and her 45 year old part Punjabi part cosmopolitan part traditional part rebel daughter trying to get along with each other while sliding down the chute of daily life Based in a Punjabi household the book has a universal appeal as the author has translated every Punjabi dialogue or expression written in Gurmukhi script into English The book has a very large hearted witty approach to life s molehills and mountains alike The Bootstrapper's Guide to the Mobile Web Deltina Hay,2012-05-01 Creating a successful mobile web presence is achievable with the tools found in this guide without needing to learn a programming language or become a Web designer Such a presence is now a necessity rather than a luxury for all businesses organizations and independent professionals to stay competitive This quick practical hands on introduction to the nuts and bolts of using the mobile web to grow a brand improve sales and increase profits is written for lay people and avoids jargon and programming concepts Time and money saving solutions are presented teaching technical novices how to quickly adapt their existing websites to the mobile ones and how to easily create mobile applications without having to learn to program Step by step instructions stand alongside real world examples of successful mobile web transitions and advice on best practices is provided to help business owners entrepreneurs marketing professionals and creative professionals create the presence they need to help their business flourish FCO Performance and Finances 2011-12 Great Britain: Parliament: House of Commons: Foreign Affairs Committee,2013-04-19 The Foreign Affairs Committee publishes a wide ranging report on the work of the Foreign and Commonwealth Office FCO and two of its sponsored bodies the BBC World Service and the British Council It makes key recommendations on language skills for top diplomats BBC World service funding and priorities and funding for the British Council For the FCO the exclusion of foreign language skills and reliance purely on general management competencies creates the risk of credibility in respect of key diplomatic postings The Committee finds it unacceptable that the World Service will not know its budget priorities or objectives before the transition to licence fee funding and the new arrangements for oversight by the BBC Trust from April 2014 The British Council will struggle to deliver the UK s foreign policy objectives if cuts to grant funding from the FCO continue at a similar rate The Committee recommends that the FCO should shield the British Council from the effect of any further cuts to the FCO budget in 2015 16 *Interdisciplinary Mobile Media and Communications: Social, Political, and Economic Implications* Xu, Xiaoge,2014-06-30 As mobile technology becomes much more prominent in the world its effect on the social political and economic realms cannot be ignored Interdisciplinary approaches towards re examining the prevalence of communication technologies are essential for industry professionals development Interdisciplinary Mobile Media and Communications Social Political and Economic Implications sheds light on emerging disciplines in multimedia technologies and discusses the changes chances and challenges in the mobile world Areas such as mobile governance mobile healthcare and mobile identity are examined along with their social political and economic implications Serving as a reconnection between academia and industry this book will be useful for students professors researchers and policy makers of mobile
