Dublin street Samantha Young,2013 Streetfight Janette Sadik-Khan,Seth Solomonow,2017-03-07 Like a modern day Jane Jacobs Janette Sadik Khan transformed New York City s streets to make room for pedestrians cyclists buses and green spaces Describing the battles she fought to enact change Streetfight imparts wisdom and practical advice that other cities can follow to make their own streets safer and more vibrant As New York City s transportation commissioner Janette Sadik Khan managed the seemingly impossible and transformed the streets of one of the world s greatest toughest cities into dynamic spaces safe for pedestrians and cyclists Her approach was dramatic and effective Simply painting a part of the street to make it into a plaza or bus lane not only made the street safer but it also lessened congestion and increased foot traffic which improved the bottom line of businesses Real life experience confirmed that if you know how to read the street you can make it function better by not totally reconstructing it but by reallocating the space that s already there Breaking the street into its component parts Streetfight demonstrates with step by step visuals how to rewrite the underlying source code of a street with pointers on how to add protected bike paths improve crosswalk space and provide visual cues to reduce speeding Achieving such a radical overhaul wasn t easy and Streetfight pulls back the curtain on the battles Sadik Khan won to make her approach work She includes examples of how this new way to read the streets has already made its way around the world from pocket parks in Mexico City and Los Angeles to more pedestrian friendly streets in Auckland and Buenos Aires and innovative bike lane designs and plazas in Austin Indianapolis and San Francisco Many are inspired by the changes taking place in New York City and are based on the same techniques Streetfight deconstructs reassembles and reinvents the street inviting readers to see it in ways they never imagined

Fall From India Place Samantha Young,2014-06-03 The New York Times bestselling author of *On Dublin Street* *Down London Road* and *Before Jamaica Lane* returns with a story about letting go of the past and learning to trust in the future When Hannah Nichols last saw Marco D Alessandro five long years ago he broke her heart The bad boy with a hidden sweet side was the only guy Hannah ever loved and the only man she s ever been with After one intense night of giving in to temptation Marco took off leaving Scotland and Hannah behind Shattered by the consequences of their night together Hannah has never truly moved on Leaving Hannah was the biggest mistake of Marco s life something he has deeply regretted for years So when fate reunites them he refuses to let her go without a fight Determined to make her his Marco pursues Hannah reminding her of all the reasons they re meant to be together But just when Marco thinks they re committed to a future together Hannah makes a discovery that unearths the secret pain she s been hiding from him a secret that could tear them apart before they have a real chance to start over again
