McDonald, George R. Milne, 1999

*Cases in Sport Marketing* simulates real life scenarios for sport marketers as exhibition games in the preseason simulate the

regular season for professional athletes The text begins with four introductory chapters to explain the case study method and then dedicates the remaining fifteen chapters to fifteen sport marketing cases that cover a wide range of issues and sport industry segments By working through the cases students can examine an array of situations and gain experience grappling with actual problems faced by managers Each case presents the critical issues at hand possible alternatives for consideration and the criterion necessary to make an informed decision The final chapter provides an overview of the sport marketing field

*Playing With the Boys* Eileen McDonagh, Laura Pappano, 2007-10-25 Athletic contests help define what we mean in America by success By keeping women from playing with the boys on the false assumption that they are inherently inferior society relegates them to second class citizens In this forcefully argued book Eileen McDonagh and Laura Pappano show in vivid detail how women have been unfairly excluded from participating in sports on an equal footing with men Using dozens of powerful examples girls and women breaking through in football ice hockey wrestling and baseball to name just a few the authors show that sex differences are not sufficient to warrant exclusion in most sports that success entails more than brute strength and that sex segregation in sports does not simply reflect sex differences but actively constructs and reinforces stereotypes about sex differences For instance women's bodies give them a physiological advantage in endurance sports yet many Olympic events have shorter races for women than men thereby camouflaging rather than revealing women's strengths
