Oliver Twist, Charles Dickens Charles Dickens, Octopus Publishing Group, 2005-04-01 **Oliver Twist** Charles Dickens, 2021-04-29 The novel follows the journey of the character Oliver Twi Oliver an orphan from birth spent most of his childhood at a baby farm orphanage with too many children and too little food The farm is located about 70 miles from London One night after being treated for the brutality Oliver asked for help the second time This was unacceptable and Oliver was sent to work as an intern for The Undertaker Finally after suffering repeated abuse Oliver runs away and heads to London He soon found himself in front of the Artful Dodger who told him to stay at the house of Old Gentleman named Fagin and other boys Oliver learns that these boys are trained pickpockets In an outing Oliver testifies that the boy picks up a handkerchief from an elderly man Mr Brownlow prompting Oliver to run in fear and confusion An elderly man guilty of Oliver s behavior and was arrested However after learning more about Oliver Mr Brownlow realized the mistake and offered to look after him at his home Oliver assumed that he had now eliminated Fagin and the pickpocket But their knowledge of crime forces them to find Oliver Nancy a whore and mistress of Fagin Bill Sikes was sent to pick up Oliver from Mr Brownlow back to Fagin She succeeds and Oliver is sent on a steal mission with the other members of the group to the countryside around London In the course of this business Oliver is shot in the arm then the family Mei Lee at him Try to rob While he was there Fagin and a man named Monks planned to pull him back While on a trip to London with the family Rose Mayley meets Mr Brownlow to speak to Nancy who fled the site to explain the monk and Fajin plans to get Oliver back She explained the priest and told them when he was most likely to be caught Unfortunately for Nancy news of her betrayal reached Sikes and he beat her to death Sikes accidentally hanged himself Shortly after The Maylies reunited Oliver and Mr Brownlow forcing the monk to explain himself The reader and Oliver were then informed that the priest was Oliver s cross and that Oliver was entitled to a big fortune He received his share of money Fagin was hung and Maylies Oliver and Mr Brownlow moved to the countryside where they spent the remainder of their time together **Oliver Twist** Charles Dickens, 2014-04-08 Among other public buildings in a certain town which for many reasons it will be prudent to refrain from mentioning and to which I will assign no fictitious name there is one anciently common to most towns great or small to wit a workhouse and in this workhouse was born on a day and date which I need not trouble myself to repeat inasmuch as it can be of no possible consequence to the reader in this stage of the business at all events the item of mortality whose name is prefixed to the head of this chapter For a long time after it was ushered into this world of sorrow and trouble by the parish surgeon it remained a matter of considerable doubt whether the child would survive to bear any name at all in which case it is somewhat more than probable

that these memoirs would never have appeared or if they had that being comprised within a couple of pages they would have possessed the inestimable merit of being the most concise and faithful specimen of biography extant in the literature of any age or country Although I am not disposed to maintain that the being born in a workhouse is in itself the most fortunate and enviable circumstance that can possibly befall a human being I do mean to say that in this particular instance it was the best thing for Oliver Twist that could by possibility have occurred The fact is that there was considerable difficulty in inducing Oliver to take upon himself the office of respiration a troublesome practice but one which custom has rendered necessary to our easy existence and for some time he lay gasping on a little flock mattress rather unequally poised between this world and the next the balance being decidedly in favour of the latter Now if during this brief period Oliver had been surrounded by careful grandmothers anxious aunts experienced nurses and doctors of profound wisdom he would most inevitably and indubitably have been killed in no time There being nobody by however but a pauper old woman who was rendered rather misty by an unwonted allowance of beer and a parish surgeon who did such matters by contract Oliver and Nature fought out the point between them The result was that after a few struggles Oliver breathed sneezed and proceeded to advertise to the inmates of the workhouse the fact of a new burden having been imposed upon the parish by setting up as loud a cry as could reasonably have been expected from a male infant who had not been possessed of that very useful appendage a voice for a much longer space of time than three minutes and a quarter
